Not By Might Nor By Power:

Not by Might, Nor by Power Graham Power, 2009 This is not the story of a mighty organizational tool nor the abilities of one man Graham Power Rather it is a testimony to the work of the Holy Spirit that began in South Africa and then spread throughout the rest of the world In these twenty one chapters readers will learn the history and beginnings of the Global Day of Prayer and how God answers prayer and makes visions come true **"Not by Might, Nor by Power"** Moshe Menuhin, 2017-03-07 With a new introduction by Adi Ophir An early and fierce critique of Zionism from a Jewish child of Palestine who argued against nationalism and injustice Born in 1893 Moshe Menuhin was part of the inaugural class to attend the first Zionist high school in Palestine the Herzliya gymnasium in Tel Aviv He had grown up in a Hasidic home but eventually rejected orthodoxy while remaining dedicated to Judaism As a witness to the evolution of Israel Menuhin grew disaffected with what he saw as a betrayal of the Jews spiritual principles This memoir written in 1965 is considered the first revisionist history of Zionism A groundbreaking document it discusses the treatment of the Palestinians the effects of the Holocaust the exploitation of the Mizrahi Jewish immigrants and the use of propaganda to win over public opinion in America and among American Jews In a postscript added after the Six Day War Menuhin also addresses the question of occupation This new edition is updated with an introduction by Israeli philosopher Adi Ophir putting Menuhin s work into a contemporary historical context Passionate and sometimes inflammatory in its prose and met with controversy and anger upon its original publication under the title *The Decadence of Judaism in Our Time* Menuhin s polemic remains both a thought provoking reassessment of Zionist history and a fascinating look at one observer s experience of this embattled corner of the world over the course of several tumultuous decades The Spurgeon Series 1857 & 1858 Charles H. Spurgeon, 2012-01-01 Known as the Prince of Preachers Charles Haddon Spurgeon was among the most prolific and influential pastors of the 19th century Characterized by profound insights and a passionate call for personal relationships with Christ Spurgeon s work has stood the tests of time Beloved even today Spurgeon s sermons offer you the opportunity to grow in your own faith in a conveniently digital format designed for your busy life on the go Updated into modern language with helpful explanatory footnotes the text has been carefully proofed to ensure the highest quality and accuracy Brought to you by the editors who translated the landmark work *Annals of the World* this first series of digital releases from the Spurgeon sermon collection is for the years 1855 and 1856 in one convenient digital file at an unbeatable price All sermons are unabridged and include references to make it convenient for you to extend your Spurgeon studies Easy to read and hard to forget these are sermons of substance that will impact your life today *The Holy Bible ...
