Palestine Is Coming:

The Maccabaeans, 1919 **Palestine's Christians and the Nationalist Cause** Erik Freas, 2024-12-23 This book provides an historical overview of Palestine's Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods. More than being a history of Palestine's Christian Arabs, the book focuses on Palestine's Christians during the formative period of Palestinian Arab national identity, attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam. Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive, things more recent scholarship has addressed the fact that often there exists considerable overlap between the two, though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith, as is the case here. The relationship is also an ever-changing one, hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine's Christians vis-à-vis their place in the nationalist cause and relationship with the broader Muslim population. The book will be of interest to historians and scholars focused on the modern Middle East, Palestinian history, Muslim-Christian intercommunal relations, and the relationship between nationalism and religion.

Palestine, Taiwan, and Western Sahara Sabella Ogbobode Abidde, 2023-07-24 To have a State, four distinct conditions must be met. First, there must be a community of people, and it matters not whether they belong to the same color, faith, or ethnicity. Second, there must be a geographical space, a settlement that this community of people calls a home. Third, there must be governing authority. And finally, the government must be sovereign, sovereign in the sense that it is self-governing and independent of any domestic or international body. Palestine, Taiwan, and Western Sahara have met all the fore-stated conditions except for broad international support and recognition and membership of the United Nations. However, this has not been the case with Palestine, Taiwan, and Western Sahara. This edited volume examines some of the endogenous and exogenous factors that have contributed to the ambiguous and contested nature of these political entities and argued that the undermined nature of these entities contributes to regional instability and global insecurity. And finally, the continued denial of statehood is a violation of their collective human rights.

Perceptions of Palestine Kathleen Christison, 2023-04-28 For most of the twentieth century, considered opinion in the United States regarding Palestine has favored the inherent right of Jews to exist in the Holy Land. That Palestinians as a native population could claim the same right has been largely ignored. Kathleen Christison's controversial new book shows how the endurance of such assumptions, along with America's singular focus on Israel and general ignorance of the Palestinian point of view, has impeded a resolution to the Arab-Israeli conflict. Christison begins with the derogatory images of Arabs purveyed by Western travelers to the Middle East in the nineteenth century, including Mark Twain, who wrote that Palestine's inhabitants were abject beggars by nature, instinct, and education. She demonstrates other elements that have influenced U.S. policymakers, American religious

attitudes toward the Holy Land that legitimize the Jewish presence sympathy for Jews derived from the Holocaust a sense of cultural identity wherein Israelis are like us and Arabs distant aliens She makes a forceful case that decades of negative portrayals of Palestinians have distorted U S policy making it virtually impossible to promote resolutions based on equality and reciprocity between Palestinians and Israelis Christison also challenges prevalent media images and emphasizes the importance of terminology Two examples are the designation of who is a terrorist and the imposition of place names which can pass judgment on ownership Christison s thoughtful book raises a final disturbing question If a broader frame of reference on the Palestinian Israeli conflict had been employed allowing a less warped public discourse might not years of warfare have been avoided and steps toward peace achieved much earlier For most of the twentieth century considered opinion in the United States regarding Palestine has favored the inherent right of Jews to exist in the Holy Land That Palestinians as a native population could claim the same right has been largely ignored **The Near East** ,1916

Stories from Palestine Marda Dunskey,2021-03-01 Stories from Palestine profiles Palestinians engaged in creative and productive pursuits in their everyday lives in the West Bank Jerusalem and the Gaza Strip Their narratives amplify perspectives and experiences of Palestinians exercising their own constructive agency In Stories from Palestine Narratives of Resilience Marda Dunskey presents a vivid overview of contemporary Palestinian society in the venues envisioned for a future Palestinian state Dunskey has interviewed women and men from cities towns villages and refugee camps who are farmers scientists writers cultural innovators educators and entrepreneurs Using their own words she illuminates their resourcefulness in navigating agriculture education and cultural pursuits in the West Bank persisting in Jerusalem as a sizable minority in the city and confronting the challenges and uncertainties of life in the Gaza Strip Based on her in depth personal interviews the narratives weave in quantitative data and historical background from a range of primary and secondary sources that contextualize Palestinian life under occupation More than a collection of individual stories Stories from Palestine presents a broad crosscut view of the tremendous human potential of this particular society Narratives that emphasize the human dignity of Palestinians pushing forward under extraordinary circumstances include those of an entrepreneur who markets the yields of Palestinian farmers determined to continue cultivating their land even as the landscape is shrinking a professor and medical doctor who aims to improve health in local Palestinian communities and an award winning primary school teacher who provides her pupils a safe and creative learning environment In an era of conflict and divisiveness Palestinian resilience is relatable to people around the world who seek to express themselves to achieve to excel and to be free Stories from Palestine creates a new space from which to consider Palestinians and peace **80 Old Testament Characters of World History: Chronological, Historical and Archaeological Evidence** Gerard Gertoux,2016-02-27 Despite the fact that the name of many characters mentioned in the Old Testament like David King of Israel have been recently confirmed by archaeology as well as their epoch and the events in which they were involved most

archaeologists continue to deny the historicity of the Bible they view as pious fiction or a mythical account They argue that the major events in the Bible such as the victory of Abraham against Chedorlaomer an unknown king of Elam around 2000 BCE the victory of Moses against an unknown Pharaoh around 1500 BCE or the victory of Esther an unknown Persian Queen against an unknown vizier of Xerxes never existed because they left absolutely no evidence They also explain that according to what we know today these events could not have occurred These logical arguments are impressive but a precise chronological analysis based on absolute dates coupled with a rigorous historical investigation shows that all those major events really took place at the dates and places indicated

Kings David and Solomon: Chronological, Historical and Archaeological Evidence Gerard Gertoux,2015 The David and Solomon s kingdoms are no longer considered as historical

by minimalist archaeologists According to Finkelstein and Silberman for example authors of The Bible Unearthed Archaeology s New Vision of Ancient Israel and the Origin of Its Sacred Texts at the time of the kingdoms of David and Solomon Jerusalem was populated by only a few hundred residents or less Some Biblical minimalists like Thompson go further arguing that Jerusalem became a city and capable of being a state capital only in the mid seventh century Likewise Finkelstein and others consider the claimed size of Solomon s temple implausible A review of methods and arguments used by these minimalists shows that they are impostors for writing history The historical testimonies dated by a chronology anchored on absolute dates backbone of history are replaced by archaeological remains dated by carbon 14 backbone of modern myths The goal of these unfounded claims is clearly the charring of biblical accounts

Moses and the Exodus Chronological, Historical and Archaeological Evidence Gerard Gertoux,2015 The existence Moses as well as the Exodus is a crucial question because according to the Bible the character related to that famous event forms the basis of the Passover which meant the Promised Land for Jews and later the Paradise for Christians However according to most Egyptologists there is absolutely no evidence of Moses and the Exodus in Egyptian documents which leads them to conclude that the whole biblical story is a myth written for gullible people However according to Egyptian accounts the last king of the 15th dynasty named Apopi very pretty which was Moses birth name Ex 2 2 reigned 40 years in Egypt 1613 1573 and met Seqenenre Taa 40 years later the last pharaoh of the 17th dynasty who died in May 1533 BCE in dramatic and unclear circumstances Ps 136 15 The state of his mummy proves that his body received severe injuries and remained abandoned for several days before being mummified The eldest son of Seqenenre Taa Ahmose Sapa r who was crown prince died in a dramatic and unexplained way shortly before his father Ex 12 29 Prince Kamose Seqenenre Taa s brother assured interim of authority for 3 years and threatened attack the former pharaoh Apopi new prince of Retenu Palestine who took the name Moses according to Manetho an Egyptian priest and historian In the stele of the Tempest Kamose also blames Apopi for all the disasters that come to fall upon Egypt which caused many deaths Ironically those who believe Egyptologists are actually the real gullible ones

Baksheesh Diplomacy Rafael Medoff,2001-01-01 Could the Arab Israeli conflict have been

avoided Was it possible to achieve peace between Jews and Arabs in Palestine in the 1930s Rafael Medoff's intriguing study reveals for the first time the story of the Fifth Avenue multimillionaires who believed they could bring peace to the Middle East through secret diplomacy and a generous dose of Baksheesh the Arabic word for bribery In documents unearthed from archives on three continents Medoff has discovered an extraordinary and previously unknown chapter in the history of Middle East diplomacy Here he brings the story to life A work of history that reads like a thriller this book takes the reader from the elite Jewish social clubs of interwar Manhattan to the bustling bazaars of Baghdad as it sheds fresh light on the Arab Jewish conflict the relationship between American Jewry and the Holy Land and the divisions within the Jewish community over the Palestinian Arab issue Time and Money Robert Gover,2005 Can the planets predict economic conditions In *Time and Money* best selling author Robert Gover links the planets to major economic turning points in US history going back to Columbus Using planetary patterns that coincide with past economic hard times and social upheavals Gover reveals why the 2000 teens are going to be the most horrendous decade in US history **Biblical Narrative and Palestine's History** Thomas L. Thompson,2014-09-11 Modern biblical scholarship's commitment to the historical critical method in its efforts to write a history of Israel has created the central and unavoidable problem of writing an objective and critical history of Palestine through the biblical literature with the methods of Biblical Archaeology *Biblical Narrative and Palestine's History* brings together key essays on historical method and the archaeology and history of Palestine The essays employ comparative and formalistic techniques to illuminate the allegorical and mythical in Old Testament narrative traditions from Genesis to Nehemiah In so doing the volume presents a detailed review of central and radical changes in both our understanding of biblical traditions and the archaeology and history of Palestine The study offers an analysis of Biblical narrative as rooted in ancient Near Eastern literature since the Bronze Age *The Palestinian Diaspora* Helena Lindholm Schulz,2005-07-27 From the refugee camps of the Lebanon to the relative prosperity of life in the USA the Palestinian diaspora has been dispersed across the world In this pioneering study Helena Lindholm Schulz examines the ways in which Palestinian identity has been formed in the diaspora through constant longing for a homeland lost In so doing the author advances the debate on the relationship between diaspora and the creation of national identity as well as on nationalist politics tied to a particular territory But *The Palestinian Diaspora* also sheds light on the possibilities opened up by a transnational existence the possibility of new less territorialized identities even in a diaspora as bound to the idea of an idealized homeland as the Palestinian Members of the diaspora form new lives in new settings and the idea of homeland becomes one important but not the only source of identity Ultimately though Schulz argues the strong attachment to Palestine makes the diaspora crucial in any understandings of how to formulate a viable strategy for peace between Israelis and Palestinians Charles Fox Parham Larry Martin,2022-08-02 Charles Fox Parham is an absorbing and perhaps controversial biography of the founder of modern Pentecostalism Parham was a deeply flawed individual who nevertheless was used by God to initiate and establish one of the

greatest spiritual movements of the twentieth and twenty first centuries helping to restore the power of Pentecost to the church and being a catalyst for numerous healings and conversions Author Dr Larry Martin is a lifelong Pentecostal with decades of ministry as a pastor educator and evangelist He researched the life of this complicated and contradictory figure for over twenty five years before writing this book with a certain degree of hesitancy By disclosing the whole truth about Parham s life which has never fully been done before would it give excessive ammunition to the critics of the Pentecostal and charismatic movements Martin uncompromisingly exposes Parham s weaknesses faulty thinking and transgressions while disassociating his behavior from the movement as a whole writing with an inside understanding of Pentecostalism and a thoughtful analysis of Parham s life that goes beyond the acknowledgment of human frailty to reveal the work of a sovereign God If we don t confront the faults of our spiritual fathers Martin says we will fail to address the truth in the way the Bible lays bare the faults of some of our greatest biblical heroes of the faith We must recognize and learn from the weaknesses of others as well as their achievements The author of several books on the Azusa Street Revival the history of early Pentecostals and the Pentecostal Church of God Martin presents a much needed exploration of the life of one of the most influential religious figures of the twentieth century whose impact is still widely felt today Includes photos of Parham s life and ministry

Palestine Is Coming Introduction

In the digital age, access to information has become easier than ever before. The ability to download Palestine Is Coming has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Palestine Is Coming has opened up a world of possibilities. Downloading Palestine Is Coming provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Palestine Is Coming has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Palestine Is Coming. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Palestine Is Coming. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Palestine Is Coming, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Palestine Is Coming has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
