Nostalgia For 70:

The Routledge Handbook of Nostalgia Tobias Becker, Dylan Trigg, 2024-08-21 The Routledge Handbook of Nostalgia serves as a guide to the complex and often contradictory concept of nostalgia as well as the field of nostalgia studies more broadly. Nostalgia is an area of intense interest across several disciplines as well as within society and culture more generally. This handbook brings together an international interdisciplinary team of researchers to survey the current landscape and identify common trends, achievements, and gaps in existing literature. Comprising 45 chapters, the volume covers the following topics: Disciplinary perspectives of nostalgias including philosophy, history, literature, and psychology; Conceptual aspects of nostalgia including homesickness, temporality, affectivity, and memory; Historical and political dimensions such as afro nostalgia, populism, feminism, and queer nostalgia; Spatial and material aspects of nostalgia including ruins, regionalism, and objects; Media-related nostalgia such as analogue and digital nostalgia, reboots, revivals, gaming, and graphic novels. Essential reading for students and researchers working in nostalgia studies, this book will also be beneficial to related disciplines such as philosophy, anthropology, geography, history, and literature, cultural media, heritage, museum, and film studies courses, and more generally for readers interested in how the past is represented and used in the present.

Obamanomics Timothy P. Carney, 2009-11-30 In Obamanomics investigative reporter Timothy P Carney digs up the dirt the mainstream media ignores and the White House wishes you wouldn't see Rather than Hope and Change Obama is delivering corporate socialism to America all while claiming he's battling corporate America It's corporate welfare it's regulatory robbery it's Obamanomics

Camera Orientalis Ali Behdad, 2016-08-22 In the decades after its invention in 1839 photography was inextricably linked to the Middle East Introduced as a crucial tool for Egyptologists and Orientalists who needed to document their archaeological findings the photograph was easier and faster to produce in intense Middle Eastern light making the region one of the original sites for the practice of photography A pioneering study of this intertwined history Camera Orientalis traces the Middle East's influences on photography's evolution as well as photography's effect on Europe's view of the Orient Considering a range of Western and Middle Eastern archival material from the late nineteenth and early twentieth centuries Ali Behdad offers a rich account of how photography transformed Europe's distinctly Orientalist vision into what seemed objective fact a transformation that proved central to the project of European colonialism At the same time Orientalism was useful for photographers from both regions as it gave them a set of conventions by which to frame exotic Middle Eastern cultures for Western audiences Behdad also shows how Middle Eastern audiences embraced photography as a way to foreground status and patriarchal values while also exoticizing other social classes An important examination of previously overlooked European and Middle Eastern photographers and studios Camera Orientalis demonstrates that far from being a one-sided European development Orientalist photography was the product of rich cultural contact between the East and the West

LLC, **Appalachian Journal**, 1989 A regional studies review WALNECK'S CLASSIC CYCLE TRADER, NOVEMBER 1998 Causey Enterprises, LLC, **Entangled Things** Alison Hulme, 2024-08-22 Entangled Things takes the concept of entanglement as its starting point in investigating the relationship between us and the material things we engage with Each chapter illustrates a particular form of entanglement desiring things hoarding things creating things ridding ourselves of things using ethnographic examples and theoretical perspectives Hulme encourages a wider consideration of the place of humans in the world and the kind of choices we enact when influenced by the material things around us She explores our relationships with material objects in light of both personal and planetary space and personal and historical time from the space in our homes storage spaces landfill and oceans to the times in our lives and the times in wider shared histories that things connect us to not to mention our sense of time and our own place in the world In so doing Hulme intentionally places discussions on our entanglement with things squarely back into the context of the Anthropocene with a provocative analysis in which the Anthropocene is posited as a concept which on one hand takes away human agency placing us in the context of immense geological epochs whilst on the other hand pushes agency upon humans blaming us for the extreme challenges of the current era and looking to us to solve those challenges For Hulme material things are instrumental in helping us to grasp our existential place in the world and weave a way through the complications of living in epochal times **Club Cultures** Sarah Thornton, 2013-08-23 This is an innovative contribution to the study of popular culture focusing on the youth cultures that revolve around dance clubs and raves *CliffsNotes on Wharton's The Age of Innocence* Susan Van Kirk, 2004-09-10 Get the most from great literature with CliffsNotes the original study guides Written exclusively by experienced teachers and educators CliffsNotes are the resource of choice for today's students These user friendly guides make studying a snap with visual icons flagging key themes literary devices and more Inside you'll find valuable insights on Wharton's The Age of Innocence including Brief overall synopsis Chapter by chapter summaries Clear explanations and analysis Character map who's who at a glance Character analysis Newland Archer May Welland Archer Countess Ellen Olenska Mrs Manson Mingott Concise discussion of major themes Special essay on the book's themes including personal freedom values and social codes Review Q As and quote IDs Essay questions and practice projects Glossaries of key words and terms **Pilgrimage in Popular Culture** Ian Reader, Tony Walter, 2016-07-27 Specially commissioned studies of popular pilgrimages East and West past and present religious and secular ranging from Shikoku Japan to Santiago de Compostela Spain Kosovo Yugoslavia Glastonbury Anfield UK Flanders fields Graceland and military pilgrimages in the USA The book asks in what ways all these can be called pilgrimages and what their relation is to tourism and to entertainment highlighting the enduring popularity not only of pilgrimage but also of saints and heroes *Reading Habits in the COVID-19 Pandemic* Abigail Boucher, Marcello Giovanelli, Chloe Harrison, Robbie Love, Caroline Godfrey, 2024-03-20 This book presents and analyses the results of the Lockdown Library Project survey using a range of quantitative and qualitative approaches to provide a unique insight into

the ways in which the first UK COVID 19 lockdown affected public reading habits The authors begin by outlining the background to the study the research methodology and design and an overview of the headlines of the data before going on to survey the literature on the relationship between pandemics literature especially the role played by genre and popular fiction and reading habits They then examine how participants reported that the lockdown period had affected the amount that they read how they accessed books and discussed their reading with others the use of reading as a coping strategy and returning to re read books that offered familiarity reliability and nostalgia Finally the concluding chapter brings together the overall findings of the project and briefly outlines future work in the field This book will be of interest to academics in fields such as literary and genre studies applied linguistics corpus linguistics stylistics health humanities and sociology as well as practitioners working in education in bibliotherapy and in libraries

Sites of Jewish Memory Glenda

Abramson,2018-10-24 This book brings together a collection of 16 essays first published in the Journal of Modern Jewish Studies that explore Jewish communities in North Africa Turkey and Iraq The discussions are located primarily in the 20th century but essays also examine the Jewish community in 16th century Istanbul and in early modern Morocco Topics include traumatic departures of communities from countries of centuries old Jewish residence and relocations pilgrimages to holy sites by Mizrahi Jews in Israel resonances of Shabbetai Zevi in Turkey and Morocco otherness and the nature of homeland the Sephardi culinary heritage as realised in the cookbooks of Claudia Roden sites of memory such as Kuzguncuk in Turkey and a controversial view of the exclusions and erasures that Arabized Jews have undergone In this unique collection a major but not exclusive theme is that of the instability of memory and the attempt to understand the interactions between memory and history as Jews recount their experiences of living in and often leaving their past homelands This book was originally published as a special issue of the Journal of Modern Jewish Studies

The Experience of Retirement Robert S.

Weiss,2018-05-31 Retirement brings with it the promises of leisure and freedom as well as the risks of boredom and isolation When retirees rid their schedules of anything resembling the kinds of obligations that once had been imposed by work they will experience a sometimes uncomfortable absence of structure In *The Experience of Retirement* the distinguished sociologist Robert S Weiss provides a detailed description of how some people plan their retirement what life in retirement is like and what makes for a fulfilling retirement His engaging book can thus serve as a most useful guide Weiss shows us both retirement s benefits and its possible costs both the relief retirees can feel once free of work s stresses and constraints and the discomfort that can be caused by loss of the positive aspects of working life The book is based on extensive interviews with eighty nine men and women before and after their retirement from middle income careers Weiss makes vivid their experiences by presenting in their own words their descriptions of leaving their careers considering what to do with their time confronting issues of income in retirement dealing sometimes with social isolation and reorganizing their lives The interviews reveal the way in which retirement affects marriages and other familial relationships Weiss concludes by

presenting advice about retirement based on the actual experiences of retirees For anyone approaching the age of retirement or already retired and looking for a more satisfying post career life for personnel managers health care professionals and all those who provide services for the retired The Experience of Retirement will be an illuminating guidebook to this phase of life

Logics of History William H. Sewell Jr.,2009-07-27 While social scientists and historians have been exchanging ideas for a long time they have never developed a proper dialogue about social theory William H Sewell Jr observes that on questions of theory the communication has been mostly one way from social science to history Logics of History argues that both history and the social sciences have something crucial to offer each other While historians do not think of themselves as theorists they know something social scientists do not how to think about the temporalities of social life On the other hand while social scientists treatments of temporality are usually clumsy their theoretical sophistication and penchant for structural accounts of social life could offer much to historians Renowned for his work at the crossroads of history sociology political science and anthropology Sewell argues that only by combining a more sophisticated understanding of historical time with a concern for larger theoretical questions can a satisfying social theory emerge In Logics of History he reveals the shape such an engagement could take some of the topics it could illuminate and how it might affect both sides of the disciplinary divide

Homemade Men in Postwar Austrian Cinema Maria Fritsche,2013-05-01 Despite the massive influx of Hollywood movies and films from other European countries after World War II Austrian film continued to be hugely popular with Austrian and German audiences By examining the decisive role that popular cinema played in the turbulent post war era this book provides unique insights into the reconstruction of a disrupted society Through detailed analysis of the stylistic patterns narratives and major themes of four popular genres of the time costume film Heimatfilm tourist film and comedy the book explains how popular cinema helped to shape national identity smoothed conflicted gender relations and relieved the Austrians from the burden of the Nazi past through celebrating the harmonious charming musical Austrian man

Rimsky-Korsakov and His World Marina Frolova-Walker,2018-09-11 A rare look at the life and music of renowned Russian composer Nikolai Rimsky Korsakov During his lifetime Nikolai Rimsky Korsakov 1844 1908 was a composer whose work had great influence not only in his native Russia but also internationally While he remains well known in Russia where many of his fifteen operas and various orchestral pieces are still in the standard repertoire very little of his work is performed in the West today beyond Scheherezade and arrangements of The Flight of the Bumblebee In Western writings he appears mainly in the context of the Mighty Handful a group of five Russian composers to which he belonged at the outset of his career Rimsky Korsakov and His World finally gives the composer center stage and due attention In this collection Rimsky Korsakov s major operas The Snow Maiden Mozart and Salieri and The Golden Cockerel receive multifaceted exploration and are carefully contextualized within the wider Russian culture of the era The discussion of these operas is accompanied and enriched by the composer s letters to Nadezhda Zabela the distinguished soprano for whom he wrote several leading roles

Other essays look at more general aspects of Rimsky Korsakov's work and examine his far reaching legacy as a professor of composition and orchestration including his impact on his most famous pupil Igor Stravinsky The contributors are Lidia Ader Leon Botstein Emily Frey Marina Frolova Walker Adalyat Issiyeva Simon Morrison Anna Nisnevich Olga Panteleeva and Yaroslav Timofeev The Bard Music Festival Bard Music Festival 2018 Rimsky Korsakov and His World Bard College August 10 12 and August 17 19 2018
