**Moral Panics and the Copyright Wars** William Patry, 2009-09-03 Metaphors moral panics folk devils Jack Valenti Joseph Schumpeter John Maynard Keynes predictable irrationality and free market fundamentalism are a few of the topics covered in this lively unflinching examination of the Copyright Wars the pitched battles over new technology business models and most of all consumers In *Moral Panics and the Copyright Wars* William Patry lays bare how we got to where we are a bloated punitive legal regime that has strayed far from its modest but important roots Patry demonstrates how copyright is a utilitarian government program not a property or moral right As a government program copyright must be regulated and held accountable to ensure it is serving its public purpose Just as Wall Street must serve Main Street neither can copyright be left to a Reaganite magic of the market The way we have come to talk about copyright metaphoric language demonizing everyone involved has led to bad business and bad policy decisions Unless we recognize that the debates over copyright are debates over business models we will never be able to make the correct business and policy decisions A centrist and believer in appropriately balanced copyright laws Patry concludes that calls for strong copyright laws just like calls for weak copyright laws miss the point entirely the only laws we need are effective laws laws that further the purpose of encouraging the creation of new works and learning Our current regime unfortunately creates too many bad incentives leading to bad conduct Just as President Obama has called for re tooling and re imagining the auto industry Patry calls for a remaking of our copyright laws so that they may once again be respected

wanting to launch or advance a career in the growing media marketplace      *The Movie Business Book, Third Edition* Jason E. Squire, 2005-10-24 Drawing from a variety of experts in an industry that has seen major technological advances since the second edition *The Movie Business Book Third Edition* offers the most comprehensive authoritative overview of this fascinating global business A must read for industry newcomers film students and movie buffs this new edition features key movers and shakers such as Tom Rothman chairman of Fox Filmed Entertainment Michael Grillo head of Feature Film Production at DreamWorks SKG Sydney Pollack Mel Brooks and many others A definitive sourcebook it covers nuts and bolts details about financing revenue streams marketing DVDs globalization the Internet and new technologies All of this and more is detailed in this new edition of the classic *Movie Business Book*      *The Icarus Factor* Rod McQueen, 2011-07-27 In June 2000 Edgar Bronfman Jr sold Seagram Co to French media giant Vivendi in a 34 billion deal Young handsome and fabulously rich Edgar Jr seemed finally to have silenced the detractors who for fifteen years had scorned him calling him a naive dilettante and the star struck whisky king As the third generation president and CEO of a family dynasty in the booze business Edgar Jr had made controversial corporate decisions In 1995 he sold Seagram's holding in the secure but boring DuPont to buy Hollywood studio MCA In 1998 he acquired PolyGram thereby creating the world's largest record company In 2000 when convergence was the corporate mantra he merged Seagram with Vivendi At fifteen Edgar Jr had been designated by his grandfather Sam Bronfman Seagram's legendary founder to eventually head the business Mr Sam had built as a bootlegger during Prohibition For Edgar Jr that choice turned into a curse as he agonized over Mr Sam's prescient 1966 warning Shirtsleeves to shirtsleeves in three generations I'm worried about the third generation Empires have come and gone In 1994 when Edgar Jr succeeded his father he announced I'm not going down in history as the one Bronfman who pissed away the family fortune Despite all his efforts Edgar Jr could not avoid his destiny The value of the Bronfman family holdings in Seagram swapped for shares in Vivendi fell by almost three quarters from 8.2 billion to 2.2 billion between 2000 and 2002 Business Week featured Edgar Jr on its Worst Managers List calling him the most desperate billionaire around In this unauthorized biography acclaimed and award winning business writer Rod McQueen tells the gripping story of an empire's demise Based on 150 revealing interviews with high school friends associates from his Hollywood and Broadway days as well as former colleagues officers and directors at Seagram and Vivendi *The Icarus Factor* tracks Edgar Jr on his meteoric rise and spectacular fall In addition to Edgar Jr himself McQueen interviewed many powerful media and entertainment leaders including Frank Biondi Jr Jack Valenti Barry Diller Ron Meyer Doug Morris and Herbert Allen Jr What emerges is a compelling and intimate portrait of a man who wrestled with his own fervent dreams and family responsibilities This is a story about duty and destiny passion and performance family and failure Above all it is a cautionary tale about the complex relationship between a father and a son with catastrophic consequences      *Audience Evolution* Philip M. Napoli, 2011 Annotation Napoli examines the ongoing redefinition of the industry audience relationship by technologies that

have moved the audience marketplace beyond traditional metrics      **They Say They Want a Revolution** ,2003 Many of those in charge of brand strategies are clueless as to why the old ways of marketing are no longer effective They continue their Madison Avenue crusades with disingenuous fervor Plan their strategies with reach and frequency projections and then continue to target their audiences with 30 second sound bites Yet they re mystified unable to explain how it is they execute flawlessly but still their market share declines From 1996 to 2000 the Big Three automotive companies increased their marketing cost per vehicle by 87 percent Yet their combined market share dropped by more than four percentage points Detroit is not alone in its marketing futility Nearly every product niche is experiencing the same Overwhelmed by brand overload deafened by market din and empowered by new technologies the consumer is no longer a passive target simply awaiting directives from the marketing establishment With the ultimate desire to touch and be touched the consumer has taken control of when where and how they retrieve information relevant to their purchasing decisions Whether it s the TiVo control that allows them to effortlessly fly past commercials interactive DVDs that simultaneously engage and enlighten or intelligent web sites that cater to their individual needs the consumer has ascended the throne      Communication and Technology Lorenzo Cantoni,James A. Danowski,2015-08-31 The primary goal of the Communication and Technology volume 5th within the series Handbooks of Communication Science is to provide the reader with a comprehensive compilation of key scholarly literature identifying theoretical issues emerging concepts current research specialized methods and directions for future investigations The internet and web have become the backbone of many new communication technologies often transforming older communication media through digitization to make them compatible with the net Accordingly this volume focuses on internet web technologies The essays cover various infrastructure technologies ranging from different kinds of hard wired elements to a range of wireless technologies such as WiFi mobile telephony and satellite technologies Audio visual communication is discussed with reference to large format motion pictures medium sized television and video formats and the small screen mobile smartphone There is also coverage of audio only media such as radio music and voice telephony text media in such venues as online newspapers blogs discussion forums and mobile texting and multi media technologies such as games and virtual reality      *Handbook of Social Media Management* Mike Friedrichsen,Wolfgang Mühl-Benninghaus,2013-05-28 Digitization and Web 2 0 have brought about continuous change from traditional media management to new strategic operative and normative management options Social media management is on the agenda of every media company and requires a new set of specialized expertise on digital products and communication At the same time social media has become a vibrant field of research for media economists and media management researchers In this handbook international experts present a comprehensive account of the latest developments in social media research and management consistently linking classical media management with social media The articles discuss new theoretical approaches as well as empirical findings and applications yielding an interesting overview of interdisciplinary and
