the eyes of a woman confident she could make a contribution equal to that of any man This part of the story takes readers into the political cauldron of the nation's capital in wartime where Walker was a familiar if notorious figure Mary Walker's relentless pursuit of gender and racial equality is key to understanding her commitment to a Union victory in the Civil War Her role in the women's suffrage movement became controversial and the US Army stripped Walker of her medal only to have the medal reinstated in 1977
