Mesmerism and christian science, by frank podmore Frank Podmore,1909 From Mesmer to Christian Science Frank Podmore,1964 *Mesmerism and the American Cure of Souls* Robert C. Fuller,2016-12-15 The story of mesmerism in nineteenth century America is the story of how for the first time a psychological theory arose to meet the everyday religious and intellectual needs of Americans Robert Fuller gives us the first complete history of American mesmerist philosophy He traces its development from an obscure scientific hypothesis to a powerful spiritual philosophy that deeply influenced many of the period s emerging Protestant religious sects He investigates in depth the role of mesmerism in the Mind Cure movement and New Thought and paints for us the cultural land scape existing at a time when thousands of antebellum Americans turned from their churches to the realm of psychology in search of self understanding In the early part of the century mesmerism was for the most part the territory of carnival showmen Itinerant mesmerists during the 1830s placed subjects in trancelike states from which they could divulge the contents of sealed envelopes and describe in detail locales to which they had never traveled Literary figures such as Poe and Hawthorne seized upon mesmerism depicting its workings at their most sinister and diabolical extreme But by midcentury mesmerism was beginning to enter the American consciousness in ways that involved anything but parlor trickery Straddling a fine line between religious myth and scientific philosophy mesmerism s spiritual tenets resonated almost perfectly with important currents in contemporary religious life Universalists Swedenborgians and early spiritualists adopted the doctrine of mesmerism as evidence of man s unity with the Almighty The self made mind cure practitioner Phineas Quimby used mesmeric theory to develop his power of positive thinking a concept that led eventually to the emergence of the Christian Science movement But Fuller shows mind cure cultists such as Quimby also helped transform mesmerism into a kind of self help spirituality Later writers condensed the principles of mesmeric healing into handy maxims that could be assimilated by a popular reading audience Thus *Mesmerism and the American Cure of Souls* presents a paradigmatic instance of the role played by psychology in the American sensibility In addition Fuller s study constitutes a rich and hitherto unexplored chapter in American intellectual history **Mind Games** Eric Caplan,2001-03-13 Traces the causal paths linking culture the profession and knowledge in the formation of the uses and study of psychotherapy in America at the end of the 19th century **Mesmerism, Hypnotism, Christian Science, & Mind Healing** George Wyld,1898 **Christian Science Sentinel** ,1909 *The American Catalogue* ,1911 American national trade bibliography **Modern Religious Cults and Movements** Gaius Glenn Atkins,1923 **Animal Magnetism Unmasked** Max Kappeler,2000* **Cyclopedic Review of Current History** ,1900 **The Cyclopedic Review of Current History** ,1900 **American Medicine in Transition, 1840-1910** John S.
