

Northwest Perspectives

Essays on the Culture of the Pacific Northwest

Compiled and Edited by
Edwin R. Bingham and Glen A. Love

Northwest Perspectives

Raymond D. Gastil, Barnett Singer

Northwest Perspectives:

Northwest Perspectives Edwin Bingham, 1981-02-01 **The Pacific Northwest** Carlos A. Schwantes, 1996-01-01
Carlos Arnaldo Schwantes has revised and expanded the entire work which is still the most comprehensive and balanced history of the region. This edition contains significant additional material on early mining in the Pacific Northwest, sea routes to Oregon in the early discovery and contact period, the environment of the region, the impact of the Klondike gold rush and politics since 1945. Recent environmental controversies such as endangered salmon runs and the spotted owl dispute have been addressed, as has the effect of the Cold War on the region's economy. The author has also expanded discussion of the roles of women and minorities and updated statistical information. *Northwest Perspectives* Edwin R. Bingham, Glen A. Love, 1979 **The Pacific Northwest** Raymond D. Gastil, Barnett Singer, 2010-04-23
The Pacific Northwest for the purposes of this book, mostly Oregon and Washington, has sometimes been seen as lacking significant cultural history. Home to idyllic environmental wonders, the region has been plagued by the notion that the best and brightest often left in search of greater things that the mainstream world was thousands of miles away or at least as far south as California. This book describes the Pacific Northwest's search for a regional identity from the first Indian-European contacts through the late twentieth century, identifying those individuals and groups who at least struggled to give meaning to the Northwest experience. It places particular emphasis on writers and other celebrated individuals in the arts, detailing how their lives and works both reflected the region and also enhanced its sense of self. **Florida** Carol Conca, 2022-08-01
From exploring Everglades National Park to enjoying the sunshine on white sand beaches, there's a lot to see and do in Florida. This state lies in the South. Florida introduces the state's history, geography, climate, economy, people, and places. Easy to read, text, vivid images, and helpful back matter give readers a clear look at this subject. Features include a table of contents, infographics, a glossary, additional resources, and an index. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO. **Perspectives on Canadian Marine Fisheries Management** Canada. Department of Fisheries and Oceans, National Research Council of Canada, 1993
Co-published by National Research Council of Canada. **Aboriginal Slavery on the Northwest Coast of North America** Leland Donald, 1997-08
Presenting a new understanding of slavery on the Northwest Coast and a new perspective on the nature of Northwest Coast society, this will be a classic on one of the most important North American culture areas. R. G. Matson, University of British Columbia. *State and Local Perspectives on Transportation* United States. Congress. Senate. Committee on Environment and Public Works, 2014 **New Perspectives on Urban Deathscapes** Avril Maddrell, 2023-02-14
Establishing a new set of international perspectives on experiences of death, disposition, and remembrance in urban environments, this book brings deathscapes, material, embodied, and emotional places associated with dying and death to life. It pushes the boundaries of established empirical and conceptual understandings of death in urban spaces through anthropological, geographical, and ethnographic insights.

Drug use in America: problem in perspective. v. 2 United States. Commission on Marihuana and Drug Abuse,1973

Hydrocarbon Exploration to Exploitation West of Shetlands S.J.C. Cannon ,D. Ellis ,2014-06-09 This volume addresses the challenges facing explorers and developers alike in a region that is becoming a major focus of the petroleum industry in the United Kingdom Faroes and North Norway Several West of Shetland fields are still in the appraisal phase almost a decade after discovery Sub volcanic exploration risks remain high sub volcanic structural traps are imaged poorly and so the geophysical community is responding with the application of latest technology The more simple reservoirs might not be large enough to prompt informed and speedy development decisions larger fields might have a combination of complexities requiring a phased approach to the development Infrastructure has been slow to arrive and planned developments have been subject to dramatic swings in fiscal regime ranging from special allowances to unexpected tax increases Environmental challenges are significant when moving into more remote deeper water The perception of these challenges by the third parties has become much more acute To sustain its right to operate the industry has to demonstrate safe drilling operations and appropriate response capability with government agencies *On Aboriginal representation in the Gallery* Lydia Jessup,Shannon Bagg,2002-01-01 In recognizing the established intellectual and institutional authority of Aboriginal artists curators and academics working in cultural institutions and universities this volume serves as an important primer on key questions and issues accompanying the changing representational practices of the community cultural center the public art gallery and the anthropological museum Published in English **Ernest Haycox and the Western** Richard W. Etulain,2017-09-14 Western fans today may not recognize the name Ernest Haycox 1899 1950 but they know his work John Ford turned one of his stories into the iconic film Stagecoach and the whole Western literary genre still follows conventions that Haycox deftly mastered and reshaped In this new book about Haycox s literary career Richard W Etulain tells the engrossing story of his rise through the ranks of popular magazine and serial fiction to become one of the Western s most successful creators After graduating from the University of Oregon in 1923 with a degree in journalism Haycox began his quest to break into New York s pulp magazine scene submitting dozens of stories before he began to make a living from his writing By the end of the 1920s he had become a top writer for Western Story Short Stories and Adventure among other popular weeklies and monthlies Ernest Haycox and the Western traces Haycox s path from rank beginner to crack pulp writer to regular contributor to Collier s and the Saturday Evening Post Etulain shows how Haycox experimented with techniques to deepen and broaden his Westerns creating more introspective protagonists Hamlet heroes introducing new types of heroines the brunette vixen the blonde Puritan and weaving greater historical realism into his plots After reaching the height of success with his best selling Custer novel Bugles in the Afternoon 1944 Haycox moved away from the financially rewarding but artistically constricting Western formula only to achieve his final coup with The Earthbreakers a historical novel about the end of the Oregon Trail published posthumously in 1952 Reconstructing the career of a popular literary giant

Ernest Haycox and the Western restores Haycox to his rightful place in the history of Western literature Mt.Hood National Forest (N.F.), Bull Run Unit Plan ,1979 **The Midwestern Pastoral** William Barillas,2006-02-15 The midwestern pastoral is a literary tradition of place and rural experience that celebrates an attachment to land that is mystical as well as practical based on historical and scientific knowledge as well as personal experience It is exemplified in the poetry fiction and essays of writers who express an informed love of the nature and regional landscapes of the Midwest Drawing on recent studies in cultural geography environmental history and mythology as well as literary criticism The Midwestern Pastoral Place and Landscape in Literature of the American Heartland relates Midwestern pastoral writers to their local geographies and explains their approaches William Barillas treats five important Midwestern pastoralists Willa Cather Aldo Leopold Theodore Roethke James Wright and Jim Harrison in separate chapters He also discusses Jane Smiley U S Poet Laureate Ted Kooser Paul Gruchow and others For these writers the aim of writing is not merely intellectual and aesthetic but democratic and ecological In depicting and promoting commitment to local communities human and natural they express their love for their understanding of and their sense of place in the American Midwest Students and serious readers as well as scholars in the growing field of literature and the environment will appreciate this study of writers who counter alienation and materialism in modern society General Technical Report SE ,1991 General Technical Report WO ,1977 **Effects of Fire on Fuels** Robert Edward Martin,1979 *Philosophical Perspectives on Ruins, Monuments, and Memorials* Jeanette Bicknell,Jennifer Judkins,Carolyn Korsmeyer,2019-07-15 This collection of newly published essays examines our relationship to physical objects that invoke commemorate and honor the past The recent destruction of cultural heritage in war and controversies over Civil War monuments in the US have foregrounded the importance of artifacts that embody history The book invites us to ask How do memorials convey their meanings What is our responsibility for the preservation or reconstruction of historically significant structures How should we respond when the public display of a monument divides a community This anthology includes coverage of the destruction of Palmyra and the Bamiyan Buddhas the loss of cultural heritage through war and natural disasters the explosive controversies surrounding Confederate era monuments and the decay of industry in the U S Rust Belt The authors consider issues of preservation and reconstruction the nature of ruins the aesthetic and ethical values of memorials and the relationship of cultural memory to material artifacts that remain from the past Written by a leading group of philosophers art historians and archeologists the 23 chapters cover monuments and memorials from Dubai to Detroit from the instant destruction of Hiroshima to the gradual sinking of Venice The Shaping of America: A Geographical Perspective on 500 Years of History D. W. Meinig,1986-01-01 Volume one examines how an immense diversity of ethnic and religious groups ultimately created a set of distinct regional societies Volume two emphasizes the flux uncertainty and unpredictability of the expansion into continental America showing how a multitude of individuals confronted complex and problematic issues
