Palmer's Company Law Sir Francis Beaufort Palmer,1982 **Freezing and Search Orders** Mark Hoyle,2017-09-25

This book provides a solid accurate and helpful practical reference to those seeking interim relief orders or fighting them and to show how they can be flexible to protect legal rights and achieve a cost effective practical result in litigation and arbitration Litigation and any other form of dispute resolution is redundant if the winning party cannot enforce its judgment or award or cannot hold the position between the parties in the interim before a decision is made The theory of who should win needs to give way to the practical but often complicated task of ensuring that all relevant evidence is before the decision maker judge or arbitrator and that the potential fruits of a favourable decision are not dissipated to leave the winner without financial or practical recourse This practitioner s guide enables you to protect your client s position in litigation or arbitration and ensures that success in court is not hampered by destruction of evidence or does not lead to an expensive hollow victory because no funds or assets are available *The Practice and Procedure of the Commercial Court* Anthony Colman,Victor Lyon,Philippa Hopkins,2020-11-25 Practice and Procedures of the Commercial Court is primarily intended as a reference for those who practice in the Court it also sets those practices and procedures in context including the Commercial Court s history It includes the principles and procedure for obtaining and discharging freezing injunctions and the procedures for The Court s supervisory jurisdiction over arbitrations as well **Lloyd's Commercial Law Library** ,19??
