TO ASSASSINATE ADMIRAL YAMAMOTO

BY CHRISTOPHER WOOD

North to Rabaul

A silhouette illustration depicting a group of soldiers in a tropical setting. The soldiers are shown in profile, walking from left to right. They are carrying equipment, and one appears to be carrying a large object on a pole. In the background, there are several palm trees. The entire scene is set against a warm, orange and yellow background that suggests a sunset or sunrise. The illustration is positioned behind the title text, with the word 'Rabaul' partially overlapping it.

Imagining the Other Regis Tove Stella,2007-04-30 Much has been written about Papua New Guinea over the last century and too often in ways that legitimated or served colonial interests through highly pejorative and racist descriptions of Papua New Guineans Paying special attention to early travel literature works of fiction and colonial reports laws and legislation Regis Tove Stella reveals the complex and persistent network of discursive strategies deployed to subjugate the land and its people **Book Review Index** ,1980-09 **The Dime Novel in Children's Literature** Vicki Anderson,2014-10-16 With their rakish characters sensationalist plots improbable adventures and objectionable language like swell and golly dime novels in their heyday were widely considered a threat to the morals of impressionable youth Roundly criticized by church leaders and educators of the time these short quick moving pocket sized publications were also inevitably wildly popular with readers of all ages This work looks at the evolution of the dime novel and at the authors publishers illustrators and subject

matter of the genre Also discussed are related types of children s literature such as story papers chapbooks broadsides serial books pulp magazines comic books and today s paperback books The author shows how these works reveal much about early American life and thought and how they reflect cultural nationalism through their ideological teachings in personal morality and ethics humanitarian reform and political thought Overall this book is a thoughtful consideration of the dime novel s contribution to the genre of children s literature Eight appendices provide a wealth of information offering an annotated bibliography of dime novels and listing series books story paper periodicals characters authors and their pseudonyms and more A reference section index and illustrations are all included

The Hooligans P. T. Deutermann, 2020-07-28 A gripping and authentic World War II naval adventure by a master storyteller The Hooligans fictionalizes the little known but remarkable exploits of The Hooligan Navy that fought in the Pacific theatre of World War II Loosely organized in fast moving squadrons PT patrol torpedo boats were the pesky nemesis of the formidable Japanese navy dubbed the mosquito fleet and devil boats for their daring raids against warships tankers and transport ships After the Pearl Harbor raid plunges America into war young surgical resident Lincoln Anderson enlists in the Navy medical corps His first deployment comes in August 1942 at Guadalcanal when after a brutal sea battle and the landing of Marines on the island Anderson finds himself triaging hundreds of casualties under relentless Japanese air and land attacks But with the navy short of doctors soon Anderson is transferred to serve aboard a PT boat From Guadalcanal to the Solomon Islands to the climactic tide turning battle of Leyte Gulf Anderson and the crew members of his boat confront submarines and surface ships are attacked from air by the dreaded Kawanishi flying boats and hunted by destroyers In the end Anderson must lead a division of boats in a seemingly impossible mission against a Japanese battleship formation and learn the true nature of his

character informed by P T Deutermann's own experience as a commander of a patrol gunboat in Vietnam. The Hooligans is first rate military adventure fiction. U.S.A. ,1944 *Meat Pies & Russian Spies: The Third Tibu & Tovaira Novel* Andy Fletcher,2020-03-02 This book is the third Tibu Tovaira Novel and is set in South Australia and Papua New Guinea. It begins in the early sixties semi rural Belair South Australia where some of the neighborhood boys overhear a Russian message on a crystal radio set. This triggers a series of events which has the boys hiding two Russian Defectors from the KGB. Ramale Sorcerer Tomarum has a vision of one of the Australian boys being shot by the Russians so sends Tibu Tovaira travelling through time from 1942 War torn Rabaul to the Coorong in South Australia. The book draws once again on the wonderful Tolai Culture of East New Britain Sorcery and a secret Men's Society. The book also sees Tibu Tovaira heading off to Tol to investigate reports of a massacre by the invading Japanese in 1942. **The Last Word: A Novel of the War in the Pacific** Ron Miner,2022-10-27 In the year 2038 the last surviving veteran of World War II offers his final testament to a small town journalist who learns more about himself than he anticipates as he records tales of duty, courage and friendship during war and of a life well loved and lived. Dan Callahan doesn't know why he landed this coveted assignment or what to expect from 112 year old Owen Trimbel currently living with his daughter on a rural Minnesota farm even now beyond the reach of pervasive tech. But he sensed that it might be one of those rare opportunities to capture something singular, living memories from the last of a resilient, resourceful and determined generation, a veteran from a war and a time encased in sepia tones in the minds of a distracted public. He finds his subject waning but still humored by life and surprisingly keen of mind. Dan spends the next three days riveted to Owen's adventures as a young gunner with a night flying crew transported with him from New Guinea to the Mariana Islands on harrowing rescue missions to remote river outposts and long flights over endless black seas broken only by sightings of enemy ships below. And finally sweet homecoming complicated by the challenges Owen faces navigating a new life of unfamiliar circumstances and some very old secrets. Although fictionalized, *The Last Word* is an amalgam of stories and characters shaped and informed by filmed interviews with ten real life squadron members who served in the Pacific during World War II and who graced the author with their time and narratives and importantly their wisdom and good friendship. **George Fetherling's Travel Memoirs 3-Book Bundle** George Fetherling,2017-11-22 The travel writing of celebrated writer George Fetherling is filled with vivid prose and bizarre characters. Includes *One Russia Two Chinas*, A travel narrative written over the course of ten years. *One Russia Two Chinas* is about change and resistance to change in the postmodern world. A valuable document that freezes some important world events for close inspection. *Running Away to Sea*, Round the World on a Tramp Freighter. At a turning point in his life, George Fetherling embarked on an adventure to sail round the world on one of the last of the tramp freighters. The four month voyage carried him 30 000 nautical miles from Europe via the Panama Canal to the South Pacific and back by way of Singapore, Indonesia, the Indian Ocean and Suez. Written with dash, colour and droll humour, Fetherling's narrative is peopled by a rich cast of characters from

the Foreign Legionnaires of French Polynesia to the raskol gangs of Papua New Guinea Indochina Now and Then George Fetherling recounts multiple journeys through Vietnam Laos and Cambodia keeping an eye peeled and an ear cocked for whatever faint traces of French rule might remain Indochina Now and Then is a travel narrative that leaves an indelible impression in the readers imagination
