

Describing The Role Of Pastoral Leaders In Church

7 pages | 1581 words

INTRODUCTION

The success and growth of any church organization is hinged on its pastoral leadership. According to John Maxwell; "Everything rises and falls on leadership." The quality of leadership in any organization will determine the success or fall of it. [Jeremiah 3vs 15]. According to Eric Reed, every church deserves to be well fed and well lead to the glory of God. Well fed churches are nourished in rich doctrine through the preaching of the word and discipleship. Well -fed churches are organized with clarity of vision and a plan for accomplishing it. Shepherding and leading God's people is at the centre of pastoral leadership but its effectiveness is determined by the ability, character and wisdom of those involved.

LEADERSHIP CHARACTERISTICS OF PASTORAL LEADERS IN THE CHURCH TODAY

It is the leadership characteristics of pastoral leaders in the church today that defines them and determines their effectiveness in God's church. Integrity : It is a major concern these days that some Pastoral leaders are not worthy of trust or belief. Their integrity has become so questionable in the eyes of both the believers and the world. The big question that has remained in the minds of most believers is "Can the pastoral leaders be trusted?" while it is expected of pastoral leaders to lead by example in all manner of conduct and behaviour, some of them have not done so but have rather behaved wickedly than godly. While it is true that no man is perfect, the behaviour and character of pastoral leaders should be above reproach. More is expected of pastoral leaders though not perfection (Matthew 5vs20). We have leaders who abuse and steal church monies, who are habitual liars, who are in adulterous affairs, who fornicate, drink alcohol, consult spirit mediums etc. Rick Warren says, "Integrity is the foundation to leadership. The most damaging thing a leader can do is to violate trust." Due to lack of integrity in some leaders, it has become difficult to trust even the genuine and sound pastoral leaders. Leaders should be trustworthy, relied upon and dependable. Communication : Pastoral leaders who are good communicators have had their churches understand where they are going, the direction and the vision of their church. People are doing things with confidence and clarity of vision because it has been well spelt out and communicated. For any relationship to be successful there must be good and meaningful communication on a regular basis. In communicating there are three things that matter most.

Trustworthy - here the question is "Can you be trusted

The attitude - do you care about those you are communicating with knowledge - do you know what you are talking about. These three values are key in effective communication. We have leaders who use verbal communication but their actions do not correspond with their words. This kind of communication, "Do as I say, not as I do" does not work in pastoral leadership because Christian leaders are to lead by example in all aspects of conduct. Effective communication also...

Messages Guy McGowan, 1976 Paul's Message and Ministry in Covenant Perspective Scott J Hafemann, 2015-08-27

Erudite and authoritative Paul's Message and Ministry in Covenant Perspective is the fruit of twenty five years of scholarship about the theology and life of the apostle Paul now made available for the first time to a wider audience Confronting the questions raised by the history of Pauline thought since F C Baur Scott J Hafemann's essays focus on how Paul's self understanding shaped everything from his message to the driving force behind his ministry and his consequent call to suffer for the sake of his churches Hafemann's work reveals that Paul's views of redemption of his own redemptive mission and of the life of the redeemed all derived from a central point his eschatological conviction that the purpose of the new covenant established by Jesus was to prepare the way for when Christ returns on Judgement Day *The Vanity of Human Wishes* (1749) and *Two Rambler papers* (1750) Samuel Johnson, 2022-09-16

In *The Vanity of Human Wishes* Samuel Johnson presents a profound exploration of ambition desire and the inherent futility of human aspirations With masterful use of an intricate verse structure and a wealth of classical allusion Johnson critiques the chaotic pursuit of worldly success and the ephemeral satisfaction it brings The poem draws heavily on the moral philosophical and aesthetic influences of the Augustan age offering a reflective commentary that resonates with the disillusionment of the human condition The two Rambler papers also included delve into themes of virtue vice and the social frictions of his time showcasing Johnson's adeptness in essayistic prose that seeks to enlighten and entertain simultaneously Samuel Johnson an eminent figure in 18th century English literature was shaped by his tumultuous early life including poverty and illness His pursuit of knowledge led him to become a lexicographer and essayist of unparalleled significance allowing him to imbue his works with both personal insight and rigorous moral philosophy His experiences navigating the complexities of society uniquely inform the critical perspective present in both the poem and his essays This book is essential for readers seeking to engage with the moral weight of Enlightenment thought and its dissection of personal ambition Johnson's acute observations not only illuminate the foibles of human nature but also provoke deep reflection on the true essence of fulfillment Encountering Johnson's work is thus an invitation to contemplate the deeper questions of existence in an era still relatable today **Text Message** Oliver D Crisp, Ian Stackhouse, 2014-09-25

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation, the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes, the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting, a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment, verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1. within the context of the book itself; 2. its meaning in the OT or NT; 3. its place in the entire canon; 4. theological relevance to broader OT or NT issues. General Bibliography, occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Grudem, 1994 An introduction to theology that provides information on the scriptural basis for religious doctrines and their applications to the modern world **The Message of Love** Patrick Mitchel, 2019-09-19 Love, such a deceptively simple and popular little word. It is universally agreed that we need love to live and flourish as human beings, and yet within our contemporary culture there are numerous confusing, competing, and evolving ideas about what love is. There are few greater subjects in Christian theology than love, yet it is a surprisingly complex and challenging concept to understand, let alone live out faithfully. Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways. Our task is not only to articulate what love is, but also to show to the world what true Christian love looks like in practice. The only thing that counts is faith expressing itself through love. Gal 5:6 NIV. Mitchel's exposition explores love in the Old Testament, how the love of God is supremely revealed in the mission and death of Jesus Christ, love in the life and teaching of Jesus, and the church's calling to be a

community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today *American Book Publishing Record* ,1984
