Northern Suns The New Anthology Of Canadian Science Fiction:

Northern Suns David G. Hartwell, Glenn Grant, 1999 Presents a new collection of speculative fiction by Margaret Atwood W P Kinsella Robertson Davies Nancy Kilpatrick John Clute Scott Mackay and Geoff Ryman **The Canadian Alternative** Klaus Martens, 2004 **A Companion to Science Fiction** David Seed, 2008-06-09 A Companion to Science Fiction assembles essays by an international range of scholars which discuss the contexts themes and methods used by science fiction writers This Companion conveys the scale and variety of science fiction Shows how science fiction has been used as a means of debating cultural issues Essays by an international range of scholars discuss the contexts themes and methods used by science fiction writers Addresses general topics such as the history and origins of the genre its engagement with science and gender and national variations of science fiction around the English speaking world Maps out connections between science fiction television the cinema virtual reality technology and other aspects of the culture Includes a section focusing on major figures such as H G Wells Arthur C Clarke and Ursula Le Guin Offers close readings of particular novels from Mary Shelley's *Frankenstein* to Margaret Atwood's *The Handmaid's Tale* **Science Fiction, Canonization, Marginalization, and the Academy** Gary Westfahl, George Slusser, 2002-01-30 Science fiction occupies a peculiar place in the academic study of literature For decades scholars have looked at science fiction with disdain and have criticized it for being inferior to other types of literature But despite the sentiments of these traditionalists many works of science fiction engage recognized canonical texts such as the *Odyssey* and many traditionally canonical works contain elements of science fiction More recently the canon has been subject to revision as scholars have deliberately sought to include works that reflect diversity and have participated in the serious study of popular culture But these attempts to create a more inclusive canon have nonetheless continued to marginalize science fiction This book examines the treatment of science fiction within the academy The expert contributors to this volume explore a wide range of topics related to the place of science fiction in literary studies These include academic attitudes toward science fiction the role of journals and cultural gatekeepers in canon formation and the marginalization of specific works and authors by literary critics In addition the volume gives special attention to multicultural and feminist concerns In discussing these topics the book sheds considerable light on much broader issues related to the politics of literary studies and academic inquiry **Science Fiction from Quebec** Amy J. Ransom, 2009-05-20 This first book length study of French language science fiction from Canada provides an introduction to the subgenre known as SFQ science fiction from Quebec In addition it offers in depth analyses of SFQ sagas by Jacques Brossard Esther Rochon and Elisabeth Vonarburg It demonstrates how these multivolume narratives of colonization and postcolonial societies exploit themes typical of postcolonial literatures including the denunciation of oppressive colonial systems the utopian hope for a better future and the celebration of tolerant pluralistic societies A bibliography of SFQ available in English translation is included **Worlds of Wonder** Camille R. La Bossière, Jean-François Leroux, 2004 Grade level 10 11 12 i s t *The*

100 Most Popular African American Authors Bernard A. Drew, 2006-11-30 Here's a one-stop resource containing 100 profiles of your favorite contemporary African American writers along with complete lists of their works. Focusing on writers who have made their mark in the past 25 years, this guide stresses African American writers of popular and genre literature from Rochelle Alers and Octavia Butler and Samuel Delaney to Walter Mosley and Omar Tyree, with a few classic literary giants also included. Short profiles provide an overview of the author's life and summarize his or her writing accomplishments. Many are accompanied by black and white photos of the author. The biographies are followed by a complete list of the author's published works. Where can you find information about popular contemporary African American authors? Web sites can be difficult to locate and unreliable, particularly for some of the newer authors, and their contents are inconsistent and often inaccurate. Although there are a number of reference works on African American writers, the emphasis tends to be on historical and literary authors. Here's a single volume containing 100 profiles of your favorite contemporary African American writers along with lists of their works. Short profiles provide an overview of the author's life and summarize his or her writing accomplishments. Many are accompanied by black and white photos of the author. The biographies are followed by a complete list of the author's published works. Focusing on writers who have made their mark in the past 25 years, this guide covers African American writers of popular and genre literature from Rochelle Alers, Octavia Butler, and Samuel Delaney to Walter Mosley, Omar Tyree, and Zane. A few classic literary giants who are popular with today's readers are also included, e.g., Maya Angelou, Toni Morrison, and Richard Wright. Readers who want to know more about their favorite African American authors or find other books written by those authors, students researching AA authors for reports and papers, and educators seeking background information for classes in African American literature will find this guide invaluable. High school and up.
