

North To Share The Sisters If Saint Ann

Doris Weatherford

North To Share The Sisters If Saint Ann:

North to Share Margaret Cantwell, Mary George Edmond, Sisters of Saint Ann (Victoria, B.C.), 1992 *The Lord's Distant Vineyard* Vincent J. McNally, 2000-08 Dr McNally critically examines well over 150 years of Oblate and general Catholic history in Canada's western most province with special emphasis on the Native people and Euro Canadian settlers It is the first survey history of the Catholic Church in British Columbia *Place and Practice in Canadian Nursing History* Jayne Elliott, Meryn Stuart, Cynthia Toman, 2009-05-01 The close association between nurses and hospitals obscures the diversity and complexity of nursing work in other contexts This collection looks at nurses and nursing in a wide range of settings from the mid 1800s to the 1970s including indigenous women on the Canadian prairies First World War nurses posted overseas outpost nurses in rural and remote areas of Saskatchewan Ontario and Quebec public health nurses in Winnipeg and religious congregations in nursing education in New Brunswick The contributors use feminist and historical perspectives to illustrate how place understood as both social context and geographic setting shaped nursing identities and practices Many nurses found place both liberating and constraining often simultaneously Paying attention to place also situates these nurses and their work within larger historical themes of nation building war and political change **On All Frontiers** Christina Bates, Dianne Dodd, Nicole Rousseau, 2005-04-30 Nursing has a long and varied history in Canada Since the founding of the first hospital by the Augustine nuns in 1637 nurses have contributed greatly to Canadians quality of life On All Frontiers is a comprehensive history of Canadian nursing Editors Christina Bates Dianne Dodd and Nicole Rousseau have brought together a vast body of research into one volume Authored by leading experts the chapters and vignettes form an overview of the history of Canadian nursing to date From the midwives of early Canada to urban public health nurses from remote outposts to the battlefields of Europe On All Frontiers documents the hardships challenges and achievements of Canadian nurses Richly illustrated with archival photographs it is an essential read for scholars of Canadian health care history Published in English **Treadwell Gold** Sheila Kelly, 2011-02-15 A century ago Treadwell Alaska was a featured stop on steamship cruises a rich up to date town that was the most prominent and proud in all Alaska Its wealth however was founded on the remarkably productive gold mines on Douglas Island and when those caved in and flooded in the early decades of the twentieth century Treadwell sank into relative obscurity Treadwell Gold presents first person accounts from the sons and daughters of the miners machinists hoist operators and superintendents who together dug and blasted the gold that made Treadwell rich Alongside these stories are vintage photos that capture both the industrial vigor of the mines and the daily lives that made up Treadwell society The book will fascinate anyone interested in Alaskan history or the romance of gold mining's past **Once Upon a Wedding** Nancy Millar, 2000 Find out about the west's first society weddings mail order brides honeymoon trips from hell no honeymoons at all wedding dresses from the catalogue double weddings wartime weddings picture brides and grooms happy ever after endings and perfectly horrible endings It's a history book that doesn't

sound like a history book A pleasurable way of learning more about Canada between 1860 and 1945 *Indian Placenames in America* Sandy Nestor, 2015-05-07 The American Indians have lost much of their land over the years but their legacy is evident in the many places around the United States that have Indian names Countless placenames have however been corrupted over time and numerous placenames have similar spellings but different meanings This reference work is a reprint in one combined volume of the two volume set published by McFarland in 2003 and 2005 Volume One covers the name origins and histories of cities towns and villages in the United States that have Indian names It is arranged alphabetically by state then alphabetically by city town or village name Additional data include population figures and county names Probable Indian placenames with no certain origin also receive entries and as much history as possible is provided about those locations Volume Two covers more than 1400 rivers lakes mountains and other natural features in the United States with Indian names It is arranged by state and then alphabetically by natural feature Counties are provided for most entries with multiple counties listed for some entries where appropriate In addition to name origins and meanings geophysical data such as the heights of mountains and lengths of waterways are indicated **Women of the Klondike** Frances Backhouse, 1995 Here are the stories of those fascinatingly diverse women entrepreneurs domestics nuns doctors nurses and journalists who played a critical role in the Klondike gold rush at the turn of the century **Travels Among the Dena** Frederica de Laguna, 2011-10-01 This robust and engaging travel narrative re creates a remarkable adventure in the summer of 1935 when Frederica de Laguna then in her late 20s led a party of three other scientists down the rivers of the middle and lower Yukon valley making a geological and archaeological reconnaissance De Laguna has based her story on her field notes journals and letters home She augments this first hand account with excerpts from the reports of earlier explorers and data published after her trip The result is a fascinating and informative cross cut of historical events along the Yukon River and its tributaries Travels Among the Dena chronicles the expedition from its outfitting in Seattle and the trip by steamer and railway to Fairbanks and Nenana through an 80 day journey on skiffs down the Tanana and Yukon rivers to Holy Cross near the coast with side trips on the Koyukuk Khotol and Innoko rivers before a one day return flight to Fairbanks with pioneer bush pilot Noel Wien Maps illustrate the route taken downriver and the author s photographs capture images of the time The resulting volume is both a delightful addition to the literature of travel adventure in Alaska and an important contribution to the discipline of anthropology *Canadian Books in Print. Author and Title Index* , 1975 **A History of Women in the United States** Doris Weatherford, 2004 This four volume reference is intended for high school students and above as well as the general public The first volume opens with introductory essays on the history of feminism on women in various eras from early America through World War II and postwar eras and on women s history in terms of political participation and social activism race and ethnicity and cultural representation These essays are signed and include references Following are alphabetically arranged state articles each opening with a literary quote by a woman and comprising a narrative history

supplemented with boxed features spotlighting events people and trends a timeline a biographical section on prominent women a description of relevant sites resources a state map primary document excerpts and a chart of key statistical information Appendices include a chronology primary documents statistical tables and an extensive general bibliography Numerous scholars contributed working under the editorial leadership of Weatherford U of South Florida Annotation 2004 Book News Inc Portland OR booknews com

"Must We All Die?" Robert Fortune, 2005 Alaska Natives have struggled with the white plague of tuberculosis for centuries At last physician and historian Robert Fortune brings their story to light He provides a comprehensive account of tuberculosis from its earliest occurrence in prehistory through the latest outbreaks made more threatening by HIV AIDS Fortune describes the courage and self sacrifice of itinerant nurses who endured challenging and often dangerous conditions as well as the efforts of doctors who fought cuts in funding as valiantly as they battled for the lives of their patients Fortune chronicles the removal of tuberculosis victims many of them children from their families and villages to hospitals in the Lower 48 states He describes treatments medical advances and day to day life for the nurses physicians missionaries and teachers who worked to stem the tide that killed and disabled thousands The struggle against tuberculosis in Alaska is a story of triumph against untold suffering and crippling odds but it is also a cautionary tale as an increasingly resistant strain of this disease has emerged in the twenty first century *Must We All Die* is an encyclopedic contribution to the history of medicine and a tribute to those who fought tuberculosis and to the Alaska Natives who endured a cruel disease that destroyed families and ravaged villages

A Kindly Providence Louis Renner, 2010-08-31 This comprehensive and illustrated volume is both a rich history of the Catholic Church in Alaska and the autobiography of Fr Louis Renner S J who was a dedicated missionary in Alaska for 40 years He tells here a compelling story of a full and fascinating life in service of the people and the Church of Alaska amid the incredible natural beauties challenging elements and vast regions of the Great Land Beautifully interweaving the history of the people and Church in Alaska Fr Renner tells his story of a dedicated missionary priest who loved the people he served A scholar a teacher and always a Jesuit priest he taught German and Latin at the University of Alaska Fairbanks edited the Catholic newsletter *The Alaskan Shepherd* and ran missions at two different Indian villages on the Yukon River This pastoral priest became a friend to people in all sectors of Alaskan society Tony Knows the governor of Alaska even presented him with the Governor's Award for Friend of the Humanities The outline of Fr Renner's life is fleshed out richly in *A Kindly Providence* One reviewer writes that all is there a clear picture of his life Renner is a very good writer technically competent and very interesting He kept this reader's interest throughout the 500 plus page book I really wanted to see how it ended Another writes Once I started to read it I couldn't put it down I had to finish it Rich in detail this book is a wonderful testimony to a model life of a happy priest in the twentieth century The book is based not only on Fr Renner's remarkable memory but also on his personal diaries and correspondence on official documents and on accounts written by him of his unusual adventures during over forty years in Alaska Substantial

quotes from diaries letters and official documents give readers a feeling of being actually present at those events in far off places The many photographs illustrating the narrative lend an air of immediacy and give us a vicarious experience of the author s personal life *Canadian Women* Alison L. Prentice,1996 *Western Oblate Studies* ,1996 Victoria Illustrated Victoria (B.C.),1891 Review the Federal Food Stamp Program and Its Impact on Children's Health United States. Congress. House. Committee on Agriculture. Subcommittee on Department Operations, Oversight, Nutrition, and Forestry,2007 Canadian Books in Print 2002 Marian Butler,2002-02 **The Churchman** ,1927 *PNLA Quarterly* Pacific Northwest Library Association,1993
