Margaret Mead The World Was Her Family:

Margaret Mead: The World Was Her Family, Focus on Scientists Mary Ellen Sterling, 1994-03 Related activities and lot of extras help students integrate human interest stories into their studies Exotics at Home Micaela di Leonardo, 2000-03-16 What is the exotic after all In this study Micaela di Leonardo reveals the face of power within the mask of cultural difference Focusing on the intimate and shifting relations between popular portrayals of exotic Others and the practice of anthropology that profession assumed to be America's Guardian of the Offbeat she casts new light on gender race and the public sphere in America's past and present Chicago's 1893 Columbian World Exposition and today's college town ethnic boutiques frame di Leonardo's century long analysis Meet the First Ladies (eBook) Cindy Barden, 1996-03-01 In Meet the First Ladies your students will find a biographical sketch with detailed information followed by questions for discussion and research A page focusing on some aspect of life in the time is also included Students will learn that not every First Lady was a wife daughters and relatives also filled the role how Martha Jefferson made soap the identity of the first baby born in the White House who rode down the White House stairs on a cookie sheet and much much more **Sisters in Strength** Yona Zeldis McDonough, 2000-03 A highly respected mother daughter team profiles 11 inspirational women from different times and fields of endeavor Pocahontas Harriet Tubman Elizabeth Cady Stanton Susan B Anthony Clara Barton Emily Dickinson Mary Cassatt Helen Keller Eleanor Roosevelt Amelia Earhart and Margaret Mead Islands and the Modernists Jill Franks, 2006-07-25 This study examines five modernists in different disciplines biology painting drama fiction and anthropology whose work on islands made them famous Charles Darwin challenged every presumption of popular science with his theory of evolution by natural selection derived from his study of the Galapagos Islands Paul Gauguin found on Tahiti inspiration enough to break through the inhibiting traditions of the Parisian art world John Millington Synge's experience on the Aran Islands off the coast of Ireland gave birth to a new style of drama that defied classic divisions between tragedy and comedy D H Lawrence's life long search for a utopian community culminated in his famous short story *The Man Who Loved Islands* that poignantly portrays the tension between idealism and realism solitude and human intimacy Finally Margaret Mead began her career in anthropology by studying the remote South Sea Islands and through her work acquired the sobriquet Mother of the World The text explores the extent to which islands inspired these radical thinkers to perform innovative work Each used islands differently but similar phenomena affected their choice of place and the outcome of their projects Their examples illuminate the relationship of modernism to alienation and insularity Hooray for Heroes! Dennis Denenberg, Lorraine Roscoe, 1994 Combines creative activities with a comprehensive list of biographies written for children Organized by age group pre school ages 3 5 primary 6 8 intermediate 9 11 and young people 12 14 **Family Values** Isabel Heinemann, 2023-10-04 Clashes over the American family and its values have always implicitly or explicitly addressed issues of gender and highlighted the significance of present and future families to American society This is the

insight underpinning Isabel Heinemann's groundbreaking study which traces over the course of the twentieth century debates on the family and its role the relationship between the individual and society and individual decision making rights as well as their denial or curtailment Unpacking these issues in a vivid and innovative analysis the book recounts the prehistory of current conflicts over the family and gender while illuminating the relationship between social change normative shifts and the counter movements spawned in response to them *Elise Boulding: Writings on Feminism, the Family and Quakerism* J. Russell Boulding, 2016-11-04 This volume honors the lifetime achievements of the distinguished activist and scholar Elise Boulding 1920-2010 on the occasion of her 95th birthday Known as the matriarch of the twentieth century peace research movement she made significant contributions in the fields of peace education future studies feminism and sociology of the family and as a prominent leader in the peace movement and the Society of Friends She taught at the University of Colorado Boulder from 1967 to 1978 and at Dartmouth College from 1978 to 1985 and was instrumental in the development of peace studies programs at both institutions She was a co-founder of the International Peace Research Association 1964 the Consortium on Peace Research Education and Development 1970 and various peace and women's issues related committees and working groups of the American Sociological Association and International Sociological Association American Cultural Critics David Murray, 1995 This collection of essays assesses the work of a number of American intellectuals including Susan Sontag F O Matthiessen Daniel Bell and Hannah Arendt who have addressed issues of culture and its multifaceted relations to politics history sociology and literary criticism Concentrating on writing since 1940 the essays examine the central themes of American postwar intellectual history including the continuing reaction to or against modernity and technology the legacies of Marxism and psychoanalysis and the re-examination of American founding principles and figures in conservative or liberal terms *The Social History of the American Family* Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non-modal family forms and family law and policy Features Approximately 600 articles richly

illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader s Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions *The Unemployed Man and His Family* Mirra Komarovsky, 2004-10-22 In *The Unemployed Man and His Family* noted sociologist and feminist Mirra Komarovsky poses the question what happens to the authority of the male head of the family when he fails as a provider Between 1935 and 1936 Komarovsky interviewed 59 families in 1935-36 in which the male had been unemployed for at least a year Interestingly in many cases the husband s struggle in the economic sphere did not offset the solidity and happiness of the marital relationship But unemployment seems to have affected the men s sense of their own position as head of household and providers For one thing it undermined their sense of themselves as breadwinners Most found it unbearably humiliating to accept relief Perhaps her most important finding which still resonates today was that those men who thought of themselves exclusively as providers suffered far more than those who had developed alternative identities as father and husband

Encyclopedia of Motherhood Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The first ever on the topic this Encyclopedia of Motherhood helps to both demarcate motherhood as a scholarly field and an academic discipline and to direct its future development With more than 700 entries these three volumes provide information on the central terms concepts topics issues themes debates theories and texts of this new discipline Further the encyclopedia examines the topic of motherhood in various contexts such as history and geography and by academic discipline Key Features Provides an overview of the topic of motherhood in many and diverse disciplines such as anthropology sociology psychology and philosophy Examines the meaning and experience of motherhood in many time periods from classic civilizations to present day Includes an entry for all the influential theorists of maternal scholarship from the pioneering theories to the more recent writings Covers issues and events of our current times including entries on the mommy blog the motherhood memoir terrorism reproductive technologies HIV AIDS and LGBT families Explores geographical cultural and ethnic diversity with an entry for almost every country in the world as well as entries on lesbian immigrant adoptive single nonresidential young poor mothers and mothers with disabilities Key Themes History of Motherhood Issues in Motherhood Motherhood and Family Motherhood and Health Motherhood and Society Motherhood Around the World Motherhood in the United States Motherhood Studies Prominent Mothers In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The scope of the

Encyclopedia of Motherhood is focused on providing a comprehensive resource to understanding the complexities of motherhood for academic and public libraries written by scholars and institutional experts in the social and behavioral sciences

Where the Wild Things Were Henry Jenkins, 2025-02-25 Explores iconic works from *The Cat in the Hat* to *The Twilight Zone* to explain cultural trends in parenting and how we conceptualize childhood The 60s produced a Baby Boom generation that catalyzed the dawn of a new era the space age the age of television the global age and the beginnings of civil rights At the same time a new paradigm for parenting was unfolding that put emphasis on permissiveness defined by what it permitted the free and unfettered impulses of children Others worried that the wildness of children personified by the characters in Maurice Sendak's 1963 classic children's book *Where the Wild Things Are* was destructive disruptive and disrespectful *Where the Wild Things Were* centers on the exploding contentious national conversation about the nature of childhood and parenting in the postwar US emblemized by Dr Spock's *Baby and Child Care* Renowned scholar Henry Jenkins demonstrates that the language that shaped a growing field of advice literature for parents also informed the period's fictions in film television comics children's books and elsewhere produced for and consumed by children In particular Jenkins demonstrates the era's emblematic child was the boy in the striped shirt white male suburban middle class Christian and above all American Weaving together intellectual histories and popular texts Jenkins shows how boy protagonists became embodiments of permissive child rearing as well as the social ideals and contradictions that permissiveness entailed From *Peanuts* comic strips and TV specials to *The Cat in the Hat* *Dennis the Menace* and *Jonny Quest* the book reveals how childhood and the stories about it became central to Cold War concerns with democracy citizenship globalization the space race science race relations gender and sexuality Written by a former boy in a striped shirt *Where the Wild Things Were* explores iconic works from *Mary Poppins* to *Lost in Space* contextualizing them through a critical but respectful engagement with the core animating ideas of the permissive imagination

Being Eurasian Vicky Lee, 2004-08-01 What was it like being a Eurasian in colonial Hong Kong How is the notion of Eurasianness remembered in some Hong Kong memoirs *Being Eurasian* is a description and analysis of the lives of three famous Hong Kong Eurasian memoirists Joyce Symons Irene Cheng and Jean Gittins and explores their very different ways of constructing and looking at their own ethnic identity Eurasian is a term that could have many different connotations during different periods in colonial Hong Kong and in different spaces within the European and Chinese communities Eurasianness could mean privilege but also marginality adulteration and even betrayal Eurasians from different socio economic sectors had very different perceptions of their own ethnicity which did not always agree with their externally prescribed identity *Being Eurasian* explores the ethnic choices faced by Hong Kong Eurasians of the pre war generation as they dealt with the very fluidity of their ethnic identity

The Family in America Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers *Family in America* offers two powerful antidotes to popular

misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

Family Circle Susan Braudy, 2014-10-29 When Kathy Boudin was arrested in 1981 after a botched armed robbery and shootout that left a Brinks guard and two policemen dead she ended a decade living underground as part of the radical Weathermen underground she would spend the next 22 years in Bedford Hills prison In Family Circle Boudin s former classmate Susan Braudy vividly re creates the radicalization of this intelligent privileged young woman who came from one of the most prominent liberal intellectual families in America She illuminates Boudin s relationship with her parents and particularly with her father Leonard a famous leftist lawyer and shows how Kathy swept up in the ferment of the late 1960s moved further and further from the Old Left ideals they embodied Based on extensive interviews court documents and Boudin family papers Family Circle is both a rich biography of a family and a intimate window into a turbulent and fascinating time

Family as Foundation Liam Hall, AI, 2025-02-22 Family as Foundation explores the vital role of the nuclear family in building a strong society It examines how this traditional family structure comprised of two parents and their children impacts individual well being community stability and the transmission of societal values The book highlights the nuclear family s unique ability to foster child development and promote economic stability across generations This exploration begins by defining the nuclear family and tracing its historical context across cultures It contrasts the nuclear family with other family structures addressing the contributions and challenges of each The book synthesizes findings from longitudinal studies sociological surveys and economic data to provide a holistic understanding For example research suggests children raised in nuclear families often experience enhanced cognitive and emotional development due to the stability and focused attention provided The book progresses by systematically analyzing the nuclear family s influence on child development economic stability and cultural value transmission It adopts a balanced approach acknowledging both the strengths and weaknesses of the nuclear family model while emphasizing its unique benefits This makes the book a valuable resource for anyone interested in understanding family relationships and their broader implications for society

Fast-Forward Family Elinor Ochs, Tamar Kremer-Sadlik, 2013-03-01 Called the most unusually voyeuristic anthropology study ever conducted by the New York Times this groundbreaking book provides an unprecedented glimpse into modern day American families In a study by the UCLA Sloan Center on Everyday Lives and Families researchers tracked the daily lives of 32 dualworker middle class Los Angeles families between 2001 and 2004 The results are startling and enlightening Fast Forward Family shines light on a variety of

issues that face American families the differing stress levels among parents the problem of excessive clutter in the American home the importance and decline of the family meal the vanishing boundaries that once separated work and home life and the challenges for parents as they try to reconcile ideals regarding what it means to be a good parent a good worker and a good spouse Though there are also moments of connection affection and care it s evident that life for 21st century working parents is frenetic with extended work hours children s activities chores meals to prepare errands to run and bills to pay

Strong Leadership: Effective Principles, Proven Strategies Jerome Strong, 2019-03-16 This book is a collection of various scenarios contemplated and analyzed by the author using the leading leadership and management theories Comprised of assessments measurements and social critiques of various industries including information technology non profits education and global historical personalities this book will compliment the canon of leadership manuals
