Brian Giffin

Metal Angel:

Metal Angel Nancy Springer, 2014-12-23 A dissatisfied angel falls to Earth to pursue his long held dream of becoming a heavy metal rock n roll god For Volos heaven is a bore the real action is in the world of mortals So the restless celestial abandons the eternal realm transforming himself into a beautiful decadent example of the human male while keeping his wings intact and sets out to become a rock star Needing appropriate lyrics for his soon to be hit singles and having no firsthand experience with mortal emotions and concerns Volos finds everything he needs in the personal writings of a sexually repressed wife and mother from the Bible Belt The daughter of a tyrannical fundamentalist preacher Angie composes poetry in secret and she is shocked when she hears her own words on the radio Surely a higher power is calling her to Los Angeles But the music is leading her to a shining star who is more than a man yet less than human a true soulmate capable of changing her world in ways she never could have imagined Multiple award winning fantasist Nancy Springer reinvigorates the fallen angel trope in a delightfully inventive and thought provoking story of a celestial being who is unhappy in the service of a distant and unapproachable God Metal Angel is an enthralling exploration of belief spirituality sexual awakening and superstardom

Boulevard Wren and Other Stories Blindboy Boatclub, 2019-11-01 Boulevard Wren and Other Stories is the stunning follow up to the bestselling Gospel According to Blindboy and a warped mirror held up to the Irish psyche Provocative and unsettling the stories rove through the centuries from the barren fields of Famine struck Meath to the chaotic landscape of the near future where social media has colonised the deepest recesses of the human subconscious This is a world populated

by characters lost and at odds with the demands of contemporary life for whom the line separating redemption and madness has grown impossibly fine Razor sharp social satire it is an era defining work from one of Ireland's most anarchic satirists and a quietly devastating portrait of a society in disarray **Customs Bulletin** United States.
