Message Dimensions Of Television:

Message Dimensions of Television News Robert Shelby Frank, 1973 **Television's Window on the World** James F. Larson, 1984 This volume examines U S network television coverage of international news based on experiences of the past decade First it describes significant patterns and trends in the international affairs content of network news during the decade from 1972 1981 including story formats visual and audio techniques and trends in the amount and nature of coverage given to nations and regions of the world Second it examines major influences that shape international news content on network television including satellite technology electronic newsgathering and the global distribution of foreign correspondents *Measuring Bias on Television* Barrie Gunter, 1997 Exploring the important issue of impartiality in news reporting with special reference to news broadcasting on television this book examines the position of impartiality or bias within the context of news objectivity by exploring accusations of bias by aggrieved parties claiming to have been treated unfairly misrepresented or underrepresented **An Integrated Approach to Communication Theory and Research** Don W. Stacks, Michael B. Salwen, 2014-04-08 This volume provides an overview of communication study offering theoretical coverage of the broad scope of communication study as well as integrating theory with research To explicate the integration process the chapter contributors experts in their respective areas offer samples in the form of hypothetical studies published studies or unpublished research showing how theory and research are integrated in their particular fields The book will appeal to graduate students and faculty members who want a thorough overview of not only the field but also sample research stemming from its various component parts **And There Was Television** Ellis Cashmore, Ernest Cashmore, 1994 Why all the fuss over television It is blamed for an assortment of evils including violence shortened attention spans the decline of literacy and political indoctrination In this scintillating and approachable book Ellis Cashmore weighs up the theories and evidence He argues that much of the panic is without foundation and that the single most important danger posed by TV is that it encourages us to spend too much Cashmore agrees with many writers that television is an elemental force in today s culture but he offers us a completely different account of how and why this has come about

Communication Research Measures Rebecca B. Rubin, Philip Palmgreen, Howard E. Sypher, 2020-08-26 The development of communication as a discipline has resulted in an explosion of scales tapping various aspects of interpersonal mass organizational and instructional communication This sourcebook brings together scales that measure a variety of important communication constructs The scales presented are drawn from areas of interpersonal mass organizational and instructional communication areas in which the use of formal quantitative scales is particularly well developed Communication Research Measures reflects the recent important emphasis on developing and improving the measurement base of the communication discipline It results in an equal amount of labor saved on the part of the scholars students and practitioners who find this book useful and it contributes in a significant way to research efforts Originally published by

Guilford Press in 1994 now available from Routledge **Agenda Setting** David Protess, Maxwell E. McCombs, 2016-07-22 The role of the news media in defining the important issues of the day also known as the agenda setting influence of mass communication has received widespread attention over the past 20 years Since the publication of McCombs and Shaw's seminal empirical study more than one hundred journal articles and monographs have appeared This collection exemplifies the major phases of research on agenda setting tests of the basic hypothesis contingent conditions affecting the strength of this influence the natural history of public issues mass media influence on public policy and the role of external sources from the president to public relations staffs on the news agenda **Seeing and Believing** Greg Philo, 2014-04-04 Television has a powerful impact on our beliefs and is open to use as a political and propaganda tool Greg Philo has taken a new approach to examining these issues by inviting groups of television viewers to write their own news programmes based on news pictures from the 1984 5 British miners strike **TV Dimensions**, 1995 **Civic Discourse and Digital Age Communications in the Middle East** Leo A. Gher, Hussein Y. Amin, 2000-02-08 Because of its focus on communications and new media this volume in Ablex's Civic Discourse for the Third Millennium series may be used at colleges and universities worldwide A wide range of curricula may adopt the text as supplementary reading for courses in political science speech and rhetoric public relations sociology communications journalism diplomacy and government BOOK JACKET *Women Dimension on Television* Ila Joshi, 1991 **Virtual Communities: Concepts, Methodologies, Tools and Applications** Management Association, Information Resources, 2010-10-31 Covers the development design and utilization of virtual organizations and communities and the resulting impact of these venues *The International Conference Education and Creativity for a Knowledge based Society - Social and Political Sciences, Communication, Foreign Languages and Public Relations, 2012*, *Social Interactive Television: Immersive Shared Experiences and Perspectives* Cesar, Pablo, Geerts, David, Chorianopoulos, Konstantinos, 2009-05-31 This book discusses the advent of social interactive television with its complex opportunities and challenges for media researchers and others today Provided by publisher [Making Something of Ourselves](#) Richard M.
