Message Of John Here Is Your King:

The Message of John Bruce Milne, 2020-05-19 In this BST volume longtime pastor Bruce Milne provides a thoughtful exposition of John's Gospel offering an accessible and reliable guide for exploring John's powerful portrait of Christ Milne sets the stage with introductory material on the authorship of John how it compares to the other three Gospels and its purpose and theology Lazy, Antisocial and Selfish? Gavin Calver, Simeon Whiting, 2012-07-18 There is a widespread myth that young people are feckless and irresponsible To contradict this Gavin and Simeon present twelve groups of real young people and the adults who helped to form nurture and develop them Their book explores how these groups began grew experienced the presence of God and acted to change their communities in Jesus name It will encourage readers to see young people as exciting challenging vibrant and potential revolutionaries It will challenge young readers to emulate the true life stories within the book and take steps to revolutionise their churches schools and communities It will also show that to be a youth leader it is not necessary to be a spiritual giant but simply a faithful servant of God The John You Never Knew Kenneth H. Maahs, 2006 Original Scholarly Monograph *John's Wisdom* Ben Witherington, 1995-01-01 Jesus as depicted in the Fourth Gospel is remarkably dissimilar to the Jesus found in the synoptic gospels In this book Witherington places the Gospel of John within its proper literary historical social and theological contexts What emerges is a compelling argument that the Gospel of John has an agenda for mission in addition to concerns for discipleship and community life The Search for Ultimate Reality Dan Liroy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Liroy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son **The Prologue of the Fourth Gospel** Peter Phillips, 2006-04-01 This study explores the background to the interpretation of the Prologue of the Fourth Gospel and the various layers of meaning Mysticism in the Gospel of John Jey Kanagaraj, 1998-04-01 This is the first detailed study of Johannine mysticism against a Palestinian Jewish background has been previously undertaken This book investigates whether there was a mystical practice in first century Palestine and whether John can be better understood in the light of such practice if there was any In analysis two strands of Jewish mysticism the early forms of Ma'aseh Merkabah and of Ma'aseh Bereshit emerge as existing in first century Palestine While the former narrates by means of Ezek 1 the experience of seeing God in His kingly glory the latter describes the same experience by using Gen 1 This book consists of three parts Part one analyses Hellenistic mysticism as expressed by the Hermetica and Hellenistic Jewish mysticism as presented by Philo Part two traces the important elements of Merkabah mysticism from the later Hekhalot literature and the Jewish and Christian writings belonging to 2 cent BCE 1 cent CE by defining the term mysticism in terms of the fourteen aspects of Jewish mysticism an exegetical study of seven themes

is undertaken in Part Three The study shows that the conceptual parallels in John with Hellenistic mysticism and Hellenistic Jewish mysticism are very slender but indicates John's polemical motive against the Merkabah mystics of his time He calls them to believe in Jesus as the Christ the Son of God by proclaiming that the divine glory claimed by them to be revealed in human like form on the throne is now visible in the historical person Jesus particularly in his death on the Cross Thus Jewish Throne mysticism seems to have been reinterpreted by John as Cross mysticism **John** Andreas J. Köstenberger, 2004-12 A substantive commentary on the gospel of John that will help pastors students and teachers understand and explain this key New Testament book **John** Jey J Kanagaraj, 2013-09-26 In this commentary Kanagaraj examines how John projects the church as God's new covenant community which is characterized by two virtues love and obedience Impossible to exhibit under the old covenant based on Moses Law these qualities became possible by the initiative grace and faithfulness of God revealed in Jesus and demonstrated by the power of the Spirit God's new community is an inclusive and progressive community because its witness to Jesus in a world that hates and persecutes it has the power to bring in all people so that they may become one flock under one shepherd Kanagaraj argues that the idea of founding and nurturing a new community was in God's heart even before the time of creation and not just at the time of incarnation **The Bible for Blockheads---Revised Edition** Douglas Connelly, 2009-05-26 If you have a hard time making sense of the Bible The Bible for Blockheads is for you It will transform what might seem like gobbledygook into incredible significance enough to change your life It can do that because the Bible is more amazing than you've ever dreamed packed with riches and making sense of it is no mystery You'll even have fun as you learn The Bible for Blockheads newly revised and updated helps you to Discover how the Bible's message unfolds from start to finish Learn how the Bible developed over many centuries Familiarize yourself with the main divisions of the Bible and its 66 individual books Find out proven principles for accurately interpreting what you read Acquaint yourself with important people places and events of the Bible Learn key biblical terms and discover the different types of literature represented in the Scriptures Get a handle on the Bible's historical and cultural background Discover why the Bible among all books is called God's Word **Patrick Navas**, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in

order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self-evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no Biblical Worship Through Music Robert Austell,2009-03-01 Seeking a faithful solution to conflict over musical worship the pastor musician author begins with biblical principles for worship examines historical and contemporary models for worship and evaluates worship practices in one presbytery of the Presbyterian Church U S A to propose guiding principles and specific applications for the use of music in worship The project shows biblical worship to be described by a number of characteristics and grounded in God's Word presence and community After exploring these principles biblically historically and culturally the outcome of the project is a significant collection of music related worship resources for use in the local church and for equipping in broader teaching contexts *King John* William Shakespeare,2018-02-22 The Arden Shakespeare is the established scholarly edition of Shakespeare's plays Now in its third series Arden offers the best in contemporary scholarship Each volume guides you to a deeper understanding and appreciation of Shakespeare's plays This edition of King John provides A clear and authoritative text edited to the highest standards of scholarship Detailed notes and commentary on the same page as the text A full illustrated introduction to the play's historical cultural and performance contexts A full index to the introduction and notes A select bibliography of references and further reading With a wealth of helpful and incisive commentary The Arden Shakespeare is the finest edition of Shakespeare you can find King John tells the story of John's struggle to retain the crown in the face of alternative claims to the throne from France and is one of the earlier history plays The new Arden Third Series edition offers students a comprehensive introduction exploring the play's relationship to its source and to later plays in the history cycle as well as giving a full account of its critical and performance history including key productions in 2015 which marked the anniversary of Magna Carta As such this is the most detailed informative and up to date student edition available *John 12-21: a Pentecostal Commentary* Dr. Matthew N. O. Sadiku,2015-07-15 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his/her life This commentary is designed to help students pastors and Bible teachers understand the gospel of John in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal

in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The fourth gospel has been called the gospel of belief It is different from the other three gospels John's gospel is a profound witness to Christ as the Son of God Yet it is easy to read the reason new Christians are asked to begin reading the Bible by starting with John John is the deepest gospel of all it brings us closer to Jesus than any other Those who study it reap great rewards

Divine Truth or Human Tradition? Patrick Navas, 2011-07-07 In *Divine Truth or Human Tradition* the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of *The Forgotten Trinity* Dr John MacArthur President of The Master's Seminary Wayne Grudem author of the widely read *Systematic Theology* Robert Morey author of *The Trinity Evidence and Issues* Robert L Reymond author of *A New Systematic Theology of the Christian Faith* and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith

Jesus' Emotions in the Fourth Gospel Stephen Voorwinde,2005-11-01 This book seeks to discuss John s references to Jesus emotions in the light of the current debate regarding Johannine Christology The Fourth Gospel refers to Jesus love joy and zeal At times it also portrays him as troubled deeply moved and in tears Do these expressions of emotion underscore Jesus humanity or his divinity The study is set against the background of the emotions of God as found in earlier Jewish literature as well as against that of the emotions of Jesus in the Synoptics and the remainder of the New Testament Voorwinde argues that the covenant provides the most consistent perspective for viewing both the emotions of Yahweh in the Old Testament and the emotions of Jesus in the Gospels The Johannine Jesus is found to fulfil the hitherto incompatible roles of covenant Lord and covenant sacrifice Rather than being expressive only of his humanity Jesus emotions are also found to underscore his divinity This is due to the unique genius of this Gospel with its paradoxical presentation of

Jesus whose divinity is manifested most eloquently in his weakness suffering and death Only his tears at the grave of Lazarus can be explained as a human emotion pure and simple All the other emotions because of their strong connections to the cross highlight both Jesus humanity and divinity albeit for various reasons and in highly nuanced ways JSNTS 284
