Boycotting Israel is Wrong Philip Mendes, Nick Dyrenfurth, 2015-05-01 This is the first progressive

book to argue that the BDS movement boycott divestment and sanctions against Israel is the wrong way to broker peace in the Israeli Palestinian conflict rather it argues that peace will come only when both Israelis and Palestinians legitimate claims to statehood are recognised by both sides The BDS movement boycott divestment sanctions against Israel has gained traction and publicity worldwide for a decade Yet here Philip Mendes and Nick Dyrenfurth two politically progressive commentators argue that BDS is far too blunt an instrument to use in such a complex political situation Instead they critically analyse the key arguments for and against BDS and propose a solution that supports Israel s existence and Palestinian rights to a homeland urging mutual compromise and concessions from both sides
