Olshansky,Laurie Johnson,2017-11-08 Planning the rebuilding of New Orleans after Hurricanes Katrina and Rita has been among the greatest urban planning challenges of our time Since 2005 Robert B Olshansky and Laurie A Johnson urban planners who specialize in disaster planning and recovery have been working to understand in real time the difficult planning decisions in this unusual situation As both observers of and participants in the difficult process of creating the Unified New Orleans Plan Olshansky and Johnson bring unparalleled detail and insight to this complex story The recovery process has been slow and frustrating in part because New Orleans was so unprepared for the physical challenges of such a disaster but also because it lacked sufficient planning mechanisms to manage community reconstruction in a viable way New Orleans has had to rebuild its buildings and institutions but it has also had to create a community planning structure that is seen as both equitable and effective while also addressing the concerns and demands of state federal nonprofit and private sector stakeholders In documenting how this unprecedented process occurred Olshansky and Johnson spent years on the ground in New Orleans interviewing leaders and citizens and abetting the design and execution of the Unified New Orleans Plan Their insights will help cities across the globe recognize

Michael Olesker's *Baltimore* deepens our understanding of the city's people and their resilience. Olesker is hard edged and straightforward but also warmhearted in his portrayal of Baltimore's colorful characters and their settings. In a style that combines police blotter with Sunday feature writing, he tells brief stories that show why to visitors and residents alike, Baltimore feels like home. Baltimore is a city of tribal rituals: of neighbors sharing steamed crabs in the back yard and downtown waitresses who call their customers "Hon" without worrying about any vast sociological implications; of worshipful football fans who believe the snatching of their beloved Colts was the worst kidnapping since the Lindbergh baby; from Michael Olesker's *Baltimore*.
