Rider's British Merlin Cardanus Rider, 1796 **Merlin's Nightmare** Robert Treskillard, 2014-05-13 Haunted by the past chased by the present Fulfilling his destiny may take more than Merlin can give with Arthur missing and enemies closing in can Merlin summon the courage to face his worst enemy yet Arthur is now eighteen and Merlin tired of hiding and running from his enemies wants nothing more than to spend his days with his family and train Arthur for his rightful place as king But when Arthur goes missing a desperate Merlin must abandon all other quests to find him before a shadowy pursuer catches Arthur first Having everything to fight for and almost nothing to fight with Merlin and Arthur must rally Britain's warriors against three overwhelming enemies Saxenow hordes in the south Picti raiders in the north and a chilling new enemy that has arisen in the west At the same time Morgan brings Merlin's deepest fear to life and sets a horde of werewolves loose to destroy Britain But when the secret purpose of this nightmare is finally revealed will Merlin and Arthur find a way to survive without unleashing an even greater evil The thrilling conclusion to The Merlin's Spiral trilogy Merlin's Nightmare includes Christian faith based retelling of the Arthurian legend map character guide and recap of Merlin's Blade and Merlin's Shadow rich historical detail perfect for young fans of Stephen Lawhead Don't miss the other titles in The Merlin Spiral trilogy Merlin's Blade Book 1 and Merlin's Shadow Book 2 **Merlin and the Grail** Robert (de Boron), 2001 This trilogy establishes a provenance for the Holy Grail and through the figure of Merlin links Joseph of Arimathea with mythical British history and with the knightly adventures of Perceval's Grail quest It is hard to overstate the importance of this trilogy of prose romances in the development of the legend of the Holy Grail and in the evolution of Arthurian literature as a whole They give a crucial new impetus to the story of the Grail by establishing a provenance for the sacred vessel and for the Round Table itself in the Biblical past and through the controlling figure of Merlin they link the story of Joseph of Arimathea with the mythical British history of Vortigern and Utherpendragon the birth of Arthur and the sword in the stone

and then with the knightly adventures of Perceval's Grail quest and the betrayal and death of Arthur creating the very first Arthurian cycle. Ambitious, original and complete in its conception, this trilogy translated here for the first time is a finely paced, vigorous piece of storytelling that provides an outstanding example of the essentially oral nature of early prose. NIGEL BRYANT is head of drama at Marlborough College. He has also provided editions in English of the anonymous thirteenth-century romance *Perlesvaus*, published as *The High Book of the Grail* and Chretien's *Perceval: The Story of the Grail*.

Adapting the Arthurian Legends for Children Barbara Tapa Lupack, 2004-01-02 For centuries the Arthurian legends have fascinated and inspired countless writers, artists and readers, many of whom first became acquainted with the story as youngsters. From the numerous retellings of Malory and versions of Tennyson for young people to the host of illustrated volumes to which the Arthurian Revival gave rise, from the Arthurian youth groups for boys and eventually for girls run by schools and churches to the school operas, theater pieces and other entertainment for younger audiences and from the Arthurian juvenile fiction sequences and series to the films and television shows featuring Arthurian characters, children have learned about the world of King Arthur and his Knights of the Round Table. Daughter of Eve Mira El Lindsey, 2020-01-28 *Daughter of Eve* Vivianne, Lady of the Lake By Mira El Lindsey The story of Arthur and the Knights of the Round Table is known by many. It has been told and retold throughout time. Now see it through the eyes of the Lady of the Lake, Vivianne, as she recounts the well-known tale as it really happened. In Avalon, there is peace and the priestesses of the Mother Goddess can live and worship in peace. But constant invasions from the Saxons threaten life and rule in Britain. There will be a time when a great king will vow to unify all and rule from a throne of love in Camelot. His journey will not be easy as there are many who wish his downfall. But with the inner sight that resides within his aunts and sister, his journey will be well watched. Vivianne, High Priestess of Avalon, recounts these times and tells those willing to listen the truth about her family and of Camelot. *Merlin's Mirrors* CD Moulton, *Merlin of the Magnolias* Gardner Landry, 2021-01-12 The linen besuited, white booted barge of a man moving down the sidewalk was something to see, but the addition of the broad brimmed straw fedora out of which protruded small antennae in four directions constituted another level of the unusual. The sight augmented with Merlin's curious sidelong gait and frequent adjustment of knobs and rheostats alongside the hat's brim would have been enough to induce in a hypothetical new kid on the block observer momentary catatonia, if not mild terror. Add an upward cock of the head inclined to the left and a visage that bespoke rapt listening and one was presented with the most iconoclastic of Bayou Boughs many eccentric denizens. Merlin McNaughton stands out from his fellow Houstonians both in his physical proportions and his odd preoccupations. Oblivious to these myriad idiosyncrasies and the depths of his unplumbed emotional needs, he spends his days devouring worlds of food and his nights absorbing data about Earth's magnetic energies, including mysterious druidic ley lines. Financial strains upend Merlin's world, so he lands a full-time job at a blimp base. Night flights over the city and his flights of fancy concerning energy vortices keep Merlin's head in the clouds. 24/7 When his computer

program foretells a negative energy that may harm the entire city Merlin wastes no time constructing a portable particle accelerator to reverse the event But when a major malfunction destroys his meticulous plans Merlin learns that druidic runes aren't the only things he's been misinterpreting and what's really important is what he's been overlooking all along A King's Daughter Audra Lilly Griffeth, 2012-01-24 A Birthmark A Princess A Special Destiny in Romantic Novel A King's Daughter FORT WORTH Texas A red birthmark on the face of a newborn baby daughter turns its mother a Queen into a suspicious if not superstitious woman Queen Charlotte wife to King Edward gives birth to her child but upon knowing that the mark will not go away immediately loses faith in everything and turns away from A King's daughter Audra Lilly Griffeth's exciting story is potent with the romance attendant on royalty and how its members fare when a twist of fate condemns them or one of their members to a commoner's fate but is destined to come back to the fold And thus the story unfolds Born Princess Eva Kathleen Wellington Eva is loved by the Queen's servant Lady Margaret when her mother continues with her passionate denial of her daughter's defect Although it may have turned out worse Princess Eva's story is proof of a more romantic benign fate that is perhaps the antithesis to the Queen's unfounded fears of having a defective and cursed infant In any case a cosmetic cure could have been eventually found except that there was no hiding the Queen's strange behavior towards her newborn for too long Sad and concerned for the Princesses future Lady Margaret arranged a fake kidnapping in a nearby forest when King and Queen are off on a state to visit another kingdom When news of kidnapping reaches them two days after the fact the Queen is unaffected while the King is in despair and does not fully recover even after the birth of two sons and another daughter to continue his line Meanwhile Eva and Lady Margaret as Evanlynn and Mary Engleton mother and daughter prosper as best they could in Margaret's grandparent's dairy farm Fate takes another surprising turn when Sir Daniel a trusted officer of the King befriends Margaret and unwittingly influences her to reveal their existence to the King The King is overjoyed and Evanlynn shows the truth of her genetic make up by naturally adapting to a set of strange new circumstances With a flair for a well turned out plot which generates its own set of unique circumstances Griffeth then sets in motion a whirlwind of love repentance acceptance and a more special destiny for the entire kingdom that would not have been possible had it not lost a Princess to the vagaries of natural physical form **The Life of Merlin, Surnamed**
