## **Norway Oil And Foreign Policy:**

**Norway, Oil, And Foreign Policy** John C. Ausland, 2019-04-05 This first English language study examines the problems benefits and prospects for the future faced by Norway as an oil producing nation It demonstrates the impact of oil on Norway s foreign policy *Norwegian Oil and Foreign Policy* Ole Gunnar Austvik, 1989 **Norway Foreign Policy and**

**Government Guide Volume 1 Strategic Information and Developments** IBP USA, *Norway's Foreign Policy in the Twentieth and Twenty-first Centuries* Geir K. Almlid, 2024-08-30 This book provides an introductory analysis of Norway s foreign policy in the twentieth and twenty first centuries with a particular focus on the latter Covering themes such as security and defence foreign aid and European integration the author argues that despite often presenting itself as an idealist country and a peace nation Norwegian governments have demonstrated an understanding of power politics and a desire to above all promote national self interests The author explores the country s global relations with the US and NATO the countries of the European Union and great powers such as Russia and China By adopting a historical perspective the book demonstrates how continuity and stability have been fundamental features of contemporary Norwegian foreign policy Drawing on a wide range of current and archival government sources parliamentary debates and opinion pieces in news outlets as well as an extensive selection of academic sources this book provides a comprehensive analysis of Norway s foreign relations **Foreign Policies Of Northern Europe** Bengt Sundelius, 2019-04-05 This cross national treatment of the foreign policies of Northern Europe Denmark Finland Iceland Norway Sweden is organized by substantive policy areas rather than by country thus allowing most similar case analyses of several dimensions of the countries international relations The authors make comparisons among the countries in each area of investigation and present details of security international development and neighborhood and foreign policy processes They also describe and explain international and domestic forces that shape the region s external policies The combination of sound empirically based data and attention to broader international and theoretical interests allows relevant comparisons with other advanced industrial states **Oil, the State, and War** Emma Ashford, 2022-06-01 In *Oil the State and War* Emma Ashford explores the many potential links between domestic oil production and foreign policy behavior By examining the behaviors of three types of petrostates oil dependent states oil wealthy states and super producers Ashford sheds light on the diversity of petrostates and how they shape international affairs *The Oil Industry and Government Strategy in the North Sea* Oystein Noreng, 2016-03-02 Originally published in 1980 this book presents a comparative analysis of British and Norwegian oil policies focusing on the interdependence and bargaining relationship between governments and oil companies as well as the policy choices concerns and constraints for the two governments The perspective is largely that of a government planner whose main concerns are the long term and complex interests of the state orderly development as well as social and political stability [The Politics Of Oil-producer Cooperation](#) Dag Harald Claes, 2018-05-04 The Politics of Oil Producer Cooperation is a comprehensive study

of the behavior of political actors in the international oil market since 1971 In this study Dag Harald Claes seeks to answer the question of what determines the cooperative behavior among oil producing countries and he also shows the benefits of approaching an empirical topic from several levels of analysis Claes provides a case study demonstrating the problems of collective action in international politics and he discusses multi level approaches in studies of international relations and international political economy

**Norway Oil, Gas and Mining Industry Business Opportunities Handbook Volume 1 Oil & Gas Industry Strategic Information and Regulations** IBP USA, *Sovereign Wealth Funds and International Political Economy* Manda Shemirani, 2016-12-05 For the first time Shemirani provides a systematic methodology for the study of Sovereign Wealth Funds SWFs over their life span and emphasizes the need for a paradigm shift in our approach towards the study of state capitalism Applied in this book to the world s four largest SWFs Government Pension Fund Global of Norway Abu Dhabi Investment Authority of the United Arab Emirates Temasek of Singapore and the National Wealth Fund of the Russian Federation this methodology can also be applied to other funds or form a basis for further analytical studies of SWFs In addition to its first hand approach the book addresses concerns about the lack of transparency by offering insights into the functioning and investment strategies of the selected SWFs Academics and students in international political economy international finance and international business as well as financiers business leaders and policy makers will find the subject and the approach of this book highly useful

*Governance of Arctic Offshore Oil and Gas* Cécile Pelaudeix, Ellen Margrethe Basse, 2017-07-14 Global energy problems will remain a challenge in the coming decades The impact of climate change and the melting of polar sea ice opening up access to offshore hydrocarbon resources in the Arctic Ocean raises questions for both civil society and the scientific community over drilling opportunities in Arctic marine areas Disparities in approach to the governance of oil and gas extraction in the Arctic arise from fundamental differences in histories cultures domestic constraints and substantive values and attitudes in the Arctic coastal states and sub states Differing political systems legal traditions and societal beliefs with regard to energy security and economic development environmental protection legitimacy of decision making and the ownership and respect of the rights of indigenous people all affect how governance systems of oil and gas extraction are designed Using a multidisciplinary approach and case studies from the USA Norway Russia Canada Greenland Denmark and the EU this book both examines the current governance of extraction and its effects and considers ways to enhance the efficiency of environmental management and public participation in this system

The Foreign Policy of the European Union Stephan Keukeleire, Tom Delreux, 2022-02-10 Keukeleire and Delreux demonstrate the scope and diversity of the European Union s foreign policy showing that EU foreign policy is broader than the Common Foreign and Security Policy and the Common Security and Defence Policy and that areas such as trade development environment and energy are inextricable elements of it This book offers a comprehensive and critical account of the EU s key foreign relations with its neighbourhood with the US China and Russia and with emerged powers and argues

that the EU's foreign policy needs to be understood not only as a response to crises and conflicts but also as a means of shaping international structures and influencing long term processes This third edition reflects recent changes and trends in EU foreign policy as well as the international context in which it operates addressing issues such as the increasingly contested international order the conflict in Ukraine the migration and refugee crisis Brexit and Covid 19 The book not only clarifies the formal procedures in EU foreign policy making but also elucidates how it works in practice The third edition includes new sections and boxes on strategic autonomy European arms exports the EU's external representation the Brussels Effect and decentring and gender approaches to EU foreign policy Up to date jargon free and supported by its own website [eufp.eu](#) this systematic and innovative appraisal of this key policy area is suitable for undergraduate and postgraduate students as well as practitioners

[Maersk Oil](#) Morten Hahn-Pedersen, 2017-03-31 More than 40 years have passed since A.P. Møller Maersk first extracted oil from the North Sea This marked the beginning of a battle for the subsoil's black gold that made Denmark self sufficient in hydrocarbons and cemented Maersk Oil's key role in the Danish business sector As the oil adventure unfolded modern Denmark emerged This story gives unique insight into the creation of an entirely new industry its substantial socio economic advantages and the changing political conditions for Maersk Oil's search for and recovery of oil and gas Based on many years of research and unprecedented access to Maersk's archives the author also reveals how a business operates in a demanding international industry and cooperates with some of the largest energy companies in the world

[Trump Foreign Policy](#) Dexter Harrington, AI, 2025-03-12 Trump Foreign Policy examines the significant changes in international relations under the Trump administration characterized by unpredictability transactional diplomacy and a strategic focus on the Pacific region The book analyzes how these shifts challenged established diplomatic norms and impacted individual nations For example the America First approach while intended to prioritize U.S. interests created diplomatic uncertainty for allies and adversaries alike One intriguing aspect explored is how nations like Norway adapted their foreign policy in response to these changes The book progresses by first outlining the core principles of Trump's foreign policy then exploring their implementation through specific diplomatic and trade interactions A substantial portion analyzes the effects on Norway providing a detailed perspective on a nation navigating this new geopolitical landscape By focusing on a specific country the book offers a nuanced understanding of the challenges and opportunities presented by this era making it a valuable resource for anyone interested in current events and the shifting dynamics of international relations

[Cold Water Oil](#) Fiona Polack, Danine Farquharson, 2021-12-19 Cold Water Oil Offshore Petroleum Cultures is a collection of essays examining how societies

conceive of fossil fuel extraction in the inhospitable but fragile waters of the North Atlantic and Arctic oceans What happens offshore matters Currently over a quarter of the world's oil and gas is produced from beneath the seas The offshore petroleum industry is thus a crucial point of origin for global carbon emissions and other environmental harms Cold Water Oil Offshore Petroleum Cultures illuminates ignored histories influential contemporary narratives and emerging energy and environmental futures The volume centres on North Atlantic and Arctic regions the continuing but often strongly contested pursuit of oil and gas in frigid tumultuous and environmentally sensitive seas enforces the lengths to which corporations and governments will go to maintain the centrality of fossil fuels The book's contributors focus on the cultural social and ecological implications of oil and gas extraction in the oceanic territories of Canada Norway the UK Russia the US and the Iupiat of Alaska at a time of profound global uncertainty In conversation with the energy and environmental humanities and critical ocean studies Cold Water Oil considers a region central to debates about climate change and the planet's future Cold Water Oil engages students and researchers interested in climate change energy humanities critical ocean studies and North Atlantic and Arctic issues

Gender Equality and Nation Branding in the Nordic Region Eirinn Larsen, Sigrun Marie Moss, Inger Skjelsbæk, 2021-05-25 This book explores how gender equality a central part of the Nordic imaginary is used in the political communication of Nordic states The analyses presented move beyond conventional images and discourses of Nordic gender and women friendliness by critically investigating how and to what extent gender equality serves nation branding in the Nordic region Nation branding is an unescapable part of globalisation which is a market oriented process dominated by the West and predicated on the creation of winners and losers Hence efforts to strengthen the national brand or reputation of specific Nordic countries with the aid of gender equality as a political and symbolic value inevitably help to reinforce already established global hierarchies where the Nordics play the role of moral superpower This book comprises scholars from various fields of specialisation and provides evidence and understanding for the growing interaction between gender equality policies and nation branding in all five Nordic countries It does so by exploring a variety of policy fields and issues including women's rights foreign policy rape and legislation female quotas and business policies in addition to the index industry The rise of the global indexes has reproduced forceful images of the Nordic countries as frontrunners of gender equality which indeed help the Nordic countries to further position themselves as best at being good This book will be of great interest to students and scholars of Nordic gender equality in political science sociology law criminology political psychology and history as well as those interested in nation branding Nordic studies and exceptionalism The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003017134> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
