Swart, 2011-06-21 The Shadow Tree Series comprises a unique collection of Western Esoteric studies and practices which Jacobus Swart has actuated and taught over a period of forty years Having commenced his Kabbalah studies in Safed in the early 1970 s he later broadened his kabbalistic horizons under the careful guidance of the famed English Kabbalist William G Gray The Book of Sacred Names is a practical guide into the meditational and magical applications of ancient Hebrew Divine Names Perpetuating the tenets of traditional Kabbalists who recognised the fundamental bond between Kabbalah and Magic Jacobus Swart offers step by step instructions on the deliberate and conscious control of personal life circumstances by means of the most cardinal components of Kabbalistic doctrines and techniques Divine Names The material addressed in this tome derives from the extensive primary literature of Practical Kabbalah much of which is appearing in print for the first time in English translation Moses Montefiore Abigail Green, 2010-03-15 Humanitarian philanthropist and campaigner for Jewish emancipation on a grand scale Sir Moses Montefiore 1784 1885 was the preeminent Jewish figure of the nineteenth century and one of the first truly global celebrities His story told here in full for the first time is a remarkable and illuminating tale of diplomacy and adventure Abigail Green s sweeping biography follows Montefiore through the realms of court and ghetto tsar and sultan synagogue and stock exchange Interweaving the public triumph of Montefiore s foreign missions with the private tragedy of his childless marriage this book brings the diversity of nineteenth century Jewry brilliantly to life from London to Jerusalem Rome to St Petersburg Morocco to Istanbul Here we see the origins of Zionism and the rise of international Jewish consciousness the faltering birth of international human rights and the making of the modern Middle East With the globalization and mobilization of religious identities now at the top of the political agenda

Montefiore's life story is relevant as never before Mining materials from eleven countries in nine languages Green's masterly biography bridges the East West divide in modern Jewish history presenting the transformation of Jewish life in Europe the Middle East and the New World as part of a single global phenomenon As it reestablishes Montefiore's status as a major historical player it also restores a significant chapter to the history of our modern world **Birthing a Mother** Elly Teman,2010 This is an ethnography which probes the intimate experience of gestational surrogate motherhood Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavour **The Book of Seals & Amulets** Jacobus G. clearly to a contemporary audience These are not stories of purported miracles Nor are they always verifiable Some of the stories are folktales others are exaggerations Some are biographical others are snapshots from history But all have a singular theme and goal renewed faith in divine guidance or in the human capacity to do good deeds Epstein explains in his introduction that an inspirational story can affect its listener in many ways it can clarify religious ideas lead to spiritual experiences reinforce theological notions provide peace of mind give birth to motivation for spiritual action and serve as a model for living To find such stories for *A Treasury of Jewish Inspirational Stories* Epstein searched every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and reverence *A Treasury of Jewish Inspirational Stories* is a fine sourcebook for what the author describes as a special kind of literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the Holocaust It is his hope that *A Treasury of Jewish Inspirational Stories* will allow readers to search for the inspirational stories in their own lives

The Legends of the Jews - Vol. IV Louis Ginzberg, 2006-04-01 Absalom was of such gigantic proportions that a man who was himself of extraordinary size standing in the eye socket of his skull sank in down to his nose As for his marvellous hair the account of it in the Bible does not convey a notion of its abundance Absalom had taken the vow of a Nazarite As his vow was for life and because the growth of his hair was particularly heavy the law permitted him to clip it slightly every week It was of this small quantity that the weight amounted to two hundred shekels from Absalom's Rebellion The masterpiece of one of the preeminent Talmudic scholars of the 20th century the multivolume *Legends of the Jews* gathers together stories from the Talmud the Midrash the Bible and oral traditions also known as the Haggada and offers them in chronological order Volume IV first published in 1913 features tales of Joshua Boaz and Ruth Samuel and Saul David Solomon Judah and Israel Elijah Esther and more A work of brilliant erudition and deep devotion this is an invaluable collection of religious lore American rabbi LOUIS GINZBERG 1873 1953 founded the American
