Moon Magic Diane Ahlquist,2017-12-05 From the author of Moon Spells comes a

beginner's book about the moon's energy and how you can harness that lunar power in your everyday life. From new moons and eclipses to blue moons and the super moon, there are ample opportunities for the moon to influence our emotions and thoughts. Many believe our emotional potency is heightened during a super moon, while a new moon can bring change and new perspectives. Knowing when and how to use that power is key. In *Moon Magic*, you'll learn how the lunar phases influence our emotions and well-being differently and how to harness that power for healing, emotional strength, and physical and mental wellness. Third-generation intuitive Diane Ahlquist helps guide those new to the power of the moon through lunar recipes and simple exercises such as intention setting and moon meditation to help you capitalize on the moon's inherent power and channel the moon's energy whenever you need it most.

7. Horoscope Predictions of any Person

Enormous books are available in the market, each one covering one or two topics on Astrology. In the developed countries like America, France, Japan, Germany, and Britain, plenty of books on Astrology are available, covering one or two topics, but it costs much more than our buying capacity. One has to read many books to master Astrology and also to predict the individual Horoscope Chart. Our life is speedy. It is ever active and is changing every moment. Each one of us is facing difficulty at every step. This book will facilitate to reach your destination by moving ahead with ease, even in the storming situation. This is so much strife and struggles in the present time as it was never before. This is a time of ready-made food and fast food. Nobody has time to cook the food and then eat. Only this feeling motivated me and necessitated making this book. This is easily approachable and

compact It is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession I have tried to make clear what the correct astrology works is These are all correct facts figures collected from various books and incorporated here in a single book for the first time for use by the common men Behind all this there is my exhaustive study and collections More than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over India and abroad This gives authenticity to the book This book is a tool for the Jyotish Students the Beginners and the somewhat advanced Students and the Professionals too Many psychic services charge you as much as 50 75 or even 200 for a single reading of your life prediction but this book offers you a single instrument for reading as many as you want and that too at the cheapest rate The technically advanced matters allow you to deliver your reading to you accurately quickly and effectively Not only will your reading be incredibly accurate but also you will have it available to read and analyze at your own pace Besides this book offers you an opportunity to record your readings and readings of your family members by yourself Just realize that how much you are going to save on account of Horoscope readings for you and your family
