

INDIGENOUS PEOPLES OF THE NORTHWEST COAST

Northwest Coast

Leland Donald

Northwest Coast:

The Pacific Northwest Coast Paul D. Komar, 1997 While the coast of the Pacific Northwest becomes ever more populated and developed its beaches and cliffs continue to be altered by ocean currents and winter storms Coastal oceanographer Paul Komar reminds readers of the area's geological and cultural history and the ever present problem of erosion He issues an urgent call for changes in shoreline management and attitudes toward development 41 figures 20 maps 112 photos **The Northwest Coast** Barry M. Gough, 2011-11-01 The voyages of Cook and Vancouver heralded a vast influx of irrepressible Europeans fur traders whalers administrators visitors missionaries miners botanists and sailors people of every class and distinction They came to conquer the Pacific its islands and its continents for God gold and glory They brought with them their morals ideologies knowledge technology plants and animals They also brought diseases rum and guns They brought with them powers to build and powers to destroy from the Epilogue The Northwest Coast was irrevocably changed the day that Captain James Cook sailed into Nootka Sound in 1778 Cook's discovery of the sea otter population along the coast initiated the maritime fur trade which in turn led to feverish competition among several nations especially Britain Russia and the United States as well as the celebrated rivalry between Spain and Britain for control of Nootka By 1812 a toe hold of British empire was established and the aboriginal way of life was shattered The Northwest Coast documents Britain's rise to pre eminence in this far flung corner of the empire It shows how the relentless activities of its commercial interests the adroit use of its naval power and the steely resolve of its diplomats secured British claims to dominion and rights to trade along the Northwest Coast Written by a leading maritime scholar and based on fresh research into known manuscripts and printed works on Pacific trade and exploration this book incorporates new interpretations on exploration and commercial activity in this area It documents the interaction often violent between British sailors and aboriginal people depicts many of the rivalries among British mariners and examines various claims to the discovery of the Northwest Passage The Northwest Coast significantly expands and updates the author's award winning book *Distant Dominion* Gough's compelling narrative combined with his extensive use of quotations from the journals and correspondence of explorers and merchant traders provide insights into the motives and attitudes of these early pioneers of the empire Northwest Coast Madonna L. Moss, 2011-10-03 From the SAA Press Current Perspectives Series this concise overview of the archeology of the Northwest Coast of North America challenges stereotypes about complex hunter gatherers Madonna Moss argues that these ancient societies were first and foremost fishers and food producers and merit study outside socio evolutionary frameworks Moss approaches the archaeological record on its own terms recognizing that changes through time often reflect sampling and visibility of the record itself The book synthesizes current research and is accessible to students and professionals alike *History of the Northwest Coast ...* Hubert Howe Bancroft, 1886 Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America Robin Inglis, 2008-04-02 The Northwest Coast of America ranging from northern

California through Oregon Washington and British Columbia all the way up to Alaska was the last temperate coastline to be placed on the world map First visited by Russians in 1741 and thought to contain a navigable passage between the Pacific and the Atlantic it was systematically revealed during an intense period of exploratory and commercial activity from the 1770s to the 1790s Subsequently the imperial ambitions of Russia Spain and Britain and an assumption of manifest destiny by the United States led to further exploration and ensured that the region would become disputed territory before national boundaries were determined in the mid 19th century The Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America tells of the heroic endeavors and remarkable achievements the endless speculation about a northwest passage and the fighting and manipulation for commercial advantage that surrounded this terrain This is done through an introductory essay a detailed chronology an extensive bibliography modern maps and selected historical maps and drawings and over 400 cross referenced dictionary entries Entries cover the native people encountered the scientists and artists who left an invaluable documentary and visual record of people places flora and fauna the numerous voyages taken by men such as Vitus Bering James Cook Juan Francisco de la Bodega y Quadra and George Vancouver overland expeditions like those of Alexander Mackenzie Simon Fraser Meriwether Lewis and William Clark and David Thompson and maritime fur traders including George Dixon Grigorii Shelikhov Robert Gray and William Sturgis No other dictionary exists that is dedicated solely to the coverage of this region

Household Archaeology on the Northwest Coast Elizabeth A. Sobel, D. Ann Trieu Gahr, Kenneth A. Ames, 2006-07-01 Since the late 1970s household archaeology has become a key theoretical and methodological framework for research on the development of permanent social inequality and complexity as well as for understanding the social political and economic organization of chiefdoms and states This volume is the cumulative result of more than a decade of research focusing on household archaeology as a means to gain understanding of the evolution of social complexity regardless of underlying economy

The Prehistory of the Northwest Coast R. G. Matson, Gary Coupland, 2016-09-16 This volume provides a descriptive overview of the cultural complexity on the northwest coast that stretches from northern California to Alaska Topics covered range from the earliest settlements to the subsequent cultural diversities in Native American populations Maps charts and illustrations further enhance the book's interest and appeal

The Northwest Coast James G. Swan, 1857 The intention of this volume is to give a general and concise account of that portion of the Northwest Coast lying between the Straits of Fuca and the Columbia River P v

Indians of the Pacific Northwest Robert H. Ruby, John Arthur Brown, 1988

NORTHWEST Memoir, Historical and Political, on the Northwest Coast of North America, and the Adjacent Territories Robert Greenhow, 1840 The Memoir relates principally to the southern and middle portions of the northwest coast of this continent and the adjoining territories which have for many years formed the subjects of discussions between the Governments of the United States Great Britain and Russia and it is designed to show the origin nature and extent of the several claims in order to afford the means of correctly estimating the justice of each Page iv

A Native American Encyclopedia Barry Pritzker, 2000 Dispelling myths answering questions and stimulating thoughtful avenues for further inquiry this highly absorbing reference provides a wealth of specific information about over 200 North American Indian groups in Canada and the United States Readers will easily access important historical and contemporary facts about everything from notable leaders and relations with non natives to customs dress dwellings weapons government and religion This book is at once exhaustive and captivating covering myriad aspects of a people spread across a continent Divided into ten geographic areas for easy reference this work illustrates each Native American group in careful detail Listed alphabetically starting with the tribal name translation origin and definition each entry includes significant facts about the

group's location and population as well as impressive accounts of the group's history and culture. Bringing entries up to date, Barry Pritzker also presents current information on each group's government, economy, legal status, and land holdings. Whether interpreting the term "tribe," many traditional Native American groups were not tribes at all but more like extended families, or describing how a Shoshone woman served as a guide on the Lewis and Clark expedition, Pritzker always presents the material in a clear and lively manner. In light of past and ongoing injustices and the momentum of Indian and Inuit self-determination movements, an understanding of Native American cultures as well as their contributions to contemporary society becomes increasingly important. A magnificent resource, this book liberally provides the essential information necessary to better grasp the history and cultures of North American Indians. An Ecological Characterization of the Pacific Northwest Coastal Region: Data source appendix, 1980

Yeah, reviewing a ebook **Northwest Coast** could amass your close associates listings. This is just one of the solutions for you to be successful. As understood, completion does not recommend that you have extraordinary points.

Comprehending as capably as bargain even more than additional will give each success. next to, the broadcast as competently as keenness of this Northwest Coast can be taken as capably as picked to act.
