North Shore Line Memories George V. Campbell, 1980

Creating Chicago's North Shore Michael H. Ebner, 1988

They are the suburban jewels that crown one of the world's premier cities Evanston Wilmette Kenilworth Winnetka Glencoe Highland Park Lake Forest Lake Bluff together they comprise the North Shore of Chicago a social registry of eight communities that serve as a genteel enclave of affluence culture and high society Historian Michael H Ebner explains the origins and evolution of the North Shore as a distinctive region At the same time he tells the paradoxical story of how these suburbs with their common heritage mutual values and shared aspirations still preserve their distinctly separate identities

Embedded in this history are important lessons about the uneasy development of the American metropolis *Railfan &*
