

WILLIAM S. POWELL

NORTH CAROLINA THROUGH FOUR CENTURIES

North Carolina Through Four Centuries

Shepherd W. McKinley, Steve Sabol

North Carolina Through Four Centuries:

North Carolina Through Four Centuries William S. Powell, 2010-01-20 This successor to the classic Lefler Newsome North Carolina The History of a Southern State published in 1954 presents a fresh survey history that includes the contemporary scene Drawing upon recent scholarship the advice of specialists and his own knowledge Powell has created a splendid narrative that makes North Carolina history accessible to both students and general readers For years to come this will be the standard college text and an essential reference for home and office **North Carolina** William S. Powell, 1988 Reprint Originally published New York Norton c1977 With a new preface and concluding chapter by the author *North Carolina Government & Politics* Jack D. Fleer, 1994-01-01 North Carolina has been a leader in the South and the nation since 1775 when it became First in Freedom by calling for its independence from British rule Throughout its history the state has had a reputation as a progressive force This book offers both an assessment and an examination of the realities of the state s leadership Analyzing a wide range of political actors and organizations which includes the state legislature the governor and executive branch the judiciary political parties interest groups and the media Fleer illuminates North Carolina s rich political history its evolving constitutional order and its changing political culture Although revealing a pattern of elitist paternalism in the state s political history the book illustrates a parallel pattern of popular participation and control Major forces of change are increasingly defining the state These transitional factors include a significant biracial electorate a stratified society a diverse electorate increasingly varied and mobilized political interest groups a competitive political party system and a more representative political leadership New challenges to the state s future development are its aging population the preparedness of its work force the globalization of its economy the protection of its natural resources and the education of its children for the next century Each new political debate policy choice and election reminds North Carolinians of their fundamental challenge establishing a government by enlightened and effective popular consent Jack D Fleer is a professor of political science at Wake Forest University and the author of North Carolina Politics An Introduction *Nutshell History of North Carolina*, A Ben Fortson, 2016 From its dubious beginnings as a pirate filled colony to a popular tourist destination North Carolina has an amazingly colorful history Author and illustrator Ben Fortson presents that history in the form of off the wall anecdotes poignant insights and sublimely silly illustrations Take a hilarious look at Daniel Boone s larger than life Carolina personality Peruse an uproarious account of the Andrew Jackson birthplace controversy or politically astute commentary on the power of tobacco in the state Fortson takes readers on a side splitting and educational ride through the annals of Tar Heel State history The North Carolina State Constitution John V. Orth, Paul M. Newby, 2013-04-11 North Carolina s state constitution charts the evolution over two centuries of a modern representative democracy In The North Carolina State Constitution John V Orth and Paul M Newby provide an outstanding constitutional and historical account of the state s governing charter In addition to an overview of North Carolina s constitutional history it provides an in depth

section by section analysis of the entire constitution detailing the many significant changes that have been made since its initial drafting This treatment along with a table of cases index and bibliography provides an unsurpassed reference guide for students scholars and practitioners of North Carolina s constitution Co authored by Paul M Newby a sitting justice of the North Carolina Supreme Court the second edition includes significant constitutional amendments adopted since the date of the first edition Almost every article was affected by the changes Some were minor such as the lengthening the term of magistrates and some were more significant such as spelling out the rights of victims of crimes One was obviously major granting the governor the power to veto legislation making North Carolina s governor the last American governor to be given that power In addition the North Carolina Supreme Court has continued the seemingly never ending process of constitutional interpretation Some judicial decisions answered fairly routine questions about the powers of office such as the governor s clemency power Others were politically contentious such as deciding the constitutional constraints on legislative redistricting And one continues to have momentous consequences for public education recognizing the state s constitutional duty to provide every school child in North Carolina with a sound basic education The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions Each volume in this innovative series contains a historical overview of the state s constitutional development a section by section analysis of its current constitution and a comprehensive guide to further research Under the expert editorship of Professor G Alan Tarr Director of the Center on State Constitutional Studies at Rutgers University this series provides essential reference tools for understanding state constitutional law Books in the series can be purchased individually or as part of a complete set giving readers unmatched access to these important political documents

The 55th North Carolina in the Civil War Jeffrey M. Girvan,2013-01-25 This comprehensive history tells the story of the men who served in the 55th North Carolina from its formation in 1862 through its dissolution in 1865 Drawing on letters memoirs diaries and recollections it depicts the Civil War through the eyes of the soldiers showing what it was like to fight for the Confederacy While providing information on the battles in which the 55th North Carolina took part including the little known Suffolk campaign the main focus of the work is the life of the men the ever present influence of politics and religion as well as the effects of disease and combat Appendices provide a breakdown of the companies in the regiment the regimental roster a list of men who died of disease and a record of the men from the 55th who were killed in battle Contemporary photographs are also included

North Carolina's Experience during the First World War Shepherd W. McKinley,Steve Sabol,2024-01-12 As America s involvement in World War I approached its centennial state level histories and commemoration of the Great War abounded While North Carolina s role in the First World War has yet to attract such intense scholarly interest a much needed picture of the wartime Tar Heel state has nevertheless begun to emerge from newly published firsthand accounts of the war and sustained attention to the state s

wartime politicians The essays in *North Carolina's Experience during the First World War* skillfully edited by Shepherd W McKinley and Steven Sabol provide in depth interpretation of the state's involvement in WWI As topics range from soldiers and the military to women and the home front to politics and labor issues a detailed picture emerges of the war's influence on the developing modern state and the ascendant bureaucratic social order As this anthology makes clear wars provide the opportunity for unsettling old patterns of power and culture Unlike the Civil War and Second World War however the First World War would have relatively little effect on North Carolina's race relations class arrangements gender roles economic order and political leadership What changed more dramatically was the relationship between business and government Indeed government took an unprecedented place in the fabric of society and the economy as the war to end all wars left its indelible mark on the individuals and families who served SHEPHERD W MCKINLEY is a senior lecturer in the Department of History at the University of North Carolina at Charlotte He is the author of *Stinking Stones and Rocks of Gold Phosphate Fertilizer and Industrialization in Postbellum South Carolina* and *North Carolina New Directions for an Old Land* STEVEN SABOL is an associate professor of history at the University of North Carolina at Charlotte He is the author of *Russian Colonization and the Genesis of Kazak National Consciousness*

North Carolina Civil War Monuments Douglas J. Butler, 2013-05-21 Monuments honoring leaders and victorious armies have been raised throughout history Following the American Civil War however this tradition expanded and by the early twentieth century the Confederate dead and surviving veterans although defeated in battle ranked among the world's most commemorated troops This memorialization described in *North Carolina Civil War Monuments* evolved through a challenging and contentious process accomplished over decades Prompted by the need to rebury wartime dead memorialization led by women first expressed regional grief and mourning then expanded into a vital aspect of Southern memory In North Carolina 109 Civil War monuments 101 honoring Confederate troops and eight commemorating Union forces were raised prior to the Civil War centennial Photographs showcase each memorial while committee records legal documents and contemporaneous accounts are used to detail the difficult process through which these monuments were erected Their design location and funding reflect not only the period's sculptural and cultural milieu but also reveal one state's evolving grief and the forging of public memory

A History of North Carolina in the Proprietary Era, 1629-1729 Lindley S. Butler, 2022-03-10 In this book Lindley S Butler traverses oft noted but little understood events in the political and social establishment of the Carolina colony In the wake of the English Civil Wars in the mid seventeenth century King Charles II granted charters to eight Lords Proprietors to establish civil structures levy duties and taxes and develop a vast tract of land along the southeastern Atlantic coast Butler argues that unlike the New England theocracies and Chesapeake plantocracy the isolated colonial settlements of the Albemarle the cradle of today's North Carolina saw their power originate neither in the authority of the church nor in wealth extracted through slave labor but rather in institutions that emphasized political legal and religious freedom for white male landholders Despite this distinct

pattern of economic legal and religious development however the colony could not avoid conflict among the diverse assemblage of Indigenous European and African people living there all of whom contributed to the future of the state and nation that took shape in subsequent years Butler provides the first comprehensive history of the proprietary era in North Carolina since the nineteenth century offering a substantial and accessible reappraisal of this key historical period

Redistricting and Gerrymandering in North Carolina J. Michael Bitzer, 2021-09-14 This book gives a historical and contemporary overview of the redistricting process using North Carolina for the different political electoral and legal issues and debates over the practice of drawing legislative district boundaries Redistricting has been characterized as the most political activity in America and North Carolina has often been at the heart of recent controversies over this particular activity In fact the Tar Heel state was once described as long notorious for its outrageous reapportionment Through legislative construction to significant legal challenges the Tar Heel state has been a noted case study for the past thirty years From the contentious issues of redistricting principles to the matters of gerrymandering based on race and politics North Carolina's past three decades have seen major U S Supreme Court cases deal with redistricting controversies By exploring this state's dealings with gerrymandering and redistricting readers will have a better sense of the dynamics facing the nation as it confronts the 2020 Census and the subsequent redistricting efforts in 2021 [Matt W. Ransom, Confederate General from North Carolina](#) Clayton Charles Marlow, 2006-07-19 On May 8 1861 Matt Ransom resigned from the North Carolina House of Commons and accepted a commission as a Confederate officer Like many North Carolinians Ransom had been reluctant to see his state leave the Union though he owned slaves at the onset of the war he strongly believed that slavery was a doomed institution However the action at Fort Sumter South Carolina had made his course of action all but inevitable Despite the fact he was without military experience or training Ransom saw it as his duty to join the Confederate forces He left behind a young family and courageously fought Union forces until the end of the war his brigade was present at Appomattox for Robert E Lee's surrender He was twice wounded in battle and was widely recognized as an effective and highly competent leader by enlisted men and officers alike After the war he returned to his beloved North Carolina and following considerable hardship rebuilt his plantation *The Colonial Towns of Piedmont North Carolina* Christopher E. Hendricks, 2024-11-15 How do towns come into existence What circumstances determine whether they succeed or fail In *The Colonial Towns of Piedmont North Carolina* author Christopher E Hendricks looks at one region in eighteenth century America to explore answers to these questions He examines the establishment and development of eleven towns in the Piedmont classifying them into three types county towns formed by the establishment of government institutions such as a courthouse trade towns formed around commercial opportunities and religious towns such as the three towns developed in Wachovia a region where Moravians settled He uses these classifications to tell the stories of how these towns came into being and how in their development they struggled against economic cultural and political challenges Ultimately The

Colonial Towns of Piedmont North Carolina deepens our understanding of the influence that American towns had on the settlement of the backcountry Hendricks tells the poignant story of the Moravians struggle to maintain their neutral stance during the Revolutionary War surviving exploitation and brutality from both the Continental Army and the British The author also integrates the history of Native Americans into this mix of competing forces and shows how they were challenged by and resisted the newcomers He emphasizes the role of individual initiative as well as the impetus of government specifically courthouses in establishing towns By utilizing a variety of rarely examined primary sources methodological approaches ranging from geographic theory to material culture studies and a deep examination of local history Hendricks provides a comprehensive analysis of the emergence of these towns on the frontier

North Carolina in the Civil War Michael C. Hardy, 2011-08-04 Civil War scholar Michael Hardy delves into the story of North Carolina's Confederate past from civilians to soldiers as these Tar Heels proved they were a force to be reckoned with First at Bethel farthest at Gettysburg and Chickamauga and last at Appomattox is a phrase that is often used to encapsulate the role of North Carolina's Confederate soldiers Tar Heels witnessed the pitched battles of New Bern Averysboro and Bentonville as well as incursions like Sherman's March and Stoneman's Raid The state was one of the last to leave the Union but contributed more men and sustained more dead than any other Southern state This inclusive history of the Old North State is a must read for any Civil War buff

It Happened in North Carolina Scotti Cohn, 2009-11-10 A fascinating collection of thirty compelling stories about events that shaped the Tar Heel State It Happened in North Carolina describes everything from one of the first incidences of American resistance against British rule to a courageous milestone in the civil rights movement

A Primary Source History of the Colony of North Carolina Phillip Margulies, 2005-12-15 Uses primary source documents to provide an in depth look into the history of the colony of North Carolina and includes a timeline glossary and primary source image list

North Carolina's Revolutionary Founders Jeff Broadwater, Troy L. Kickler, 2019-03-27 This collection of essays profiles a diverse array of North Carolinians all of whom had a hand in the founding of the state and the United States of America It includes stories of how men who stood together to fight the British soon chose opposing sides in political debates over the ratification of the supreme law of the land the Constitution It also includes accounts of women freedmen and Native Americans whose narratives shed light on the important roles of marginalized peoples in the Revolutionary South Together the essays reveal the philosophical views and ideology of North Carolina's revolutionaries Contributors Jeff Broadwater Jennifer Davis Doyle Lloyd Johnson Benjamin R Justesen Troy L Kickler Scott King Owen James MacDonald Maggie Hartley Mitchell Karl Rodabaugh Kyle Scott Jason Stroud Michael Toomey and Willis P Whichard

Slavery in Wilkes County, North Carolina Larry J. Griffin, 2017-06-26 Slavery is a tragic chapter in the history of Wilkes County with a lasting legacy Prominent businessmen and celebrated civic leaders like General William Lenoir and William Pitt Waugh were among the county's largest slaveholders Judith Williams Barber endured forty five years of slavery and garnered respect from both white and black

residents Her story is linked to free person of color and noted landowner Henderson Waugh whose illustrious slaveholding white father connected the two families one slave and the other free Author Larry Griffin takes readers on an emotional journey to separate fact from myth as he chronicles the history of slavery in Wilkes County Prominent businessmen and celebrated civic leaders like General William Lenoir and William Pitt Waugh were among the county s largest slaveholders Judith Williams Barber endured forty five years of slavery and garnered respect from both white and black residents Her story is linked to free person of color and noted landowner Henderson Waugh whose illustrious slaveholding white father connected the two families one slave and the other free Author Larry Griffin takes readers on an emotional journey to separate fact from myth as he chronicles the history of slavery in Wilkes County Along the Cape Fear Susan Taylor Block,1998

The New Politics of North Carolina Christopher A. Cooper,H. Gibbs Knotts,2012-09-01 Political scientist V O Key in 1949 described North Carolina as a progressive plutocracy He argued that in the areas of industrial development public education and race relations North Carolina appeared progressive when compared to other southern states Reconsidering Key s evaluation nearly sixty years later contributors to this volume find North Carolina losing ground as a progressive leader in the South The new politics of the state involves a combination of new and old new opportunities and challenges have forced the state to change but the old culture still remains a powerful force In the eleven essays collected here leading scholars of North Carolina politics offer a systematic analysis of North Carolina s politics and policy placed in the context of its own history as well as the politics and policies of other states Topics discussed include the evolution of politics and political institutions the roles of governors the judicial branch interest groups and party systems and the part played by economic development and environmental policy Contributors also address how geography affects politics within the state region and nation Designed with students and interested citizens in mind this collection provides an excellent introduction to contemporary North Carolina politics and government Contributors Hunter Bacot Elon University Christopher A Cooper Western Carolina University Thomas F Eamon East Carolina University Jack D Flear Wake Forest University Dennis O Grady Appalachian State University Ferrel Guillory University of North Carolina at Chapel Hill Sean Hildebrand Western Carolina University Jonathan Kanipe Town Manager Catawba North Carolina H Gibbs Knotts Western Carolina University Adam J Newmark Appalachian State University Charles Prysby University of North Carolina at Greensboro Ruth Ann Strickland Appalachian State University James H Svava Arizona State University Timothy Vercellotti Rutgers University

The State of North Carolina with Native American Ancestry Milton E. Campbell,2011-05-09 More than 50 000 Indians lived in the area now known as North Carolina at the time of Christopher Columbuss arrival in the New World The Formation North Carolina Coastal and Eastern Counties examines the history of this Native American Indian population It also focuses upon the formation of North Carolina from colonial times tracing the origins of its earliest settlers including Native Americans By the middle of the nineteenth century the number of American Indians on official census rolls had been reduced

drastically possibly due to the threat of removal of people identified as Indians Still the Indian population thrived in spite of governmental attempts to remove them Author Milton E Campbell offers extensive documentation of the survival of Native American Indians and their culture into the twenty first century in North Carolina The first three chapters of the book lay the foundation for chapters discussing individual Native American Tribes within North Carolina Also included is an overview of the surnames that were identified as Indian names in the 1900 Census of Robeson County The conclusion includes three short personal interviews on Native American ancestry in North Carolina Coastal and Eastern Counties Explore the intriguing and fascinating history of eastern North Carolina with this detailed engaging study

North Carolina Through Four Centuries Introduction

In the digital age, access to information has become easier than ever before. The ability to download North Carolina Through Four Centuries has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download North Carolina Through Four Centuries has opened up a world of possibilities. Downloading North Carolina Through Four Centuries provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading North Carolina Through Four Centuries has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download North Carolina Through Four Centuries. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading North Carolina Through Four Centuries. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading North Carolina Through Four Centuries, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download North Carolina Through Four Centuries has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About North Carolina Through Four Centuries Books

1. Where can I buy North Carolina Through Four Centuries books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a North Carolina Through Four Centuries book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of North Carolina Through Four Centuries books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
