The Message of Humanity Ian W. Payne,2025-02-20 Who do humans think they are A cacophony of answers in the face of global challenges like climate change artificial intelligence racism nationalism terrorism feminism abortion gene therapy gender constructivism shows we do not agree To a deeply divided despondent world the Bible speaks today about the human condition and destiny by pointing us to Jesus Christ the true human the image of God Ian Payne s conviction is that the most important answer to the question of humanity is God He expounds a comprehensive selection of Old and New Testament passages and examines a range of issues in being human today The book is structured in three parts following the biblical narrative Part 1 Created in the image of God Part 2 Image of God renewed in Christ Part 3 Issues in being human This biblical theology shows that hope and meaning for humans are found in remembering and trusting God s gift of life and goal of redemption and restoration With an integrated study guide this book is perfect for personal and group study and preachers application of the passages covered The Message of Creation David Wilkinson,2020-05-21 This is a journey through the Bible which is an exploratory walk rather than a motorway dash The large number and diversity of biblical passages dealing with the theme of creation underlines its central importance to the biblical message As a theologian whose focus is the Bible and as an eminent astrophysicist whose subject is the visible universe David Wilkinson is well placed to try

to capture some of the richness of the biblical portrayal of creation The key to this portrait believes David Wilkinson is to see Father Son and Spirit in the beginning the sustaining and the new beginning of creation giving life and love in a generosity beyond our imaginings *The Heresy of Ham, Revised Edition* Joel Edmund Anderson, 2024-11-07 One of the most controversial issues in our society today especially within Evangelicalism is that of the creation evolution debate Over the past few decades Fundamentalist apologists like Ken Ham of the young earth creationist organization Answers in Genesis have made a career convincing people that the age of the Earth and the historicity of Genesis 1:11 are not just bedrock fundamental tenets of the Christian faith but are also crucial fronts in the culture war In *The Heresy of Ham* Joel Edmund Anderson convincingly shows that not only are the YECist claims of Ken Ham unbiblical and unscientific but they have sowed the seeds of strife and division within countless Christian communities He should know he lost his job as a biblical worldview teacher at a small Evangelical school over the issue of YECism Anderson's ultimate message is simple regardless of your position regarding evolution or the interpretation of Genesis 1:11 they are not fundamental to the Christian faith and should not be used as battlefronts in the culture war If you have always had questions about the creation evolution debate the claims of YECism and the way Genesis 1:11 should be interpreted *The Heresy of Ham* is a tremendous resource for anyone struggling coming to grips with these issues **The Message of Genesis 1-11: the Dawn of Creation** David John Atkinson, 1990 **Women's Bible Commentary** Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller *Women's Bible Commentary* an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies [Edenic Eve Versus Clonaid Eve](#) Lephen Thank Kumar, 2015-11-25 Human Cloning by virtue of its achievement in the field of medico science has sparked a big controversy across the globe In the contemporary world being a global village no one can claim to be untouched by it It won't take much time to succeed in its attempt to creep into human society as the other discoveries and inventions have done in the past Nevertheless religion has never left science all alone to move on as it wished to make its way into the human society Religion being the core of human society has always checked such developments some time due to her vital role in the society and sometimes due to her legal doctrines that never allow her to think otherwise The objective of this book is to scrutinize the development in the field of Human Cloning in the light of its intentions and implication in marriage family and the larger society In order to fulfill the objective of this book the author has attempted to compare the first mother called Edenic Eve from Christian literature with first claimed human clone from the field of science The primary role of Christian

Ethics has been to scrutinize all controversial issues in the society for its good Scrutinizing human cloning is one such attempt **From Paradise to the Promised Land** T. Desmond Alexander,2012-06-01 This text has been a popular introduction to the Pentateuch for over fifteen years offering a unique alternative to the critical approaches that focus on the composition of these books rather than the actual content With this new edition T Desmond Alexander keeps the book fresh and relevant for contemporary students by updating the references and adding material that reflects recent pentateuchal research as well as the author's maturing judgments The result is a revision that will prove valuable for many years to come

Desmond Alexander,2024-01-18 Across 22 chapters T Desmond Alexander expounds the theme of the kingdom of God from selected Old and New Testament texts showing its relevance for today God made us to rule with him as his representatives to establish his kingdom on earth But Adam and Eve's rebellion alienated humanity from God's kingdom instead making them slaves to the kingdom of darkness As the promised ruler Jesus Christ comes as the perfect king to redeem enslaved humanity This servant king brings God's kingdom on earth through self-sacrificial love In hope we now await the return of the king and the coming of the eternal kingdom With a fully integrated study guide suitable for both individuals and groups The Message of the Kingdom of God will help you to see how the Bible's unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture The Word of God Has Not Failed Sherwood, Aaron,2015-11-20 In The Word of God Has Not Failed

Sherwood presents a fresh reading of Romans 9:6-29 focusing on Paul's use of Scripture Since this passage contains such a high concentration of Old Testament quotations it is vital to explore how Paul understood and interpreted those texts Only then can we really understand the thrust of Paul's message The Meaning of the Pentateuch John H.

Sailhamer,2010-06-18 Persuaded of the singular vision of the Pentateuch Old Testament professor John Sailhamer searches out clues left by the author and the later editor of the Pentateuch that will disclose the meaning of this great work By paying
