The Three Stooges Michael Fleming,2013-07-31 More people today can name the members of the Three Stooges than can name three justices of the Supreme Court The Stooges are comedy icons whose enduring appeal and slapstick legacy have made them one of the most famous and beloved comedy troupes in the world Michael Fleming s *The Three Stooges*TM is the first complete authorized biography of the men who made pie fights part of our national cultural heritage A juggernaut of wise guys headlocks and unforgettable insults this book tells the whole history of the Stooges starting with their origins in the golden years of vaudeville when the boys from Brooklyn honed their craft Moe Curly and Shemp Howard were born Moses Jerome and Samuel Horwitz and were believed for many years to be the three least accomplished sons of their Lithuanian immigrant parents Ultimately of course the Three Stooges reinvented the rules of slapstick comedy never be caught unprepared in a pie fight never slap one wise guy in the face if you can slap three in a row and never underestimate the value of a good poke in the eye Signed in 1934 by Columbia Pictures to a renewable contract that had them making at least nine short films a year the Stooges learned firsthand about the sharks swimming through Hollywood s early waters And after nearly a quarter century of producing the short films for which the Stooges are so well known and loved the studio declined to renew their contract in 1954 and the pioneering pie throwing professionals lost their jobs Fittingly though Moe interviews with Stooge friends and families and a complete filmography with every woob woob and crashed society cocktail party lovingly detailed this book will be treasured by all Stoogedom
