 XXXXXXXX Allegorical Readers and Cultural Revision in Ancient Alexandria David Dawson, 2023-04-28 Allegorical readings of literary or religious texts always begin as counterreadings starting with denial or negation challenging the literal sense You have read the text this way but I will read it differently David Dawson insists that ancient allegory is best understood not simply as a way of reading texts but as a way of using non literal readings to reinterpret culture and society Here he describes how some ancient pagan Jewish and Christian interpreters used allegory to endorse revise and subvert competing Christian and pagan world views This reassessment of allegorical reading emphasizes socio cultural contexts rather than purely formal literary features opening with an analysis of the pagan use of etymology and allegory in the Hellenistic world and pagan opposition to both techniques The remainder of the book presents three Hellenistic religious writers who each typify distinctive models of allegorical interpretation the Jewish exegete Philo the Christian Gnostic Valentinus and the Christian Platonist Clement The study engages issues in the fields of classics history of Christianity and Hellenistic Judaism literary criticism and theory and more broadly critical theory and cultural criticism Allegorical readings of literary or religious texts always begin as counterreadings starting with denial or negation challenging the literal sense You have read the text this way but I will read it differently David Dawson insists that ancient alle *Writing on the Renaissance Stage* Frederick Kiefer, 1996 Playwrights also made extraordinary use of metaphors involving the written and printed word to describe the workings of the mind and the interaction of people Encountering the Parables in Contexts Old and New T. E. Goud, J.R.C. Cousland, John P. Harrison, 2022-08-25 The contributors to this book pursue three important lines of inquiry into parable study in order to illustrate how these lessons have been received throughout the millennia The contributors consider not only the historical and material world of the parables composition and focusing on the social political economic and material reality of that world but also seek to connect how the parables may have been seen and heard in ancient contexts with how they have been and continue to be seen and heard Intentionally allowing for a bounded openness of approach and interpretation these essays explore numerous contexts encounters and responses Examining topics ranging from ancient harvest imagery and dependency relations to contemporary experience with the narratives and lessons of the parables this volume seeks to link those very real ancient contexts with our own varied modern contexts *A Hand to Turn the Time* Theodore D.
