Not My Will But Thine:

Dr. Hand's Mind On Dr. Allen Hand, 2022-12-30 Every once in a while I get a chance to listen to broadcasts on the radio or watch networking on television And the more and more I do this the more and more I get deeply concerned with the quality of so called religious material presented on such via comments discussions lectures preachings teachings etc Every so often I get led to deal with some of the monumental misunderstandings that menace the messianic ministry mission momentum motion motive and movement As these pessimistic provocational presentations prevent permeation of positive providential pressure on the profound populace s psyche patterns I constantly think about the repercussions they have on the spiritual psyche It is very unfortunate that we are letting our guards down and allowing this type of pessimistic provocational presentations to prevent the permeation of positive providential pressure on the profound populace s psyche patterns There are two strategies tactics ways to deal with this type of teaching and preaching one is defensive and the other is offensive The offensive tactic strategy way to guard against it is to constantly teach and preach against it thereby exposing it for what it is and minimizing it if not eliminating it this is referred to as the sword of the Spirit which is the word of God the defensive tactic strategy way to guard against it is to block or prevent it from entering your mind by literally putting a spiritual device of some sort over your mind this is referred to as the helmet of salvation *Not My Will* Francena Arnold, 2002-07-01
