Not Seeing Is Believing:

Seeing Is Believing Laura Geil, 2012-05 **Seeing Is Believing** Gregory A. Boyd, 2004-04-01 One of the most common problems with Christians in our modern secularized world is that they don't feel the reality of Jesus. Sure they believe in him and love him but he somehow doesn't seem to enter their daily lives in a real sense. Some might say You ought to pray more. Others would advise You ought to witness more. While this may be true we don't get closer to God just because we ought to. Boyd believes that the way to true spiritual transformation and feeling the presence of God in your life comes from a little R and R rest and reality. Boyd encourages readers to stop striving and learn to rest in an experience of Jesus as real. The best way to do this he says is through imaginative prayer. Experiencing Jesus will teach readers how to use God's gracious gift of creative imagination to know him better and feel his presence in their daily lives.

Seeing is Believing Kate Austin, 2007-10-01 There's a magic in life. But Ria Sterling has yet to embrace it because she considers her ability to predict death from merely touching a photograph a curse. She yearns to use her sight to save just one life. On the other hand tough talking detective Carrick Jones and his partner profess not to care about saving anyone. But they do need Ria's help in solving a case. Instead she predicts that Carrick's partner will die soon. And when her vision proves true Ria goes from psychic to prime suspect. The one thing she can't predict is her instant attraction to Carrick a man who doesn't believe in the paranormal only what his five senses tell him. But when danger threatens Ria finally sees how to use her gift in a unique way. And to show Carrick the inexplicable power of a love where seeing really is believing.

Seeing Is Believing Peter Biskind, 2000-09-11 Seeing is Believing is a provocative shrewd witty look at the Hollywood fifties movies we all love or love to hate and the thousand subtle ways they reflect the political tensions of the decade. Peter Biskind former executive editor of Premiere is one of our most astute cultural critics. Here he concentrates on the films everybody saw but nobody really looked at classics like Giant On the Waterfront Rebel Without a Cause and Invasion of the Body Snatchers and shows us how movies that appear to be politically innocent in fact carry an ideological burden. As we see organization men and rugged individualists housewives and career women cops and doctors teen angels and teenage werewolves fight it out across the screen from suburbia to the farthest reaches of the cosmos we understand that we have been watching one long dispute about how to be a man a woman an American the conflicts of the period in action. A work of brilliant analysis and meticulous
