Renewing the Evangelical Mission Richard Lints, 2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian s calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices This collection of essays draws together a stellar roster of evangelical thinkers with significant institutional memory of the evangelical movement who nonetheless see new opportunities for the evangelical voice in the years ahead Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis Vidu Miroslav Volf

Old Testament Commentary Survey Tremper Longman, III, 2013-04-15 Leading Old Testament scholar Tremper Longman III provides students and pastors with expert guidance on choosing a commentary for any book of the Old Testament The fifth edition has been updated to assess the most recently published commentaries providing evaluative comments Longman lists a number of works available for each book of the Old Testament gives a brief indication of their emphases and viewpoints and evaluates them The result is a balanced sensible guide for those who preach and teach the Old Testament and need help in choosing the best tools

Victim and Victorizer Yiu-Wing Fung, 2000-06-01 This book attempts an interesting exercise in character analysis It scrutinizes the speeches of Joseph in such a way as to expose the problematic nature of his claims to know God s intentions While Judah is forced by Joseph s test to choose slavery for the sake of his father s survival the ironic reversal of Judah s role from victimizer to victim is undercut by the rationale by which he had Joseph sold in order to save him Unwittingly Joseph mistakes this

rationale as a divine principle that undergirds his suffering and he dreams of domination for the same purpose of survival He is unaware of Judah's real predicament and this double blindness calls into doubt the coalescence of perspectives of Joseph and the narrator Biblical Counsel, 1993 **Nelson's Illustrated Bible Dictionary** Ronald F. Youngblood, 2014-11-04 The most comprehensive and up to date Bible dictionary available With a fresh new look and updated photographs this new and enhanced edition is a wealth of bible study information for any level of study It includes more than 7 000 entries plus more than 500 full color photographs maps and pronunciation guides Features include Cross references to all major translations More than 7 000 up to date entries More than 500 full color photographs and maps Enlarged type size for easier reading Visual Survey of the Bible from The Open Bible The Testing of God's Sons Gregory S. Smith, 2014-05-01 The faithful from both Old Testament and New Testament times are tested for their faith This kind of experience often involves enduring hardship and difficult times While often confused with the biblical idea of temptation the biblical idea of testing stems from a metallurgical background and carries a unique covenantal function Testing will be at the center of how God responds to the rebellion of his people and reveals God's primary concern for the faith of his saints **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Sabrie Soloman, 2024-06-12 God's Signature in DNA The Rapture The Great Tribulation Armageddon War World War III The concept of God's signature in DNA is a fascinating topic that explores the intricate design and complexity of the human genome Many creationists and religious believers see the complexity and precision of DNA as evidence of an intelligent designer or creator pointing to the existence of a higher power The idea that DNA contains a signature of God's handiwork is a theme often discussed in religious and philosophical circles highlighting the wonder and mystery of life itself Moving on to the topics of the Rapture the Great Tribulation and the Armageddon War these concepts are deeply embedded in Christian eschatology or the study of end times The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon believed by the author to be World War III These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books movies and religious teachings While interpretations of these events may vary among different Christian denominations the underlying message of hope redemption and faith in the face of adversity remains a central theme *Understanding the Bible as a Scripture in History, Culture, and Religion* James W. Watts, 2021-04-27 **UNDERSTANDING THE BIBLE AS A SCRIPTURE IN HISTORY CULTURE AND RELIGION** The Bible is a popular subject of study and research yet biblical studies gives little attention to the reason for its popularity its religious role as a scripture *Understanding the Bible as a Scripture in History Culture and Religion* integrates the history of the religious interpretation and ritual uses of biblical books into a survey of their rhetoric composition and theology in their ancient contexts Emphasizing insights from comparative studies of different religious scriptures it combines discussion of the Bible's origins

with its cultural history into a coherent understanding of its past and present function as a scripture A prominent expert on biblical rhetoric and the ritualization of books James W Watts describes how Jews and Christians ritualize the Bible by interpreting it by expressing it in recitations music art and film and by venerating the physical scroll and book The first two sections of the book are organized around the Torah and the Gospels which have been the focus of Jewish and Christian ritualization of scriptures from ancient to modern times and treat the history of other biblical books in relation to these two central blocks of the Hebrew Bible and New Testament In addition to analyzing the semantic contents of all the Bible s books as persuasive rhetoric Watts describes their ritualization in the iconic and expressive dimensions in the centuries since they began to function as a scripture as well as in their origins in ancient Judaism and Christianity The third section on the cultural history and scriptural function of modern bibles concludes by discussing their influence today and the controversies they have fueled about history science race and gender Innovative and insightful Understanding the Bible as a Scripture in History Culture and Religion is a groundbreaking introduction to the study of the Bible as a scripture and an ideal textbook for courses in biblical studies and comparative scripture studies

The Oxford Companion to the Bible Bruce M. Metzger, Michael David Coogan, 1993-10-14 The Bible has had an immeasurable influence on Western culture touching on virtually every aspect of our lives It is one of the great wellsprings of Western religious ethical and philosophical traditions It has been an endless source of inspiration to artists from classic works such as Michaelangelo s Last Judgment Handel s Messiah or Milton s Paradise Lost to modern works such as Thomas Mann s Joseph and His Brothers or Martin Scorsese s controversial Last Temptation of Christ For countless generations it has been a comfort in suffering a place to reflect on the mysteries of birth death and immortality Its stories and characters are an integral part of the repertoire of every educated adult forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers The Oxford Companion to the Bible provides an authoritative one volume reference to the people places events books institutions religious belief and secular influence of the Bible Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives the Companion offers over seven hundred entries ranging from brief identifications who is Dives where is Pisgah to extensive interpretive essays on topics such as the influence of the Bible on music or law Ranging far beyond the scope of a traditional Bible dictionary the Companion features in addition to its many informative factual entries an abundance of interpretive essays Here are extended entries on religious concepts from immortality sin and grace to baptism ethics and the Holy Spirit The contributors also explore biblical views of modern issues such as homosexuality marriage and anti-Semitism and the impact of the Bible on the secular world including a four part article on the Bible s influence on literature Of course the Companion can also serve as a handy reference the first place to turn to find factual information on the Bible Readers will find fascinating informative articles on all the books of the Bible including the Apocrypha and many other ancient texts such as the Dead Sea Scrolls Pseudepigrapha and the Mishnah Virtually every figure

who walked across the biblical stage is identified here ranging from Rebekah Rachel and Mary to Joseph Barabbas and Jesus The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities with fascinating articles on feasts and festivals clothing medicine units of time houses and furniture Finally there are twenty eight pages of full color maps providing an accurate detailed portrait of the biblical world A vast compendium of information related to scriptures here is an ideal complement to the Bible an essential volume for every home and library the first place to turn for information on the central book of Western culture

Christian Basics

Bible NLT Martin H. Manser,Michael H. Beaumont,2017 Finalist for the 2018 Christian Book Award for Bible of the Year New to the Bible Either because you have become a Christian recently or because somehow the Bible seems to have passed you by Then this edition is for you Whether you are reading the Bible for the first time or not its variety of material not to mention its length can seem overwhelming It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith The Christian Basics Bible is filled with features designed to help readers especially those new to the Bible connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives By delivering the right amount of both information and application The Christian Basics Bible can become the catalyst for living a vibrant Christian life

Just Discipleship

Michael J. Rhodes,2023-08-08 Biblical scholar Michael Rhodes argues that the Bible offers a vision of justice oriented discipleship that is critical for the formation of God s people Grounded in biblical theology virtue ethics and his own experiences he shows that justice is central to the Bible central to Jesus and central to authentic Christian discipleship

Heart to Heart--The Journey Outward

Robert P. Vande Kappelle,2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or

phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
