KJ Lindholm-Leary

North Of Cheyenne:

North of Cheyenne John D. Nesbitt, Monte Casteel hadn't planned on staying long when he rode into the small Wyoming town of Eagle Spring. He was just a ranch hand with no work between seasons. But even before he got into town someone warned him it might be better for his health if he kept on riding and Monte hated to be told what to do. It got even tougher to leave when he saw Dora in the street. She was the girl he'd pined after for so long though she never seemed to care much for him. They may not have been the best reasons to stay around but they were good enough for Monte. He didn't know yet that he had one great reason to ride out of town fast: a range war was brewing, hired guns were coming in and before long Monte would find himself caught right in the middle. **Rock Climbing Colorado** Stewart M.
