## **Northern Lights A Poets Sources:**

Northern Lights George Mackay Brown, G Mackay Brown, 2014-03-13 Many of the places people legends and seasons that formed Brown's vision and work are presented here with poems appearing among the prose Included are memoirs of his parents friends and passing strangers with legends and stories of the places The Poetics of Space and Place in Scottish Literature Monika Szuba, Julian Wolfreys, 2019-04-01 This book addresses the poetics of space and place in Scottish literature Focusing chiefly on twentieth and twenty first century texts with acknowledgement of historical and philosophical contexts the essays address representation narrative form the work of the poetic perception and experience Major genres and forms are discussed and authors as diverse as George Mackay Brown Kathleen Jamie Ken McLeod and Kei Miller are presented through theoretically informed historically contextualized close readings Additionally considering the role of dialect and region in the poetry and fiction of modern Scotland the volume argues for an appreciation of the cultural diversity of Scottish writers while highlighting the overarching presence of a connection between self and world subject and place within Scottish literature George Mackay Brown and the Scottish Catholic Imagination Linden Bicket, 2020-03-31 This lively new study is the very first book to offer an absorbing history of the uncharted territory that is Scottish Catholic fiction For Scottish Catholic writers of the twentieth century faith was the key influence on both their artistic process and creative vision By focusing on one of the best known of Scotland's literary converts George Mackay Brown this book explores both the Scottish Catholic modernist movement of the twentieth century and the particularities of Brown's writing which have been routinely overlooked by previous studies The book provides sustained and illuminating close readings of key texts in Brown's corpus and includes detailed comparisons between Brown's writing and an established canon of Catholic writers including Graham Greene Muriel Spark and Flannery O'Connor This timely book reveals that Brown's Catholic imagination extended far beyond the small green world of Orkney and ultimately embraced a universal human experience **Twentieth-Century Metapoetry and the Lyric Tradition** Daniella Jancsó, 2019-02-19 Twentieth Century Metapoetry and the Lyric Tradition reveals the unique value of metapoems for exploring twentieth century poetry By placing these texts into a hitherto barely investigated literary historical perspective it demonstrates that modern metapoetry is steeped in the lyric tradition to a much greater extent than previously acknowledged Since these literary continuities that cut across epochal boundaries can be traced across all major poetic movements they challenge established accounts of the history of twentieth century poetry that postulate a radical break with the immediate past Moreover the finding that metapoems perpetuate traditional forms and topoi distinguishes metapoetry historically and systematically from metafiction and metadrama After highlighting the most important differences as regards to the function of metareference in poetry on the one side and in fiction and drama on the other the book concludes with a discussion of how to account for these generic differences theoretically With its extraordinarily subtle and perceptive Ronald Bush St John's College Oxford interpretive readings of over one hundred

metapoems by canonical anglophone authors it offers the first representative selection of twentieth century poems about poetry in English

*An Orkney Tapestry* George MacKay Brown, 2021-08-03 First published in 1969 *An Orkney Tapestry* George Mackay Brown's seminal work is a unique look at Orkney through the eye of a poet Originally commissioned by his publisher as an introduction to the Orkney Islands Brown approached the writing from a unique perspective and went on to produce a rich fusion of ballad folk tale short story drama and environmental writing The book written at an early stage in the author's career explores themes that appear in his later work and was a landmark in Brown's development as a writer Above all it is a celebration of Orkney's people language and history This edition reproduces Sylvia Wishart's beautiful illustrations commissioned for the original hardback Made available again for the first time in over 40 years this new edition sits alongside Nan Shepherd's *The Living Mountain* as an important precursor of environmental writing by the likes of Kathleen Jamie Robert Macfarlane Malachy Tallack and most recently Amy Liptrot

**George Mackay Brown** Maggie Fergusson, 2012-06-21 George Mackay Brown was one of Scotland's greatest twentieth century writers but in person a bundle of paradoxes He had a wide international reputation but hardly left his native Orkney A prolific poet admired by such fellow poets as Seamus Heaney Ted Hughes and Charles Causley and hailed by the composer Peter Maxwell Davies as the most positive and benign influence ever on my own efforts at creation he was also an accomplished novelist shortlisted for the 1994 Booker Prize for *Beside the Ocean of Time* and a master of the short story When he died in 1996 he left behind an autobiography as deft as it is ultimately uninformative The lives of artists are as boring and also as uniquely fascinating as any or every other life he claimed Never a recluse he appeared open to his friends but probably revealed more of himself in his voluminous correspondence with strangers He never married indeed he once wrote I have never been in love in my life But some of his most poignant letters and poems were written to Stella Cartwright the Muse of Rose Street the gifted but tragic figure to whom he was once engaged and with whom he kept in touch until the end of her short life Maggie Fergusson interviewed George Mackay Brown several times and is the only biographer to whom he a reluctant subject gave his blessing Through his letters and through conversations with his wide acquaintance she discovers that this particular artist's life was not only fascinating but vivid courageous and surprising

The Cambridge Guide to Literature in English Dominic Head, 2006-01-26 This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the most authoritative and international survey of world literature in English available The Guide covers everything from Old English to contemporary writing from all over the English speaking world There are entries on writers from Britain and Ireland the USA Canada India Africa South Africa New Zealand the South Pacific and Australia as well as on many important poems novels literary journals and plays This new edition has been brought completely up to date with more than 280 new author entries most of them for living authors The general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use This is a unique work of reference for the twenty

first century that no reader or library should be without *George MacKay Brown* Ron Ferguson,2014-08-05 George Mackay Brown is one of the 20th century s finest writers This biography sweeps us along on an enriching literary and spiritual journey Draws on unpublished letters conversations with the enigmatic Bard s friends and well known writers Shortlisted for the Saltire Award Best Research Book of the Year *Scottish Literature* Alan Riach,2022-05-30 What do we mean by Scottish literature Why does it matter How do we engage with it Bringing infectious enthusiasm and a lifetime s experience to bear on this multi faceted literary nation Alan Riach Professor of Scottish Literature at the University of Glasgow sets out to guide you through the varied and ever evolving landscape of Scottish literature A comprehensive and extensive work designed not only for scholars but also for the generally curious Scottish Literature an introduction tells the tale of Scotland s many voices across the ages from Celtic pre history to modern mass media Forsaking critical jargon Riach journeys chronologically through individual works and writers both the famed and the forgotten alongside broad overviews of cultural contexts which connect texts to their own times Expanding the restrictive canon of days gone by Riach also sets down a new core body of Scottish Literature key writers and works in English Scots and Gaelic Ranging across time and genre Scottish Literature an introduction invites you to hear Scotland through her own words **Travellers** George Mackay Brown,2014-03-27 These unknown and sometimes unexpected poems by the Orcadian master have all his characteristic simplicity and power In these poems readers will find new ideas previously unexplored but they will also find those qualities that made George Mackay Brown different from anyone else George Mackay Brown and the Philosophy of Community Timothy C Baker,2009-06-23 In this book Timothy C Baker situates George Mackay Brown s work within a broad literary and philosophical context to articulate how his novels engage with the question of community *The Northern Light* A. Brekke,A. Egeland,2012-12-06 In Nordic literature a remarkable discussion of the northern light appears in Kongespeilet The King s Mirror a thirteenth century Norwegian chronicle It is described in vivid detail as the following translated excerpts demonstrate These northern lights have this peculiar nature that the darker the night is the brighter they seem and they always appear at night but never by day most frequently in the densest darkness and rarely by moonlight In appearance they resemble a vast flame of fire viewed from a great distance It also looks as if sharp points were shot from this flame up into the sky these are of uneven height and in constant motion now one now another darting highest and the light appears to blaze like a living flame Three different theories for the origin of the northern light were suggested in this book Numerous naturally occurring heavenly phenomena have been observed and enjoyed as long as the Earth has been inhabited but hardly any of them has stirred man s imagination curiosity and fear as much as the northern light The northern light is certainly one of the most spectacular of nature s phenomena Upon a White Horse Peter Ross,2025-09-11 I m a card carrying admirer of Peter Ross Robert Macfarlane The prehistoric sites of Britain and Ireland are places of wonder and wondering Who made these structures What did they mean to them And what do they mean to us now Bestselling author Peter Ross journeys from

midwinter at Stonehenge to midsummer at Sycamore Gap Along the way he encounters bog bodies in Dublin a wooden goddess in Edinburgh and a chalk giant in Dorset He asks what it is like to live within the great stone circle at Avebury what rituals occurred in an Anglesey tomb and what draws volunteers to care for the Uffington White Horse These objects and structures speak of the long human story They offer the comfort of recognition and the pleasure of mystery There is something about ancient places that fills a hollow in our souls Upon A White Horse is a celebration of landscape and people and all that is beautiful strange and old PRAISE FOR STEEPLE CHASING A delicious treat Financial Times A charming odyssey The Times Lovely lyrical whimsical elegiac TLS Engaging New Statesman A wonderful book Daily Telegraph

**Norse Mythology A to Z** Facts On File, Incorporated, 2009 Alphabetically listed entries identify and explain the characters events important places and other aspects of Norse mythology *Exploring Scotland's Islands* Terry Marsh, 2024-09-12 Explore the enchanting islands of Scotland with this absorbing and beautiful guide Around the coast of Scotland there are hundreds of islands from bare rugged skerries to lush dominions of history and deep rooted culture Each offers a unique haven to explore whether you enjoy sparkling white sandy beaches miles of untouched land beneath your feet nature spotting among otters puffins seals and more sampling the finest whisky and cheeses or learning more about Scotland's history *Exploring Scotland's Islands* describes the main island groups in all their moods and focuses on what gives these islands such magical and lasting appeal This book is a glorious celebration in words maps illustrations and photographs of some of the most superb scenery in Scotland Discover why these unique isles draw those lucky enough to find them back to visit whenever they can Among captivating descriptive text and beautiful photography *Exploring Scotland's Islands* also provides the reader with essential visitor information such as transport links the most inspiring visitor attractions and sights to see cafés and restaurants not to be missed and where you can stay to make your visits all the more special *The Oxford Handbook of Contemporary British and Irish Poetry* Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent

poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers

**The Bedford Guide for College Writers with Reader, Research Manual, and Handbook** X. J. Kennedy, Dorothy M. Kennedy, Marcia F. Muth, 2011-01-06 With its process oriented rhetoric provocative thematic reader up to date research manual and comprehensive handbook The Bedford Guide for College Writers gives your students the tools they need to succeed as writers all in one book Each of the book s four main components has been carefully developed to provide an engaging well coordinated guide for student writers This edition s new more open design and sharper focus on active learning do even more to help students develop transferable skills The Bedford Guide for College Writers prepares students to be the confident resourceful and independent writers they will need to be

**The Southern Version of Cursor Mundi Vol I: Lines 1-9228** Sarah M. Horrall, 1978 The medieval poem Cursor Mundi is a biblical verse account of the history of the world offering a chronological overview of salvation history from Creation to Doomsday Originating in northern England around the year 1300 the poem was frequently copied in the north before appearing in a southern version in substantially altered form Although it is a storehouse of popular medieval biblical lore and a fascinating study in the eclectic use of more than a dozen sources the poem has until now attracted little scholarly attention This five part collaborative edition presents the Arundel version of the poem with variants from three others In addition it provides a discussion of sources and analogues detailed explanatory notes and a bibliography Published in English

English Poetry and Old Norse Myth Heather O'Donoghue, 2014 English Poetry and Old Norse Myth A History traces the influence of Old Norse myth stories and poems about the familiar gods and goddesses of the pagan North such as Odin Thor Baldr and Freyja on poetry in English from Anglo Saxon times to the present day Especial care is taken to determine the precise form in which these poets encountered the mythic material so that the book traces a parallel history of the gradual dissemination of Old Norse mythic texts Very many major poets were inspired by Old Norse myth Some for instance the Anglo Saxon poet of Beowulf or much later Sir Walter Scott used Old Norse mythic references to lend dramatic colour and apparent authenticity to their presentation of a distant Northern past Others like Thomas Gray or Matthew Arnold adapted Old Norse mythological poems and stories in ways which both responded to and helped to form the literary tastes of their own times Still others such as William Blake or David Jones reworked and incorporated celebrated elements of Norse myth valkyries weaving the fates of men or the great World Tree Yggdrasill on which Odin sacrificed himself as personal symbols in their own poetry This book also considers less familiar literary figures showing how a surprisingly large number of poets in English engaged in individual ways with Old Norse myth English Poetry and Old Norse Myth A History demonstrates how attitudes towards the pagan mythology of the north change over time but reveals that poets have always recognized Old Norse myth as a vital part

of the literary political and historical legacy of the English speaking world      *Gog and Magog in Early Eastern Christian and Islamic Sources* Emeri J. van Donzel, Andrea Barbara Schmidt, 2010 Alexander's Alleged Wall Against Gog and Magog often connected with the enclosure of the apocalyptic people was a widespread theme among Syriac Christians in Mesopotamia In the ninth century Sallam the Interpreter dictated an account of his search for the barrier to the Arab geographer Ibn Khurradadhbih The reliability of Sallam's journey from Samarra to Western China and back 842-45 however has always been a highly contested issue Van Donzel and Schmidt consider the travel account as historical This volume presents a translation of the source while at the same time it carefully looks into other Eastern Christian and Muslim traditions of the famous lore A comprehensive survey reconstructs the political and topographical data As so many other examples this story pays witness to the influence of the Syriac Christian tradition on Koran and Muslim Traditions

Right here, we have countless ebook **Northern Lights A Poets Sources** and collections to check out. We additionally find the money for variant types and after that type of the books to browse. The usual book, fiction, history, novel, scientific research, as with ease as various new sorts of books are readily understandable here.
