The Manchester Art Treasures Exhibition of 1857 ElizabethA. Pergam,2017-07-05 An overdue study of a groundbreaking event this is the first book length examination of the Manchester Art Treasures Exhibition of 1857 Intended to rehabilitate Manchester s image at a heady time of economic prosperity the

Exhibition became a touchstone for aesthetic social and economic issues of the mid nineteenth century Reverberations of this moment can be followed to the present day in the discipline of art history and its practice in public museums of Europe and America Highlighting the tension between art and commerce philanthropy and profit the book examines the Exhibition s organization and the presentation of the works of art in the purpose built Art Treasures Palace Pergam places the Exhibition in the context of contemporary debates about museum architecture and display With an analysis of the reception of both Ancient and Modern paintings the book questions the function of exhibitions in the construction of an art historical canon The book also provides an essential reference tool a compiled list of all of the paintings exhibited in 1857 that are now in public collections throughout the world with an analysis of the collecting trends manifest in their provenance

The Museums of Contemporary Art J. Pedro Lorente, 2016-03-03 Where how by whom and for what were the first museums of contemporary art created These are the key questions addressed by J Pedro Lorente in this new book In it he explores the concept and history of museums of contemporary art and the shifting ways in which they have been imagined and presented Following an introduction that sets out the historiography and considering questions of terminology the first part of the book then examines the paradigm of the Mus e des Artistes Vivants in Paris and its equivalents in the rest of Europe during the nineteenth century The second part takes the story forward from 1930 to the present presenting New York s Museum of Modern Art as a new universal role model that found emulators or contramodels in the rest of the Western world during the twentieth century An epilogue reviews recent museum developments in the last decades Through its adoption of a long term worldwide perspective the book not only provides a narrative of the development of museums of contemporary art but also sets this into its international perspective By assessing the extent to which the great museum capitals Paris London and New York in particular created their own models of museum provision as well as acknowledging the influence of such models elsewhere the book uncovers fascinating perspectives on the practice of museum provision and reveals how present cultural planning initiatives have often been shaped by historical uses

A Cultural History of the Violin in Nineteenth-Century London Tom Wilder, 2025-03-18 Examines the violin s evolution as not just instrument but valued objet d art through the eyes of musicians collectors makers dealers connoisseurs journalists auctioneers and traders The nineteenth century saw developments in the composition performance and reception of classical music that led to an unprecedented shift in how the violin was appreciated from humble craft object to one of art A utilitarian tool defined in 1800 by its tonal properties became by century s end an expensive objet d art classified almost exclusively in terms of physical visible properties In London s vibrant musical life Cremonese violins acquired special significance and in turn helped shape the beliefs knowledge and behaviour of the disparate actors connected to the instrument musicians collectors makers dealers connoisseurs journalists auctioneers and traders By 1880 London had supplanted Paris as the centre of the international violin trade One firm in particular W E Hill Sons emerged as a major presence in both the local musical community and the global violin market The

Hills were makers restorers dealers and connoisseurs They were also writers collectors and melomaniacs deeply implicated in London's instrument auction and exhibition scene The mutually reinforcing nature of these activities which they consciously turned to account for commercial reasons bear witness to events and developments earlier in the century Their story illuminates this first study of the violin's nineteenth century journey from simple musical instrument to mystified work of art
