**No Traveller Returns (Louis L'Amour's Lost Treasures)** Louis L'Amour, Beau L'Amour, 2019-10-01 Louis L'Amour's long lost first novel faithfully completed by his son takes readers on a voyage into danger and violence on the high seas Fate is a ship As the shadows of World War II gather the SS Lichenfield is westbound across the Pacific carrying eighty thousand barrels of highly explosive naphtha The cargo alone makes the journey perilous with the entire crew aware that one careless moment could lead to disaster But yet another sort of peril haunts the Lichenfield Even beyond their day to day existence the lives of the crew are mysteriously intertwined Though each has his own history dreams and jealousies longing and rage all are connected by a deadly web of chance and circumstance Some are desperately fleeing the past others chase an unknown destiny A few are driven by the desire for adventure while their shipmates cling to the Lichenfield as their only true home In their hearts these men as well as the women and children they have left behind carry the seeds of salvation or destruction And all of them kind or cruel strong or broken are bound to the fate of the vessel that carries them toward an ever darkening horizon Inspired by Louis L'Amour's own experiences as a merchant seaman No Traveller Returns is a revelatory work by a world renowned author and a brilliant illustration of a writer discovering his literary voice

*Prague Spring* Simon Mawer, 2018-11-13 New York Times bestselling author of The Glass Room Simon Mawer returns to Czechoslovakia this time during the turbulent 1960s with a suspenseful story that mixes sex politics and betrayal In the summer of 1968 a year of love and hate of Prague Spring and Cold War winter Oxford students James Borthwick and Eleanor Pike set out to hitchhike across Europe complicating a budding friendship that could be something more Having reached southern Germany they decide on a whim to visit

Czechoslovakia where Alexander Dubek's socialism with a human face is smiling on the world. Meanwhile Sam Wareham, First Secretary at the British embassy in Prague, is observing developments in the country with both a diplomat's cynicism and a young man's passion. In the company of Czech student Lenka Konekova, he finds a way into the world of Czechoslovak youth, its hopes and its ideas. For the first time, nothing seems off limits behind the Iron Curtain. Yet the wheels of politics are grinding in the background. The Soviet leader Leonid Brezhnev is making demands of Dubek, and the Red Army is amassed on the borders. How will the looming disaster affect those fragile lives caught up in the invasion? With this shrewd, engrossing, and sensual novel, Simon Mawer cements his status as one of the most talented writers of historical spy fiction today.

**Protector** C. J. Cherryh, 2013-04-02 The fourteenth novel in Cherryh's Foreigner space opera series, a groundbreaking tale of first contact and its consequences. Civil war on the world of the Atevi is finally over. Bren Cameron, brilliant human diplomat allied with the dominant Western Association, has finally returned to the capital from the southern coast where he negotiated a daring redistribution of the Atevi legislature. Now Bren is settling back into the capital, the home he knew prior to the war, but life at the Atevi court is never easy. Tabini Aiji, head of the Western Association, and Bren's ally has promised his son Cajeiri that he can have the young human children he knew from his voyage on the world's space station sent down to the planet for a birthday celebration. But there's far a darker business going on in the background, a major split compromising the Assassins Guild, which furnishes security and law enforcement to the whole continent. Tabini's consort's own father has been barred from court and may be involved in a new conspiracy against him. Tabini wants Bren to take charge of Cajeiri and see him and his young guests to safety, all while keeping the security problem a state secret. Can Bren protect Cajeiri and the unsuspecting human children who are to be guests in an Atevi household that is on the brink of political explosion? The long-running Foreigner series can also be enjoyed by more casual genre readers in subtrilogies. Crime and Its Prevention by Grove

Samuel Dow, 1927 **Virtue, Rules, and Justice** Thomas E. Hill Jr, 2012-05-31 Thomas E. Hill Jr interprets, explains, and extends Kant's moral theory in a series of essays that highlight its relevance to contemporary ethics. The book is divided into four sections. The first three essays cover basic themes; they introduce the major aspects of Kant's ethics, explain different interpretations of the Categorical Imperative, and sketch a constructivist reading of Kantian normative ethics, distinct from the Kantian constructivisms of Onora O'Neill and John Rawls. The next section is on virtue, and the essays collected here discuss whether it is a virtue to regard the natural environment as intrinsically valuable, address puzzles about moral weakness, contrast ideas of virtue in Kant's ethics and in virtue ethics, and comment on duties to oneself, second-order duties, and moral motivation in Kant's Doctrine of Virtue. Four essays on moral rules propose human dignity as a guiding value for a system of norms, rather than a self-standing test for isolated cases, contrast the Kantian perspectives on moral rules with rule utilitarianism, and then with Jonathan Dancy's moral particularism, and distinguish often conflated questions about moral

relativism Hill goes on to outline a Kantian position on two central issues In the last section of the book three essays on practical questions show how a broadly Kantian theory if critical of Kant s official theory of law might re visit questions about revolution prison reform and forcible interventions in other countries for humanitarian purposes In the final essay Hill develops the implications of Kant s Doctrine of Virtue for the responsibility of bystanders to oppression
