français d'archéologie orientale du Caire, 1917 **Voltaire's disciple** Christopher Todd, 1972 *Women In 17th Century France* Wendy Gibson, 1989-07-17 This book aims to trace the life of the seventeenth century Frenchwoman from cradle to the grave through mainly contemporary primary sources which include just about everything from collections of laws to traveller's tales Rather than reworking and refuting the twentieth century experts in the field the author works directly through from birth and childhood through matrimony women at work and in political life manners and religion to conclusive death **Mémoires - Société archéologique et historiqe de la Charente** Société archéologique et historique de la Charente, 1967 Frequently includes the contents of its Bulletin mensuel **Pondicherry, Tamil Nadu and South India under French Rule** J.B.P. More, 2020-11-01 This is a study of the colonization of Pondicherry Tamil Nadu and South India by the French during the eighteenth century and their interactions with the Indian rulers and populations in the political economic social and religious spheres French Governors based in Pondicherry since François Martin up to Dupleix never acquired any territory for France through outright conquest They or their masters in France never had any grand plan to establish a French empire in India Some Indian rulers were friendly with the French and the English as it served their interests The study demonstrates that the French colonizers and missionaries would not have survived in India without the collaboration of the Indian dubashes merchants certain Indian rulers and military men This collaboration was not on an equal footing as the sepoys merchants and dubashes were always subordinate and submissive to the Europeans Even Ananda Ranga Pillai the most famous of the Indian dubashes had to resort to the art of flattery to be in the good books of his master European arrival and presence in India heralded the beginning of a cultural clash between the Europeans and Indians in which the former had the upper hand There was never any partnership or master-bania relationship between the French and the Indians Instead the relationship had all the trappings of a master-subordinate relationship where the subordinate even though he might be a dubash was always at the mercy of the colonizers The element of force aggressivity and violence was omnipresent in European presence and expansion in India in the political economic and religious fields Please note This title is co-published with X Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Marie-Antoinette** John Hardman, 2019-09-10 A new look which fundamentally overturns our understanding of this famously out-of-touch queen Presents Marie Antoinette as much more than a symbol whose meaning is in the eye of her beholder neither martyr nor voluptuary but rather a serious participant in politics Lynn Hunt New York Review of Books Splendid Masterly A wonderfully gripping biography Allan Massie Wall Street Journal Named a Book of the Year 2020 by The Spectator Who was the real Marie Antoinette She was mistrusted and reviled in her own time and today she is portrayed as a lightweight incapable of understanding the events that engulfed her In this new account John Hardman redresses the balance and sheds fresh light on Marie Antoinette's story Hardman shows how Marie Antoinette played a significant but misunderstood role in the crisis of the monarchy Drawing on new sources he describes how from the outset Marie Antoinette

refused to prioritize the aggressive foreign policy of her mother Maria Theresa bravely took over the helm from Louis XVI after the collapse of his morale and when revolution broke out listened to the Third Estate and worked closely with repentant radicals to give the constitutional monarchy a fighting chance For the first time Hardman demonstrates exactly what influence Marie Antoinette had and when and how she exerted it **Catalogue of Scientific Papers** ,1867 **Catalogue of Scientific Papers (1800-1900).: First series 1800-1863** Royal Society (Great Britain),1867
