Northcoast Shakedown:

Northcoast Shakedown James R. Winter, 2005 Life is good for Nick Kepler The Cleveland based private investigator gets free office space secretarial help and plenty of work from his former employers at an insurance company It s a sweet deal until a manager gives him a couple of referrals One is to a life insurance underwriter desperate to save his job It seems the holder of a two million dollar policy had a heart attack putting the underwriter in danger of the unemployment line Kepler thinks he can mail this one in since the claims manager is ready to pay That same day the wife of a powerful attorney wants to know if her husband is being indiscreet She s concerned about his political ambitions which doesn t sit well with Kepler He doesn t do political cases He takes the case though since the client offers a larger than usual fee for his time A simple cheating spouse case and a quick background check right Wrong In Northcoast Shakedown Kepler finds himself in the middle of something much more complex and dangerous than he anticipated The two cases become intertwined with consequences reaching into local political circles management at Kepler s former company and to the seedy underside of Cleveland

Shakedown Cruise Nigel Calder, 2018-05-01 Long before he was one of America s leading yachting writers Nigel Calder was a novice cruiser with ambitions grander than his experience Nigel and his partner Terrie were young and foolish with a home built boat that was new and untested one child already and another on the way but they were determined to complete an adventurous 18 month voyage from New Orleans to Venezuela and back It was the voyage that made Calder the yachtsman he is today a marvellous romp through the West Indies seeing an unspoilt Caribbean while learning hard won lessons from direct experience troubleshooting engines kedging off shoals and reefs and most importantly navigating Nada a yacht that quickly became very much part of the burgeoning Calder family too An adventure story and a colourful travelogue in one Shakedown Cruise is a must read for all who are curious about what it takes to become a cruising sailor or create an adventurous life as well as those who are just looking to sail along with Nigel and his family

Northcoast Shakedown Jim Winter, 2018-12-11 Sex lies and insurance fraud Freelance insurance investigator Nick Kepler has a sweet gig Scoring office space and secretarial help from his former employer they send him three cases that look like softballs a dubious life insurance case meant more to save the underwriter than any company money a worker comp cheat and a referral to a politician s wife with suspicions What he does not expect is how they all tie together When the connection becomes apparent Kepler finds himself suspecting there is more to this than a cheating spouse and an ill timed heart attack He soon finds himself entangled in a web of sexual deviance fraud and even a decades old murder all uncomfortably close to Cleveland s elite

Naval Presence and the Interwar US Navy and Marine Corps Benjamin Armstrong, 2023-07-26 This book examines the US Navy and Marine Corps during the interwar years from a new perspective Rather than focusing on the technologies developed the wargames conducted or the results of the now famous Fleet Problems this work analyzes the global deployments of the rest of the US fleet By examining the annual reports of the Secretary of the Navy the Chief of Naval

Operations and the Commandant of the Marine Corps over 20 years the book traces the US ships squadrons and fleets conducting naval diplomacy and humanitarian missions maritime security patrols and deployments for deterrent effect across the world's oceans Despite the common label of the interwar years as isolationist the deployments of the US Navy and Marine Corps in that period were anything but isolated The majority of the literature on the era has a narrow focus on preparation for combat and wartime which provides an incomplete view of the history of US naval power and also establishes a misleading set of precedents and historical context for naval thinkers and strategists in the contemporary world Offering a wider and more complete understanding of the history of the U S Navy and Marine Corps from 1920 to 1939 this book demonstrates the tension between the execution of peacetime missions and the preparation for the next war while also offering a broader understanding of American naval forces and their role in American and global history This book will be of much interest to students of naval and military history sea power and International History [The Publishers Weekly](#) ,2005

Dictionary of American Naval Fighting Ships ,1991 *Hunter's Moon* Philip Caputo,2019-08-06 Powerful Caputo's wisdom runs deep Few writers have better captured the emotional lives of men The New York Times Book Review From Philip Caputo the author of *A Rumor of War* *The Longest Road* and *Some Rise By Sin* comes a captivating mosaic of stories set in a small town where no act is private and the past is never really past *Hunter's Moon* is set in Michigan's wild starkly beautiful Upper Peninsula where a cast of recurring characters move into and out of each other's lives building friendships facing loss confronting violence trying to bury the past or seeking to unearth it Once a year lovers old high school buddies on a hunting trip a college professor and his wayward son a middle aged man and his grief stricken father come together break apart and if they're fortunate find a way forward *Hunter's Moon* offers an engaging insightful look at everyday lives but also a fresh perspective on the way men navigate in today's world *Dictionary of American Naval Fighting Ships: Historical sketches: Letters N through S. Appendices: Submarine chasers (SC), Eagle-class patrol craft (PE)* United States. Naval History Division,1959 **Yarns** Tristan Jones,2014-04-01 A pleasure a brilliant collection of yarns about a British mariner's life his sailing adventures and his thoughts about man and the sea Lloyd's List In *Yarns* legendary sailor and adventurer Tristan Jones tells stories of his remarkable life at sea Along with tales of the beautiful cruises he has made around the world and the memorable people he has met along the way Jones has advice for his readers on everything from captaining a boat to engaging with locals in remote locations He proposes his own theory for the mystery of the ghost ship *Mary Celeste* Other yarns include a story of a troubled steamship his accounts of an unlikely salvage operation in Ibiza a strange rendezvous on the coast of Africa and his chance encounter with a renowned American sailor Jones even shares what prompted him to begin writing in the first place a turn of fortune that sailing and reading fans have lauded him for ever since The characters and capers including a Sherlock Holmes style mystery pour deliciously from the pen of this legendary adventurer *Cruising World*

Faded Glory Thomas E. Alexander,Dan K. Utey,2012-09-24 Each of the wars fought by Texans spawned the creation of

scores of military sites across the state from the lonely frontier outpost at Adobe Walls to the once bustling World War II shipyards of Orange Today although vestiges of the sites still exist many are barely discernible their once proud martial trappings now faded by time neglect the elements and most of all public apathy In *Faded Glory A Century of Forgotten Texas Military Sites Then and Now* Thomas E Alexander and Dan K Utley revisit twenty nine sites many of them largely forgotten associated with what was arguably the most tumultuous hundred year period in a five century span of Texas history Whether in the war with Mexico the American Civil War in clashes between Indians and the frontier army or in two worldwide conflicts fought on foreign shores Texas and Texans have often answered the call to arms Beginning in 1845 and continuing through 1945 the Lone Star State and its people were fully involved in seven major conflicts In this thoroughly researched and absorbing guide Alexander and Utley recount the full story of the sites from their days of fame to the present Comparing historic sketches paintings and period photographs of the original installations with recent photographs they illustrate how time has dealt with these important places Providing maps to aid readers in locating each site the authors close with a resounding call for preservation and interpretation for future generations The descriptions and images restore at least in the mind s eye a touch of vitality and color to these forgotten and disappearing sites Thanks to *Faded Glory A Century of Forgotten Texas Military Sites Then and Now* both the traveler and the armchair tourist can recover a sense of these places and events that did so much to shape the military history of Texas
