The Messiah and His Kingdom Ernest C. Atchley, 2011-08 A look at Israel's history can tell us just how wicked a nation can get when it forsakes the Lord If our nation hasn't gotten there yet it's probably not far from it The longer mankind exists the farther he strays from God The message for every generation is repent *The Messianic Vision of the Pentateuch* Kevin S. Chen, 2019-12-03 Did Moses write about Jesus Kevin Chen challenges the common view of the Pentateuch as focused primarily on the Mosaic Law arguing instead that it sets forth a coherent sweeping vision of the Messiah as the center of its theological message Building on the work of John Sailhamer Chen provides a fascinating study and an exegetical basis for a Christ centered biblical theology **The Works of Jonathan Edwards: Volume II □ IV Revised** Jonathan Edwards,

*The Realizationist View of Eschatology* Philip Mark Ames, 2014-12-16 When the most wicked member of a tribe becomes its ruler and the most worthless member of a community becomes its leader and a man is respected through fear of the evil he may do and leadership is given to people who are unworthy of it expect the Day of Judgment The Prophet Muhammad This book is based entirely on the Holy Bible and is not a study of Islamic teaching However the above quotation seems timely and is not far from what the Bible itself says This book's title has two words unfamiliar to many Realizationist and Eschatology The latter is derived from two Greek words eschatos meaning last things and logos meaning word concept or understanding So eschatology is the understanding of last things the study of endtimes prophecies found in the Bible A Realizationist approaches such a study with a divine assurance that those prophecies were written for the times in which we live a realization that the last days are unfolding right now in our own generation This unique understanding began to be revealed to only a few some 45 years ago It is now being made available to all who dare to preview the realities of the next few years

Messiahs John Hogue, 1999 Interpretations of 30 messiahs are featured in a comprehensive evaluation of a variety of prophecies for the coming millennium Includes Jesus Christ Amida Buddha and Osiris Full color illustrations *The Works of Jonathan Edwards, A.M.* Jonathan Edwards, 1840 **Life and Times of Jesus the Messiah** Alfred Edersheim, 2023-11-25 In *Life and Times of Jesus the Messiah* Alfred Edersheim meticulously weaves a narrative that explores the historical and cultural milieu of the Jewish world during the time of Jesus This comprehensive work synthesizes biblical exegesis with an understanding of Jewish traditions providing readers with a detailed context that illuminates the New Testament's significance Edersheim employs a scholarly yet accessible literary style integrating theological insights with historical evidence thus creating a tapestry that is both informative and engaging His work reflects the Victorian era's merging of faith with reason positioning Jesus not just as a theological figure but as a historical person shaped by his environment Edersheim a Jewish convert to Christianity was well acquainted with both the Old and New Testaments along with Jewish culture His extensive background in rabbinical literature infuses authority into his narrative allowing him to navigate the complexities of early Christianity from a unique vantage point His personal journey marked by a desire to bridge the gap between Jewish

heritage and Christian theology drove him to produce a work that is at once scholarly and reverent This book is highly recommended for both scholars and lay readers alike as it enriches one's understanding of Jesus within his historical context Edersheim's thoughtful exploration not only deepens faith but also invites critical engagement with the life of Christ making it an invaluable resource for anyone seeking to comprehend the profound impact of Jesus on history and religion **The Jewish Messiah and the Second Coming** John P. Schwulst, 2024-12-30 The book carefully shows the Jewishness of the Revelation text and how it is directed to the Jews living in last days Israel Unlike other commentaries on the Revelation John is writing to these last days Jews warning them to be watching and waiting for their Messiah's return to them in the last day

Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church Jesus, the Messiah, or, the Old Testament prophecies fulfilled in the New Testament Scriptures.
