 Nostradamus,2022-10-13 Michel de Nostredame December 1503 July 1566 was a French astrologer apothecary physician
 and reputed seer who is best known for his book Les Proph ties published in 1555 a collection of 942 poetic quatrains
 allegedly predicting future events Nostradamus s father s family had originally been Jewish but had converted to Catholic
 Christianity a generation before Nostradamus was born Academic sources argue that Nostradamus s predictions are
 characteristically vague meaning they could be applied to virtually anything and are useless for determining whether their

The Prophecies of Nostradamus By Nostradamus,2019-06-15 The renowned prophet Nostradamus Michel de
 Nostradame was born on December 14 1503 in St Remy Provence France Nostradamus came from a long line of Jewish
 doctors and scholars His family had converted from Judaism to Christianity in 1502 as a result of persecution on the
 ascension of Louis the XII After a classical education he studied medicine herbalism and astrology During Nostradamus
 lifetime the Black Death today known as the bubonic plague wiped out over a quarter of Europe It is no wonder that a sense
 of apocalyptic terror fills Nostradamus quatrains Nostradamus had the visions which he later recorded in verse while staring
 into water or flame late at night sometimes aided by herbal stimulants while sitting on a brass tripod The resulting quatrains
 four line verses are oblique and elliptical and use puns anagrams and allegorical imagery Most of the quatrains are open to
 multiple interpretations and some make no sense whatsoever Some of them are chilling literal descriptions of events giving
 specific or near specific names geographic locations astrological configurations and sometimes actual dates It is this quality
 of both vagueness and specificity which allows each new generation to reinterpret Nostradamus Nostradamus is said to have
 predicted his own death When his assistant wished him goodnight on July 1 1566 Nostradamus reputedly pronounced You
 will not find me alive at sunrise He was found dead on July 2 1566 **Nostradamus ,1965**
