Andrew Seth Pringle-Pattison, 1897 *Resistance to Christianity* Raoul Vaneigem, 2023-11-28 Resistance to Christianity A Chronological Encyclopaedia of Heresy from the Beginning to the Eighteenth Century reveals the hidden story behind the modern day edifice of Christianity Raoul Vaneigem's landmark study provides a compelling account of the falsifications and political agendas that shaped what we now know as the canonical Bible and such pillars of Christian doctrine as the Resurrection and the Holy Trinity It also traces alternative pathways that have been opened up by the many individuals and groups that have departed from the Church's teachings from the remarkably modern first century thinker Simon the Magus to the libertarian mystics of the Middle Ages to the Jansenists of the seventeenth century This is in short an exceptionally wide ranging history of the forms of thought and belief that orthodox religion has mischaracterized and suppressed over the course of the centuries Resistance to Christianity is far more however than a study of religious movements and ideas indeed Vaneigem is bracingly unapologetic in his ambition to examine the resistance that the inclination to natural liberty has for nearly twenty centuries opposed to Christian oppression The story of how men and women have again and again resisted the authoritarian implications of religious orthodoxy is above all a crucial strand of the history of human freedom Bill Brown's translation makes available in English a major work by one of the preeminent thinkers of our time A remarkable feat of historical scholarship that deserves to be widely read Resistance to Christianity represents radical thought at its most exciting incisive and compelling Truth Versus Man's Religious Systems Terry W.
