

The Palestinian Regime

A 'PARTIAL DEMOCRACY'

AS'AD GHANEM

Palestinian Regime A Partial Democracy

Hussein ALAhmad

Palestinian Regime A Partial Democracy:

The Palestinian Regime As'ad Ganim, 2001 This text examines the new political order that emerged in the West Bank and Gaza after the establishment of the Palestinian National Authority PNA in 1994 It demonstrates that two political systems exist in the West Bank and Gaza Strip one which is active undemocratic and dominant and one which is passive democratic and overshadowed by the first As ad Ghanem demonstrates how Yassir Arafat has created an authoritarian regime and how he controls this through the concentration of power intimidation and bribery after having shoved aside the forces that had shaped the emerging political order that had come into being before the establishment of the PNA This order which incorporated political pluralism struggle protest on behalf of change and voluntary organisations that were the first sign of the appearance of a Palestinian civil society functions as a weak shadow of Arafat s centralized regime **Media Politics and Democracy in Palestine** Amal Jamal, 2017-09-02 In opposition to the PA liberal as well as Islamic social forces promote policies of protest and resistance through media tools against the authoritarian policies of the PA The media is viewed as a public sphere in which these forces compete Media institutions play an important role in setting the parameters of communication in processes of state building promoting public debate and forming public spheres influence the modes of state civil society relations Combining concepts of political communication with social movement theory the author examines the extent to which public opinion plays a role in determining the character of the political regime The rising tension between the Palestinian Authority s attempts to deepen its control over society and the reaction to this development by opposition groups informs the analysis of each civil institution the role of NGOs the Islamic movement the women s movement and Palestinian feminism and the liberal democratic intellectual elite are all assessed through their media institutions and communication policies to reveal the character of the emerging Palestinian public sphere *Palestinian Politics After Arafat* As'ad Ganim, 2010 Here the author analyzes the internal and external events that unfolded as the Palestinian national movement became a failed national movement marked by internecine struggle and collapse the failure to secure establishment of a separate state and much more **Palestine and the Palestinians in the 21st Century** Rochelle Davis, Mimi Kirk, 2013-10-07 Specialists on Palestinian politics history economics and society examine the continuities that bind the twentieth and twenty first centuries Recent developments in Palestinian political economic and social life have resulted in greater insecurity and diminishing confidence in Israel s willingness to abide by political agreements or the Palestinian leadership s ability to forge consensus This volume examines the legacies of the past century conditions of life in the present and the possibilities and constraints on prospects for peace and self determination in the future These historically grounded essays by leading scholars engage the issues that continue to shape Palestinian society such as economic development access to resources religious transformation and political movements The multidisciplinary essays in this volume portray a nation contemplating the possibility of stalemate hemmed in and searching for outlets to express its self

determination Davis and Kirk divide the book thematically into three sections focusing broadly on colonialism and its effects politics and law in the Palestinian territories and the future of the Palestinian state and its place in the international system Publishers Weekly

Peace Processes and Peace Accords Samir Kumar Das, 2005-11-05 The second volume in the South Asian Peace Studies series Peace Processes and Peace Accords looks at the political question of peace from three perspectives the process of peace the contentious issues involved in the peace process and the ideologies that come in conflict in this process Arguing that peace is not a one time event to be achieved and rejoiced over but a matter to be sustained against various odds the contributors show that the sustainability of peace depends on a foundation of rights justice and democracy Peace accords they maintain are only a moment in the process the very act of signing an accord could mark either a continuation of the same conflict or simply its metamorphosis Therefore as this volume shows negotiation should be redefined as joint problem solving on a long term sustained basis rather than one off hard bargaining

The Arab Authoritarian Regime between Reform and Persistence Henner Fürtig, 2009-03-26 Economic and or political liberalisation became a symbol of Arab authoritarian regimes since the initial phase of the third wave of democratisation in the early 1990s Arab rulers found out that liberalisation could help strengthening their authoritarian rule it diminishes both internal and external pressure and increases their legitimacy While the regimes soon figured out that the West finally preferred stability and the containment of Islamic militancy to uncertainty caused by democratic experiments 9 11 proved the failure of this unwritten agreement Based on the experience that democracies do not wage wars against each other the U S government came to the conclusion that only a sincere advancement of human rights and democracy in the Islamic world would in the long run avoid a repetition of 9 11 like events The book analyses in detail how selected Arab regimes from Morocco in the West via Egypt in the centre to Syria and Palestine in the East reacted to this new unprecedented challenge Most of them promised a substantial intensification of the liberalisation process Therefore the book had to answer the question whether the current reforms are still rhetorical and cosmetic or real and radical i e whether they once again rather foster the authoritarian regimes or lean towards the promotion of democratisation this time Although a certain surplus of freedom for the ruled could be measured the book resumed that the liberalisation process is still opposed to democratisation insofar as the authoritarian elite continues to use it as a tool to avoid democracy Nevertheless the authors did not stop here They stated that under the complex circumstances of the modern world even rational actors such as Arab regimes cannot assess all the long term consequences of their actions Therefore they cannot definitely be sure whether a specific measure contributes to the strengthening or to the weakening of their rule Unintended the reforms may result in long term developments which are detrimental to the interests of the authoritarian elite In other words if certain liberalisation policies increase the legitimacy of the authoritarian rule in the short run it still cannot be excluded that they may destabilise the system in the long run i e democracy may come by accident

The Palestinian People Baruch Kimmerling, 2009-07-01 In a timely reminder of how the

past informs the present Baruch Kimmerling and Joel Migdal offer an authoritative account of the history of the Palestinian people from their modern origins to the Oslo peace process and beyond Palestinians struggled to create themselves as a people from the first revolt of the Arabs in Palestine in 1834 through the British Mandate to the impact of Zionism and the founding of Israel Their relationship with the Jewish people and the State of Israel has been fundamental in shaping that identity and today Palestinians find themselves again at a critical juncture In the 1990s cornerstones for peace were laid for eventual Palestinian Israeli coexistence including mutual acceptance the renunciation of violence as a permanent strategy and the establishment for the first time of Palestinian self government But the dawn of the twenty first century saw a reversion to unmitigated hatred and mutual demonization By mid 2002 the brutal violence of the Intifada had crippled Palestine s fledgling political institutions and threatened the fragile social cohesion painstakingly constructed after 1967 Kimmerling and Migdal unravel what went right and what went wrong in the Oslo peace process and what lessons we can draw about the forces that help to shape a people The authors present a balanced insightful and sobering look at the realities of creating peace in the Middle East

Between State and Non-State Gülistan Gürbey, Sabine Hofmann, Ferhad Ibrahim Seyder, 2017-03-23 This edited volume compares the internal dimension politics and society in Kurdistan Iraq and Palestine In particular it focuses on internal processes in Kurdistan Iraq and Palestine Palestinian Territory of the West Bank and Gaza Strip in their specific shaping development and transformation The contributing authors analyze the transformation processes of the internal power structures the economic basics and the civil societies and provide an overview of the current political economic and societal situation and challenges in both regions The book presents the similarities and differences between both de facto states with regard to a set of guidelines legitimacy power relations transformation of politics and society It provides empirical explanations and contributes to a better understanding of both de facto states

The Democratization Project Ashok Swain, Ramses Amer, Joakim Öjendal, 2011-07 This volume drawing on the work of a variety of scholars contributes to identifying and understanding the challenges and opportunities presented by the current wave of democratization to the peace and development of the world both at the domestic level in selected countries trends in regions of the world and in the global system of the post Cold War Era

Between Resistance, Sharia Law, and Demo-Islamic Politics Michael Schulz, 2020-11-03 Despite the fact that many researchers have focused on Hamas armed resistance activities surprisingly few have theorised about the political choices and dilemmas that Hamas has faced in the context of the changing overarching conflict between Israelis and Palestinians This study aims to show theoretically how context dependent Hamas is when formulating its resistance and Demo Islamic practise and that this occurs in interrelations with key actors of the conflict This study also presents important new empirical data that in part also challenges previous research Hamas is one of the very few Islamist organisations that has reached a governance position via democratic and fair elections Thus Hamas can serve as a case study of how Islamist may act in quasi democratic surroundings At the same time Hamas is a key

actor in the overarching conflict which has several unique characteristics Hamas armed resistance is described as an instrument for the Jihad against the Israeli occupation However the Dawa work at the grassroots level can also be seen as a resistance practice that can be identified as constructive resistance The internal discussion in Hamas as to what strategies to apply as will be shown are also formed and impacted by various interrelations with external actors of the conflict The Palestinian public in particular is a key actor that influences Hamas in various ways although Fatah PLO Israel and other external actors also have their specific roles to play

Governance in the Middle East and North Africa Abbas K. Kadhim, 2013 Governance in the Middle East and North Africa will analyze developments in this region of major importance looking at current issues in historical perspective and will be essential reading for academics students and policy makers and for anyone with an interest in Middle East policies and politics

The Palestinians Cheryl Rubenberg, 2003 A forceful penetrating critique of the Oslo Accords and their devastating aftermath

Deconstructing the Dynamics of World-Societal Order Jan Busse, 2017-11-23 To get a better sense of power dynamics in global politics this book presents an innovative theoretical framework combining a critical engagement with and further development of Michel Foucault's governmentality on the one hand and the theory of world society of the Stanford School of Sociology on the other Making an original contribution to academic debates about power and global political order this book develops a comprehensive theoretical perspective on power relations and political dynamics The book starts from the presupposition that any theoretical engagement of that kind requires nuanced empirical study as well It therefore analyzes the dynamics of world societal order in the concrete empirical example of Palestine and raises the question of how its political and societal order comes into existence The author argues that governmentality represents a fundamental pattern of political order in world society that also profoundly affects power dynamics in Palestine This insight has two important implications First power relations do not follow dichotomous distinctions such as international domestic or global local but manifest themselves within world society Second therefore order that comes into existence in Palestine needs to be understood as world societal order Offering a comprehensive understanding of power relations and patterns of political order ing embedded in world society the book provides a deeper understanding of the complex dynamics that contribute to the political and societal order of Palestine This book will be of interest to scholars and students of Middle East Studies Palestine Studies International Relations International Political Sociology International Relations Theory Governmentality Studies and Political Theory

The Challenge of Post-Zionism Ephraim Nimni, 2003 This volume presents the emerging debate known as Post Zionism about the future and characteristics of Israel Its contributors include some of its main protagonists Israeli citizens of Jewish and Palestinian background They explore Post Zionism's meanings ambiguities and prospects and place it in its political context as Israeli society seems to be reaching an ideological crossroads They also put forward criticisms of post Zionism and explore its implications for out groups including Palestinians Israeli women and Jewish people living outside Israel

Political

Parties and Terrorist Groups Ami Pedahzur, Leonard Weinberg, 2013-01-11 What is the relationship between the political parties that embrace the democratic process and terrorist groups which eschew the legal and procedural strictures of democracy This acclaimed volume provides a detailed theoretical and empirical analysis of this controversial issue Drawing on a vast array of data the authors examine a large number of international case studies from Italy Spain Lebanon Turkey Iran Israel Palestine Peru Argentina Japan and Northern Ireland This comprehensive book is the definitive account of this extremely important subject

Between Terrorism and Civil War Clive Jones, Ami Pedahzur, 2013-09-13 This volume seeks to explore whether the current violence its origins and dynamics can best be understood as a manifestation of civil war In so doing it considers how the use of violence by all parties has been conditioned and or constrained by the domestic factors pertaining to their societies how external actors have dealt with the violence internally and how this has impacted on their relations with Israel and the Palestinians and what does the conduct and scope of the al Aqsa Intifada suggest about the broader issue of state boundaries and state legitimacy in the contemporary Middle East This volume was previously published as a special issue of the journal Civil Wars

Stabilizing Authoritarianism Hussein AlAhmad, 2024-07-07 The book explores the close relationship between media institutions and power elites in Arab societies This relationship exists within an unprecedented state of competition among global powers for influence and control over necessary resources and consumer markets in the Middle East These conflicts still ravage these societies including Palestinian society designated as a region characterized by organized chaos dominated by multiple forms of increasing political instability and complex sources of internal turmoil Taking the specificity of the Palestinian internal conflict as a case study the book explores the interrelationships between power elites at the three levels of international regional and domestic politics via the news message of satellite TV news media outlets This book will interest scholars of the Middle East of media and authoritarianism and of the sociology of the Arab world

Historical Dictionary of Arab and Islamic Organizations Sarah Tenney, 2020-10-28 The Historical Dictionary of Arab and Islamic Organizations focuses on international and regional organizations primarily in the Middle East and North Africa MENA region With more than 300 cross referenced entries this volume includes both major and minor organizations While the emphasis is on intergovernmental institutions it also covers non governmental organizations key countries movements and prominent figures in the Arab and Islamic world Like other dictionaries of this type it includes an introductory essay chronology of major events and a select bibliography for further reading It provides a solid starting point for students researchers and anyone wanting to know more about the subject

Established and Outsiders at the Same Time Gabriele Rosenthal, 2016 Palestinians frequently present a harmonizing and homogenizing we image of their own national we group as a way of counteracting Israeli attempts to sow divisions among them whether through Israeli politics or through the dominant public discourse in Israel However a closer look reveals the fragility of this homogenizing we image which masks a variety of internal tensions and conflicts By applying methods and

concepts from biographical research and figurational sociology the articles in this volume offer an analysis of the Middle East conflict that goes beyond the polar opposition between Israelis and Palestinians On the basis of case studies from five urban regions in Palestine and Israel Bethlehem Ramallah East Jerusalem Haifa and Jaffa the authors explore the importance of belonging collective self images and different forms of social differentiation within Palestinian communities For each region this is bound up with an analysis of the relevant social and socio political contexts and family and life histories The analysis of locally different figurations means focusing on the perspective of Palestinians as members of different religious socio economic political or generational groupings and local group constellations for instance between Christians and Muslims or between long time residents and refugees The following scholars have contributed to this volume Ahmed Albaba Johannes Becker Hendrik Hinrichsen Gabriele Rosenthal Nicole Witte Arne Worm and Rixta Wundrak Gabriele Rosenthal is a sociologist and professor of Qualitative Methodology at the Center of Methods in Social Sciences University of G ttingen Her major research focus is the intergenerational impact of collective and familial history on biographical structures and actional patterns of individuals and family systems Her current research deals with ethnicity ethno political conflicts and the social construction of borders She is the author and editor of numerous books including *The Holocaust in Three Generations* 2009 *Interpretative Sozialforschung* 2011 and together with Artur Bogner *Ethnicity Belonging and Biography* 2009 **Routledge Handbook of Middle East Politics** Larbi Sadiki, 2020-03-31 Drawing on various perspectives and analysis the Handbook problematizes Middle East politics through an interdisciplinary prism seeking a melioristic account of the field Thematically organized the chapters address political social and historical questions by showcasing both theoretical and empirical insights all of which are represented in a style that ease readers into sophisticated induction in the Middle East It positions the didactic at the centre of inquiry Contributions by forty four scholars both veterans and newcomers rethink knowledge frames conceptual categories and fieldwork praxis Substantive themes include secularity and religion gender democracy authoritarianism and new borderline politics of the Middle East Like any field of knowledge the Middle East is constituted by texts authors and readers but also by the cultural spatial and temporal contexts within which diverse intellectual inflections help construct write speak academic meaning knowing and practice By denaturalizing notions of singularity of authorship or scholarship the Handbook plants a dialogic interplay animated by multi vocality multi modality and multi disciplinarity Targeting graduate students and young scholars of political and social sciences the Handbook is significant for understanding how the Middle East is written and re written read and re read epistemology methodology and for how it comes to exist ontology

Palestinian Regime A Partial Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Palestinian Regime A Partial Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Palestinian Regime A Partial Democracy has opened up a world of possibilities. Downloading Palestinian Regime A Partial Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Palestinian Regime A Partial Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Palestinian Regime A Partial Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Palestinian Regime A Partial Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Palestinian Regime A Partial Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Palestinian Regime A Partial Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Palestinian Regime A Partial Democracy Books

What is a Palestinian Regime A Partial Democracy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Palestinian Regime A Partial Democracy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Palestinian Regime A Partial Democracy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Palestinian Regime A Partial Democracy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Palestinian Regime A Partial Democracy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various

online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
