

The MERCHANTS of VENUS

INSIDE HARLEQUIN *and the*
EMPIRE OF ROMANCE

Paul Grescoe

Merchants Of Venus Inside Harlequin And The Empire Of Romance

Pamela Regis

Merchants Of Venus Inside Harlequin And The Empire Of Romance:

The Merchants of Venus Paul Grescoe,1997-09 **Global Infatuation** Eva Hemmungs Wirtén,1998 *A Natural History of the Romance Novel* Pamela Regis,2013-08-31 The romance novel has the strange distinction of being the most popular but least respected of literary genres While it remains consistently dominant in bookstores and on best seller lists it is also widely dismissed by the critical community Scholars have alleged that romance novels help create subservient readers who are largely women by confining heroines to stories that ignore issues other than love and marriage Pamela Regis argues that such critical studies fail to take into consideration the personal choice of readers offer any true definition of the romance novel or discuss the nature and scope of the genre Presenting the counterclaim that the romance novel does not enslave women but on the contrary is about celebrating freedom and joy Regis offers a definition that provides critics with an expanded vocabulary for discussing a genre that is both classic and contemporary sexy and entertaining Taking the stance that the popular romance novel is a work of literature with a brilliant pedigree Regis asserts that it is also a very old stable form She traces the literary history of the romance novel from canonical works such as Richardson s *Pamela* through Austen s *Pride and Prejudice* Bront s *Jane Eyre* and E M Hull s *The Sheik* and then turns to more contemporary works such as the novels of Georgette Heyer Mary Stewart Janet Dailey Jayne Ann Krentz and Nora Roberts *For Love and Money: the Literary Art of the Harlequin Mills and Boon Romance* Laura Vivanco,2011-01-01 Laura Vivanco s study challenges the idea that Harlequin Mills Boon romances are merely mass produced commodities churned out in accordance with a strict and unchanging formula She argues that many are well written skilfully crafted works and that some are small masterpieces *For Love and Money* demonstrates the variety that exists beneath the covers of Harlequin Mills Boon romances They range from paranormal romances to novels resembling chick lit and many have addressed serious issues including the plight of post Second World War refugees threats to marine mammals and HIV AIDS The genre draws inspiration from Shakespearean comedies and Austen s novels as well as from other forms of popular culture Laura Vivanco s *For Love and Money* is an impressive study of the popular fiction of Harlequin Mills and Boon that is a must read for any student of popular fiction and for those who write and love the genre Liz Fielding author of over 50 Harlequin Mills Boon romances Deep learning wide reading and clear thinking are very much in evidence in Vivanco s exploration of HM B A welcome addition to popular romance criticism Professor Pamela Regis author of *A Natural History of the Romance Novel* Laura Vivanco s analysis of the category romance is both meticulous and inspiring And while Vivanco limits her examples and discussions to category romances by Harlequin Mills Boon and the HQN imprint her application of Frye s mimetic modes begs for expansion to texts and authors across the genre This piece of literary criticism should serve as a template for romance scholars to move from defending the genre to discussing its values and complexity as a literary art Maryan Wherry *Journal of Popular Romance Studies* [Love and the Novel](#) G. Paizis,1998-09-07 The popularity of romance fiction is such that it constitutes nearly one

quarter of new paperback fiction printed in the world Its success depends on its ability to reflect and articulate the reader s aspirations for a better life and stands at the same time as a testament to her alienation This fresh look at the romantic fiction seeks to discover the reason for its appeal by combining analysis of the poetics of the genre with a study of the real reader s intervention

The Routledge Research Companion to Popular Romance Fiction Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a ground breaking exploration of this global genre and its remarkable readership In recognition of the diversity of the form the Companion provides a history of the genre an overview of disciplinary approaches to studying romance fiction and critical analyses of important subgenres themes and topics It also highlights new and understudied avenues of inquiry for future research in this vibrant and still emerging field The first systematic comprehensive resource on romance fiction this Companion will be invaluable to students and scholars and accessible to romance readers

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of *Romance Fiction A Guide to the Genre* published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have

Publishing Romance John Markert, 2016-03-15 Romance novels have attracted considerable attention since their mass market debut in 1939 yet seldom has the industry itself been analyzed Founded in 1949 Harlequin quickly gained market domination with their contemporary romances Other publishers countered with historical romances leading to the rise of bodice ripper romances in the 1970s The liberation of the romance novel s content during the 1980s brought a vitality to the market that was dubbed a revolution but the real romance revolution began in the 1990s with developments in the mainstream publishing industry and continues today This book traces the history and evolution of the romance industry covering successful and not so successful trends and describing changes in romance publishing that paved the way for the many popular subgenres flooding the market in the 21st century

Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance

fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre

The Pleasures of Reading Catherine Sheldrick Ross, 2014-06-27 Based on years of ground breaking research this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying pleasurable and even life changing reading experience Following up on her critically acclaimed Reading Matters What the Research Reveals about Reading Libraries and Community Catherine Sheldrick Ross takes a new look at pleasure reading through 30 thought provoking essays based on themes arranged from A to Z In short lively chapters she discusses topics ranging from Alexia Bad Reading and Changing Lives to Romance Fiction Self help Titles Vampires and Year of Reading Drawing on her own research as well as other published sources Ross comments on the significance of each theme provides examples of the phenomenon and develops the topic chronologically through further examples or through reversals The essays are unified by an underlying theory of reading that views readers as sense makers actively engaged in reading themselves into the text and reading the texts back into their own lives It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading A short list of resources for further reading is supplied with each topic

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other

Reading between the Borderlines Gillian Roberts, 2018-12-30 Is Superman Canadian Who decides and what is at stake in such a question How is the Underground Railroad commemorated differently in Canada and the United States and can those differences be bridged How can we acknowledge properly the Canadian labour behind Hollywood filmmaking and what would that do to our sense of national cinema Reading between the Borderlines grapples with these questions and others surrounding the production and

consumption of literary cinematic musical visual and print culture across the Canada US border Discussing a range of popular as well as highbrow cultural forms this collection investigates patterns of cross border cultural exchange that become visible within a variety of genres regardless of their place in any arbitrarily devised cultural hierarchy The essays also consider the many interests served compromised or negated by the operations of the transnational economy the movement of culture s raw material across nation state borders in literal and conceptual terms and the configuration of a material citizenship attributed to or negotiated around border crossing cultural objects Challenging the oversimplification of cultural products labelled either Canadian or American *Reading between the Borderlines* contends with the particularities and complications of North American cultural exchange both historically and in the present

Love in the Time of Self-Publishing Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members

The Consummate Virgin Jodi McAlister, 2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in

depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time

New Approaches to Popular Romance Fiction Sarah S.G. Frantz, Eric Murphy Selinger, 2014-01-10 Despite the prejudices of critics popular romance fiction remains a complex dynamic genre It consistently maintains the largest market share in the American publishing industry even as it welcomes new subgenres like queer and BDSM romance Digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre's readership Romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans These eighteen essays investigate individual romance novels authors and websites rethink the genre's history and explore its interplay of convention and originality By offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies

Romance Fiction and American Culture William A. Gleason, Eric Murphy Selinger, 2017-05-15 Since the 1970s romance novels have surpassed all other genres in terms of popularity in the United States accounting for half of all mass market paperbacks sold and driving the digital publishing revolution *Romance Fiction and American Culture* brings together scholars from the humanities social sciences and publishing to explore American romance fiction from the late eighteenth to the early twenty first century Essays on interracial inspirational and LGBTQ romance attend to the diversity of the genre while new areas of inquiry are suggested in contextual and interdisciplinary examinations of romance authorship readership and publishing history of pleasure and respectability in African American romance fiction and of the dynamic tension between the genre and second wave feminism As it situates romance fiction among other instances of American love culture from Civil War diaries to Bob Dylan's *Blood on the Tracks* *Romance Fiction and American Culture* confirms the complexity and enduring importance of this most contested of genres

Chick Lit Suzanne Ferriss, Mallory Young, 2013-03-07 From the bestselling *Bridget Jones's Diary* that started the trend to the television sensation *Sex and the City* that captured it on screen chick lit has become a major pop culture phenomenon Banking on female audiences identification with single urban characters who struggle with the same life challenges publishers have earned millions and even created separate imprints dedicated to the genre Not surprisingly some highbrow critics have dismissed chick lit as trashy fiction but fans have argued that it is as empowering as it is entertaining This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles accounting for both its popularity and the intense reactions positive and negative it has provoked The contributors explore the characteristics that cause readers to attach the moniker chick to a particular book and what if anything distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other They critique the genre from a range of critical perspectives considering its conflicted relationship with feminism and postfeminism heterosexual romance body image and consumerism The fourteen original essays gathered here also explore such trends and subgenres as Sistah Lit Mommy Lit and Chick Lit Jr as well as regional variations As the first book to

consider the genre seriously Chick Lit offers real insight into a new generation of women s fiction **The Cambridge Companion to the History of the Book** Leslie Howsam,2015 An accessible and wide ranging study of the history of the book within local national and global contexts **Passion's Fortune** Joseph McAleer,1999-10-28 This is the first history of Mills Boon the British publishing phenomenon which has become a household name synonymous with romantic fiction On the firm s 90th anniversary Joseph McAleer has written the first history of Mills Boon drawing upon a long lost archive of over 50 000 letters which reveal the intricate relationship between editorial policy social attitudes and sales McAleer examines the dictates of the Mills Boon formula and demonstrates how novels were Managed by the firm to ensure maximum sales and to nurture a cadre of loyal readers in Britain and throughout the Commonwealth The result is a cultural phenomenon whose product reflected the attitudes and morals of the age while offering women an addictive escape from everyday life It s a fascinating read for anyone who s ever wondered about writing a Mills Boon or wants to understand the story behind one of the most successful British firms of the twentieth century Global Cultures Frank A. Salamone,2009-05-05 This work grew out of the Northeast Popular Culture Conference at Dartmouth University in New Hampshire in October 2008 It presents material noting how American popular culture has had an influence throughout the world Chapters range from Nigeria Ghana Japan China and points in between Topics cover music art holidays romance and toys In all the book illustrates the vast scope and popularity of American popular culture both in the world and on it

Merchants Of Venus Inside Harlequin And The Empire Of Romance Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Merchants Of Venus Inside Harlequin And The Empire Of Romance PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Merchants Of Venus Inside Harlequin And The

Empire Of Romance PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Merchants Of Venus Inside Harlequin And The Empire Of Romance free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
