Free Speech on Campus Erwin Chemerinsky,Howard Gillman,2017-09-12 Can free speech coexist with an inclusive campus environment Hardly a week goes by without another controversy over free speech on college campuses On one side there are increased demands to censor hateful disrespectful and bullying expression and to ensure an inclusive and nondiscriminatory learning environment On the other side are traditional free speech advocates who charge that recent demands for censorship coddle students and threaten free inquiry In this clear and carefully reasoned book a university chancellor and a law school dean both constitutional scholars who teach a course in free speech to undergraduates argue that campuses must provide supportive learning environments for an increasingly diverse student body but can never restrict the expression of ideas This book provides the background necessary to understanding the importance of free speech on campus and offers clear prescriptions for what colleges can and can t do when dealing with free speech controversies

Where Free Men Pray Diane W. Cardenas and S. Bryan Gonzales,2008-10-27 Cash and Travis it all began one warm October day back in 2003 on a forgotten levee of the mighty Yellowstone River They were high school students seniors in fact As champions within their own fields Cash a rodeo cowboy and Travis a football player they come to the plate on their own terms but eventually they fall in love And what happens after that brings the sleepy town of Miles City to life challenging many paradigms As they work through their differences and face outside challenges their relationship grows stronger or so it

seems until it is revealed to Cash he has inherited a young girl not just any girl but Lee's daughter So with concerns of completing their educations taking on careers and child raising Cash and Travis struggle with issues many couples encounter today And these events eventually bring unbearable strain affronting the very elements keeping them together The question is will they survive and develop a stronger relationship or will their love crack and crumble as it does so often today Where
