Lots of Love, Lucinda Bianca Bradbury,1966 *The Philippine Republic* ,1923 **Follow the Stars Home** Luanne Rice,2011 Married young to Tim McIntosh a passionate and charismatic fisherman with a troubled heart Dianne Robbins expects a future full of happiness security and love But when tests reveal that their unborn baby is severely disabled Tim sails off for calmer waters Faced with the responsibilities of raising her daughter Julia Dianne finds support in Tim s brother Alan and her own mother Lucinda *The Adventures of Lucinda in Love Filled Fairyland* Joanne Denn,2011 **Love You Now** Julia Kent,2023-02-28 Ana DaSilva is looking for a palate cleanser A one night stand A reboot Instead she got fireworks sparks chemistry and the perfect guy No one wants to meet Mr Right when he should just be Mr Rebound but Mr Right is so so right But then he went from Mr Right to Mr Never because when she learns she s pregnant three days after that wonderful night with Dennis she realizes her sleazy drug dealing ex not only left her with the legal mess she knew about he gave her a life long present One that means ignoring Dennis texts and phone calls no matter how much she wants to answer Dennis Luvew wants to escape his pain Coming back to his hometown of Luvew Maine the cheesy tourist trap where every day was Valentine s Day means facing a past he left behind twenty four years ago Yes his family is loving and sure he has roots that go bone deep in the small town community where people step up for each other But the naive eighteen year old who left to serve his country is now a retired Special Ops vet with a heavy entourage of ghosts and PTSD No woman deserves all the baggage he s lugging around Including Ana who clearly wants nothing to do with him no matter how intense their one haunting encounter really was It s one thing to have ghosts and quite another to be ghosted Which is why six months after that hot night he s stunned to find her in his hometown at a bridal shower her ripe pregnant belly swelling under a gorgeous yellow sundress A public confrontation turns into a very private reunion and as Dennis pursues Ana she opens up but is he crazy to want her and what turns out to be another man s baby to settle down and find stability and love Or is he deluding himself that he s remotely worth the happiness an instant family could offer after his terrible past Someone Who Will Love You in All Your Damaged Glory Raphael Bob-Waksberg,2019-06-11 A fabulously off beat collection of short stories about love the best and worst thing in the universe written by the creator of BoJack Horseman with his hallmark scathing dark humor Transcendent tragicomedy Prepare to be devastated and made whole again The A V Club Featuring A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding A pair of lonely commuters who ride the subway in silence forever eternally failing to make that longed for contact A struggling employee at a theme park of U S presidents who discovers that love can t be genetically modified And fifteen more tales of humor romance whimsy cultural commentary and crushing emotional vulnerability *Off the Rails* Matt Jones,2007-04 Many years ago a highly intelligent race of people living in China discovered a fault with the Earth s natural orbital trajectory which if left unresolved would result in the world ending in the mid twenty first century The leaders of these people whilst

travelling the world in search of a solution to the problem arrived in London Here they stumbled on the theory that if they created vast but subtle movements across the Earth s surface then such weight shifts would have a reasonable bearing on the rate at which the Earth rotates and thus would alter its orbital path To provide this weight a project named Commuters was created so called due to a misprint of Computers This was performed by building a railway infrastructure throughout the land and simultaneously inventing a large number of excitingly named well paid but virtually harmless jobs This created both the demand and the mechanism for many people to travel in the same direction at a given time of day The group of pioneers were adamant that the real reason for their work should not be made public yet at the same time the project needed to be monitored To satisfy this an organisation called the Littlepeople was created whereby those directly involved with the project took invisible jobs within society From these positions they could easily observe their work without fear of detection themselves They therefore occupied jobs that are commonly labelled working class or unskilled as they were unlikely to be noticed by the Commuters within these positions
