**North Carolina** Chip Henderson, Glenn Morris, 1985-01-01      Her Share of the Blessings Ross Shepard Kraemer, 1994-01-20 In this pathbreaking volume Ross Shepard Kraemer provides the first comprehensive look at women's religions in Greco Roman antiquity She vividly recreates the religious lives of early Christian Jewish and pagan women with many fascinating examples Greek women's devotion to goddesses rites of Roman matrons Jewish women in rabbinic and diaspora communities Christian women's struggles to exercise authority and autonomy and women's roles as leaders in the full spectrum of Greco Roman religions In every case Kraemer reveals the connections between the social constraints under which women lived and their religious beliefs and practices The relationship among female autonomy sexuality and religion emerges as a persistent theme Analyzing the monastic Jewish Therapeutae and various Christian communities Kraemer demonstrates the paradoxical liberation which women achieved by rejection of sexuality the body and the female In the epilogue Kraemer pursues the disturbing implications such findings have for contemporary women Based on an astonishing variety of primary sources Her Share of the Blessings is an insightful work that goes beyond the limitations of previous scholarship to provide a more accurate portrait of women in the Greco Roman world      **The North Carolina Historical Review** ,1987      **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States. Brown, 2014 Sharing our history with the world is mostly information compiled by the author of the book We have no written book of how our wonderful establishment began This magnificent Organization began in 1926 by late Bishop Major Solomon Bennett In its 88 years history we had four fantastic Bishops to head these Churches Bishop Major Solomon Bennett Bishop Benjamin Fields Colty Bishop James Kelly and presently Bishop Moses Alfred Lewis a written history of some of these Churches that makes up this wonderful Organization as well as the former churches of Church South Carolina History of each church was compiled by the Pastors Members and Secretaries of each churches Its foundation to the present Its establishment and structure our forefathers came together and set the guidelines that this organization will follow not much has been revised since Pictures of some notable Leaders and Members past and present whose faces will be recognizable to the body of Christ There are many many more great giants that can be placed in OUR CHURCH HALL OF FAME that space will not consent to When the Spirit of God change the lives of ordinary people through the fabric of the church People through the power of the Holy Spirit can and will accomplish great things that will last and help to change the lives of others through Christ for generations to come We thank our God through Christ Jesus for all that has built on this foundation because of their FAITH in Christ which will be reported to the whole world Romans 1 8      *North Carolina Education* ,1917      *Katharine Drexel and the Sisters Who Shared Her Vision* McGuinness, Margaret

M.,2023 Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress s individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel s father The author s careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel s ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America *Called to Bless* John Rice,2024-05-23

Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they are praying for the fullness of God s intentions to be released into their lives In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry The power of blessing can bridge those gaps and bring healing to the individuals involved There is no individual situation no community need where blessing prayers are not beneficial Wherever there is joy and celebration in people s lives blessing prayers bring only more joy and thanksgiving There is an awakening in the lives of God s people wherever the ministry of blessing is being taught and practiced Communities are experiencing greater health Churches are becoming more alive Hearts are being healed and lives transformed simply by blessing others in Jesus name God is calling his people to become a people of blessing **Autism's Hidden Blessings** Kelly Langston,2011-06-07
