Charles Hapgood discusses fifteen years of work with Elwood Babbitt. He relates the phenomenon of trance mediums to recent research in parapsychology and examines Babbitt's mediumship in depth. Two long chapters devoted to the mechanics of spirit communication including the role of controls, spirits closer to the earthly plane who guide the medium, and a careful description of how images and spirit voices enter Babbitt's mind will fascinate both the curious skeptic and the believer. Full length transcripts of communications which have come through trances are included in this volume. **A People without a Past** Jaan Kross, 2017-08-24 The second part in an epic historical trilogy. The Estonian answer to *Wolf Hall* by the nation's greatest modern writer. The year is 1563 and by any account Balthasar Russow can be said to have risen in the world. Fresh from his studies in the German town of Stetten, he has assumed the role as pastor of Tallinn's Holy Ghost Church. Moreover, he is betrothed to a maiden of the town much to the chagrin of her father who has no wish to welcome peasant stock to the family when there is no shortage of upstanding young German men and is poised to begin the chronicle that will ensure his everlasting fame. But tribulations still await the now not quite young Pastor. Livonia is still plagued by foreign powers with Tallinn braced to withstand a prolonged Muscovite siege. And he will discover that marriage is often a battlefield in itself. Translated from the Estonian by Merike Beecher. *The Last Prophecy* Jon Land, 2008-04-29 Can the lost prophecies of Nostradamus prevent a massive terrorist attack on the United States? As time ticks down, detectives Ben Kamal and Danielle Barnea face off against a new and all-powerful enemy with his own crazed reasons for wanting America's very way of life destroyed. **The Confessions of Catherine de Medici** C. W. Gortner, 2010-05-25 The Confessions of Catherine de Medici is a dramatic epic novel of an all too human woman whose strength and passion propelled her into the center of grand events. Meticulously researched, this engrossing novel offers a fresh portrait of a queen who has too often been portrayed as a villain. Bravo Mr Gortner! Sandra Gulland, author of *The Josephine B Trilogy* and *Mistress of the Sun*. The truth is not one of us is innocent. We all have sins to confess. So reveals Catherine de Medici, the last legitimate descendant of her family's illustrious line. Expelled from her native Florence, Catherine is betrothed to Henri, son of François I of France. In an unfamiliar realm, Catherine strives to create a role for herself through her patronage of the famous clairvoyant Nostradamus and her own innate gift as a seer. But in her fortieth year, Catherine is widowed, left alone with six young children in a kingdom torn apart by the ambitions of a treacherous nobility. Relying on her tenacity, wit, and uncanny gift for compromise, Catherine seizes power, intent on securing the throne for her sons, unaware that if she is to save France, she may have to sacrifice her ideals, her reputation, and the secret of her embattled heart. **BONUS** This edition contains a The Confessions of Catherine de Medici discussion guide and an excerpt from C. W. Gortner's *The Queen's Vow*. Praise for *The Confessions of Catherine de Medici* Alison Weir and Philippa Gregory fans will devour this Booklist. Highly recommended: a compelling and fascinating view of Catherine's life and world. *Historical Novels Review*. Remarkably thoughtful in its insight into an unapologetically ruthless queen. *Publishers Weekly*. A fresh, well-researched and powerful portrait. *RT Book Reviews*. [Orion's Highway Across The](#)

Galaxy Charles E. Anzalone, 2012-08-17 The book titled Orion s Highway Across the Galaxy is about an alien from a distant planet assigned to help mankind by making specific individuals in the past become famous His name is Enoch and he is a distant cousin of the human race Gifted with certain skills he is able to help Nostradamus Mozart and Dr Christiaan Barnard gain the recognition that they richly deserved The following is a quote from Enoch as he summarizes his life Nostradamus Mozart and Dr Barnard all these men with different personalities were the ones that I helped in the corresponding years 1513 1756 and 1962 Mozart lived for only thirty five years because of the drugs he received as a baby causing his brain to deform For every bad thing there is a good thing his contribution was the brilliance of his music that he left for society When I recall the three Earthlings that I guided toward recognition I concede that their beginnings were apt to be shadowy So it is with great men trying to find their beginnings with their inner skills that are undeveloped Most critics then and now still debate the success of their accomplishments with doubt and jealousy and yet wishing that they could achieve fame themselves The plain and inescapable truth is that these men struggled with a desire that motivated them and in the absence of eyewitnesses no one was there to see me rally them on I gave them inspiration and the ability to meet their goals Enoch II With a life span of twelve hundred years Enoch is capable of accomplishing many goals set forth by his superiors The only goal that he cannot successfully complete is to make a decision to marry Beena the red haired beauty whom he loves or to marry Brianna the beautiful blond that had his child out of wedlock During Enoch s multiple visits to planet Earth he discovers the mysteries of the universe The following is one of Enoch s discoveries Traveling at Warp 5 we crossed the barrier that separates the two spiral sectors in our galaxy called the Milky Way Beyond the stream of neutrinos on the other side of the barrier I could see the multicolored beacons that our radar illuminated on the monitor screen The green rings and yellow dots in a circular pattern outlined the entrance to Orion s Highway a pathway that led to planet Earth My assignment was to help an individual on Earth to become historically famous an individual whose artistic music skills would calm the soul and quench the fires of war within the hearts of men The individual was my distant cousin and I was about to become my Brother s Keeper Enoch II The story line unravels universal mysteries about the feasibility of space flight at warp speeds a decoding of the Bible that shows when the Great Flood occurred and the purpose **Footfalls on the boundary of another world.
