Not As Far As Velma Nicolas Freeling, 2023-12-05 That artful master of the international policier delivers another one of his uncommonly intelligent procedurals with Inspector Henri Castang The New York Times When Police Commissaire Henri Castang is summoned to investigate a missing hotelier he is not alarmed at the young widow's disappearance Until a routine inquiry on the hotel's last guest reveals him to be a Jewish artist and concentration camp survivor who never checked in to a room All clues seem to lead to a dead end until a terrorist bombing of a church convent sends Castang in search of a mystery that will link back to the crimes buried deep in Europe's war-torn past A rich and savory ratatouille fans have come to expect from Freeling ironical and humorous sad clever and insightful Publishers Weekly A dark vision of war then and now and of tangled loyalties to God to country to man with love overriding all Kirkus Reviews

The Vanishing Girl (Daphne and Velma #1) Josephine Ruby, 2020-03-03 It's the classic girl detectives like you've never seen them before Daphne Blake and Velma Dinkley have a terrifying new mystery to solve and this time the culprit is far more frightening than any man in a mask Popular Daphne Blake and uber nerd Velma Dinkley are not friends They aren't enemies either but they don't have any reason to speak to each other and that's how they prefer it The two girls grew up together they'd been best friends since pre-K but when they hit middle school Daphne dropped Velma and never looked back These days Daphne's deep in the popular crowd daughter of the richest family in town while Velma's an outsider hiding from the world behind her thick glasses When they run into each other in the halls of Crystal Cove High they look the other way But then Daphne's best friend Marcy who happens to be Velma's cousin goes missing A century ago there was a wave of disappearances in Crystal Cove and many local people believe that supernatural forces were behind it Now the whole town believes those same forces are back and up to no good Daphne and Velma may be the only ones who can solve the mystery and save Marcy if they can trust each other enough to try Especially since the truth might be stranger and scarier than either girl can imagine

Morgan,2005 Murder Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall

Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder *10 Years of the Caine Prize for African Writing* The Caine Prize for African Writing,2009-09-01 Celebrating ten years of the leading literary prize for African fiction dubbed The African Booker 10 Years of the Caine Prize brings together the ten winning stories along with a story each from the four African winners of the Booker Prize Chinua Achebe J M Coetzee Nadine Gordimer and Ben Okri The ten winners Leila Aboulela for *The Museum* Helon Habila for *Love Poems* Binyavanga Wainaina for *Discovering Home* Yvonne Adhiambo Owuor for *Weight of Whispers* Brian Chikwava for *Seventh Street Alchemy* S A Afolabi for *Monday Morning* Mary Watson for *Jungfrau* Monica Arac de Nyeko for *Jambula Tree* Henrietta Rose Innes for *Poison* The tenth winner is to be announced and published in the *New Internationalist* in July 2009 **Hitting the Charts** Leon Rooke,2006-09-15 According to Russell Banks North Carolina ex pat Leon Rooke s work charts what the short story form can and cannot do for he works out there in the terra incognita mapping limits *Hitting the Charts* a nineteen story Best Of compilation offers stories as free from constraint as a Monk solo and as disquieting and resonant as a southern Baptist preacher at a big tent revival *Dancing is not forbidden* **Amish Cooking Class - The Celebration** Wanda E.
