

MESSIAH of the WINEPRESS

Christ and the Red Heifer

A spotless Red Heifer holds the key to the building of the Third Temple in Jerusalem. Why did God ordain this sacrifice? Why must the heifer be entirely red? No other sacrificial animal is designated by color. Why must it be sacrificed on the Mount of Olives? But most importantly, what can the Sacrifice of the Red Heifer teach us about Jesus Christ?

This book is the result of 17 years of research and five trips to Israel. Karen has also traveled to Canton, Mississippi to meet with the Rev. Clyde Lott, the Pentecostal Minister who raises Red Angus cattle. Rev. Lott's herd produced the first certified Red Heifer of this era in 1994.

Karen attended a Temple Conference in Jerusalem where she interviewed Rabbi Chaim Richman of the Temple Institute, an organization preparing clothing, vessels and implements for the coming Temple. She participated in a dig at Qumran near the Dead Sea in Israel with archaeologist Vendyl Jones, who is searching for an ancient vessel believed to contain the ashes of the last Red Heifer sacrificed in Israel some 2,000 years ago. Her research teaches how this intriguing and mystifying sacrifice points to Christ. "Messiah of the Winepress" is the only Christian book on this subject.

Karen's insight into the Red Heifer is remarkable, to say the least. It is obvious that many years of research have gone into this work. I think both Jew and Gentile will find this book most rewarding and stimulating. I admire and appreciate her desire to understand the mysteries of God. And also to share her revelations with others. Thank you Karen for this wonderful book and your friendship.

— *Rev. Clyde Lott, Red Angus Cattle Breeder and President of Lott's Cattle, Inc. (Returning the Red Heifer to Israel)*

My experiences with Karen are not like that of the typically-cut journalist. Her earnestness for journalistic professionalism has made her a genuine pleasure to work with. Karen is the only reporter I have ever known who takes the material I have given her and researches the detailed contents herself. Her articles are so excellent that I use them as part of our information folder.

— *Vendyl Jones, Biblical Archaeologist and Discoverer of the Holy Anointing Oil and Temple Incense*

Karen weaves an interesting, intriguing and incredible tapestry (in the tradition of the Jews) as she interprets numbers, names and nuances in all the references she brings to bear (a bit too humbly it seems) on her own insights, revelations and connections. That's her greatest contribution—the connections between past and present, old and new, red and white, sin and salvation. Thank you, Karen, for your scholarly and insistent research (returning again and again to those passages that kept coming to your mind) on these obscure (until illuminated) but important (now that they are connected, linked and related) scriptural treasures.

Messiah Of The Winepress Christ And The Red Heifer:

Messiah of the Wine Press Karen Boren,2002-11 **The Illuminated Messiah Bible** ,2023-11-07 The infallible living Word of God as penned in the majestic King James Version has had a powerful influence on language and literature since 1611 Developed by scholars and entwined with poetic cadence and vivid imagery this version of the Bible is the standard by which all translations are measured and the most printed book of all time The Illuminated Messiah Bible harkens back to the handcrafted Bibles from medieval times Within these pages is a beautiful collection of sixty six original portraits of Jesus from each book of the Bible The Messianic theme from Genesis to Revelation is illuminated in spectacular fashion with a detailed treatise by the artist explaining the theology behind every brushstroke Grow your Christian faith as you immerse yourself in the beauty and truth found in these trusted words The Talmud. of the Revelation Philip Carrington,2008-05-01 The object of this book is to provide a running commentary on the Book of Revelation elucidating its meaning Other introductory and technical considerations are subordinated to this main quest Though a scholarly work it is written in a manner free from technicalities so as to make it useful to the general reader It was written with the hope that a simple treatise on Revelation s meaning would help clergy and others who often have to deal with people who take it in a false and literal sense When the Revelation was originally written it was naturally accepted as an account of current events and of events shortly to come to pass that is how it describes itself Rev 1 1 3 22 6 10 and that is how it was naturally taken Unfortunately the key to its meaning was soon lost and its mystical symbolism was taken as literal description When it reflects events of history it is current events that it reflects The Revelation represents great principles working themselves out in actual history The book is a literary unity stamped throughout by the mark of a great genius It is one of the loftiest mystical poems the world has produced Revelation insists that certain events of worldwide importance are coming immediately following the same general lines as Christ s Olivet Discourse which spoke to events of which the Lord himself declared Truly I say to you this generation will not pass away until all these things take place Matt 24 34

Ney,2015-01-19 The Story of the Messiah exposes a host of Jewish customs attitudes political sects and institutions during the time of Christ and chronicles the events of His life in Hebrew fashion while harmonizing the accounts of the four Gospel writers Surely the setting characters and plot of this two thousand year old narrative are not unfamiliar but while snippets of Jesus life have warmed the hearts of countless readers and listeners a complete story of our beloved Savior is rarely gleaned To remedy this vacuum the author has embellished a chronicle of the life of Jesus by shining a light on first century Judaism providing historical and factual information pertaining to the Jews in a Greco Roman world including numerous tidbits both credible and incredible that were pertinent to the various characters and episodes highlighting solutions to the apparent discrepancies proffered by the original authors Beginning with Gods covenant with Abraham and a brief history of Israel this rendition of Jesus story gathers truth from the prophets of the old standard as well as meaning from Paul and other writers of the New Testament The final curtain closes on the Day of Pentecost when God fulfilled His promise of the Holy Spirit *The Hebrew-Christian Messiah* Arthur Lukyn Williams,1916 **Messiah and Temple** Donald Juel,1977 *Life and Times of Jesus the Messiah* Alfred Edersheim,2023-11-25 In *Life and Times of Jesus the Messiah* Alfred Edersheim meticulously weaves a narrative that explores the historical and cultural milieu of the Jewish world during the time of Jesus This comprehensive work synthesizes biblical exegesis with an understanding of Jewish traditions providing readers with a

detailed context that illuminates the New Testament's significance. Edersheim employs a scholarly yet accessible literary style integrating theological insights with historical evidence, thus creating a tapestry that is both informative and engaging. His work reflects the Victorian era's merging of faith with reason, positioning Jesus not just as a theological figure but as a historical person shaped by his environment. Edersheim, a Jewish convert to Christianity, was well acquainted with both the Old and New Testaments along with Jewish culture. His extensive background in rabbinical literature infuses authority into his narrative, allowing him to navigate the complexities of early Christianity from a unique vantage point. His personal journey, marked by a desire to bridge the gap between Jewish heritage and Christian theology, drove him to produce a work that is at once scholarly and reverent. This book is highly recommended for both scholars and lay readers alike, as it enriches one's understanding of Jesus within his historical context. Edersheim's thoughtful exploration not only deepens faith but also invites critical engagement with the life of Christ, making it an invaluable resource for anyone seeking to comprehend the profound impact of Jesus on history and religion.
