Not Just Sugar And Spice:

Sociocultural Studies in Education Richard A Quantz, 2016-01-08 Sociocultural Studies in Education Critical Thinking for Democracy fills a void in the education of educators and citizens in a democracy It explores some of the fundamentals around which disagreements in education arise It presents a process with which those new to these debates can understand often confusing and entwined sets of facts and logics This book leads the reader through some general concepts and intellectual skills that provide the basis for making sense out of the debates around public education in a democracy This book can be seen as a primer on how to read texts about education It acknowledges that good teachers must be not only trained to teach but also educated about education It presents the various themes and currents found within the arguments and narratives that people use to represent public education It assumes that the more those interested in education know about how to see through the rhetoric the better they will be at discerning whose interests are served by which texts *Moral Action* Robert Sokolowski, 2017 In this carefully written study of the constituents of human decision making Robert Sokolowski lays an elaborate groundwork to develop the importance of the distinction between choice and the voluntary in moral discourse offers a new way of looking at m **A Popular Criminology of Youth Justice** Jessica Urwin, 2024-12-19 Analysing the representation of youth crime and justice involved children in popular fictional films this book explores how what we see on screen contributes to the perceptions of youth justice in society policy and practice Putting forward the argument that fictional representations have a real world impact on the opportunities available to children each chapter in the book focuses on a different genre or type of film and considers the ways in which justice involved children have been demonised stereotyped and harmed by their portrayal on the big screen From James Dean and the birth of monstrous youth in *Rebel Without A Cause* to the current more nuanced portrayals as seen in *The Young Offenders* the book examines films throughout history and across different cultures In doing so it demonstrates how portrayals of justice involved children have contributed to the social understanding of what youth crime is and who is to blame for it and highlights how we can use this knowledge to better understand and support children By combining youth justice theory with media analysis *A Popular Criminology of Youth Justice* Youth on Film makes a novel contribution to both fields and will be of great interest to students and researchers in the areas of youth crime youth justice and the media Growing Artificial Societies Joshua M. Epstein, Robert Axtell, 1996-10-11 *Growing Artificial Societies* is a milestone in social science research It vividly demonstrates the potential of agent based computer simulation to break disciplinary boundaries It does this by analyzing in a unified framework the dynamic interactions of such diverse activities as trade combat mating culture and disease It is an impressive achievement Robert Axelrod University of Michigan How do social structures and group behaviors arise from the interaction of individuals *Growing Artificial Societies* approaches this question with cutting edge computer simulation techniques Fundamental collective behaviors such as group formation cultural transmission combat and trade are seen to emerge from the interaction

of individual agents following a few simple rules In their program named Sugarscape Epstein and Axtell begin the development of a bottom up social science that is capturing the attention of researchers and commentators alike The study is part of the 2050 Project a joint venture of the Santa Fe Institute the World Resources Institute and the Brookings Institution The project is an international effort to identify conditions for a sustainable global system in the next century and to design policies to help achieve such a system Growing Artificial Societies is also available on CD ROM which includes about 50 animations that develop the scenarios described in the text Copublished with the Brookings Institution Migrating Merchants Jorun Poettering,2018-12-03 What impact did the cultural origins and religious backgrounds of the merchants in the early modern period have on their business activities How did these people manage to integrate themselves into the foreign societies within which they lived and worked In this book Jorun Poettering examines the circumstances of the merchants who traded between Hamburg and Portugal in the seventeenth century Her study offers new insights into the history of migration and intercultural encounter as world became more interconnected **Trans Figured** Sophie Grace Chappell,2024-03-28 I was four and three quarters when I asked my mother if from now on I could please go to school as a girl instead of as a boy In this extraordinary new book renowned philosopher Sophie Grace Chappell combines personal memoir philosophical reflection open letters science fiction writing and poetry to help us all figure out transgender What is it really like to be transgender How can we as a society do better to accept the reality of trans lives and to welcome and include trans adults trans children and trans families How can trans people thrive in a cisgendered world For too long now clouds of myth misinformation alarmism and wrong headed ideology have masked the reality of trans people s lives By answering questions like these this book blows away the clouds and gives us the truth instead Rich informative and deeply moving Trans Figured will be widely read and celebrated for years to come **Spice Mixology** Barrett Williams,ChatGPT,2025-05-04 Unlock the mystical world of spices and embark on a sensory journey with Spice Mixology This captivating eBook is your ultimate guide to the art and science of crafting your own spice blends perfect for the adventurous home cook or the seasoned gourmet Say goodbye to bland meals and hello to a new era of flavor exploration that promises to ignite your culinary creativity and transform your kitchen into a haven of aromatic delights Begin your journey by delving into the origins and history of spices discovering their global allure and timeless appeal Explore the intricacies of flavor profiles and learn how to balance and harmonize sweet savory and spicy notes to create your own masterpieces From essential tools and techniques to proper storage Spice Mixology provides you with the foundational knowledge to master the craft of spice blending Dive into the rich tapestry of global spice blends from the earthy notes of Middle Eastern Za atar to the fiery kick of Caribbean Jerk Seasoning Unleash the full potential of your cooking by pairing spices with ingredients that elevate every dish whether you re crafting a signature blend or experimenting with new recipes Spice Mixology doesn t stop at the plate Discover how to infuse your favorite beverages with tantalizing flavors or create spiced desserts that linger on the palate
