Palestinians And Israel:

The Israel-Palestine Conflict Neil Caplan, 2019-09-04 One of the 10 Must Read Histories of the Palestine Israel Conflict Ian Black Literary Hub on the 100th anniversary of the Balfour Declaration The new edition of the acclaimed text that explores the issues continuing to define the Israeli Palestinian conflict Numerous instances of competing sometimes incompatible narratives of controversial events are found throughout history Perhaps the starkest example of such contradictory representations is the decades long conflict between Israel and Palestine For over 140 years Israelis Palestinians and scores of peacemakers have failed to establish a sustainable mutually acceptable solution The Israel Palestine Conflict introduces the historical basis of the dispute and explores both the tangible issues and intangible factors that have blocked a peaceful resolution Author Neil Caplan helps readers understand the complexities and contradictions of the conflict and why the histories of Palestine and Israel are so fiercely contested Now in its second edition this book has been thoroughly updated to reflect the events that have transpired since its original publication Fresh insights consider the impact of current global and regional instability and violence on the prospects of peace and reconciliation New discussions address recent debates over two state versus one state solutions growing polarization in public discourse outside of the Middle East the role of public intellectuals and the growing trend of merging scholarship with advocacy Part of the Wiley Blackwell Contested Histories series this clear and accessible volume Offers a balanced non polemic approach to current academic discussions and political debates on the Israel Palestine conflict Highlights eleven core arguments viewed by the author as unwinnable Encourages readers to go beyond simply assigning blame in the conflict Explores the major historiographical debates arising from the dispute Includes updated references and additional maps Already a standard text for courses on the history and politics of the Middle East The Israel Palestine Conflict is an indispensable resource for students scholars and interested general readers

The Struggle for Peace Elizabeth Warnock Fernea, Mary Evelyn Hocking, 2014-11-06 The determination of ordinary people to end regional and global conflicts is powerful despite the forces opposing them The Struggle for Peace explores how average citizens on both sides of the Israeli Palestinian conflict worked for peace in the late twentieth century Essays by noted scholars are juxtaposed with profiles of individual Israelis and Palestinians involved in peace activism What emerges is a unique perspective on the prospects for peace in this troubled area Coordinated with a documentary film of the same name the book is designed as a tool for the study of conflict resolution generally and the Israeli Palestinian conflict in particular The twelve original essays deal with the issues from different disciplinary perspectives political science Yehoshafat Harkabi A R Norton Muhammad Muslih and Robert Vitalis history Avraham Zilkha and Joel Beinin anthropology Robert Rubinstein sociology Salim Tamari film Steven Talley law Edward Sherman and international peacekeeping Christian Harleman The human side of the struggle is presented through brief biographies and portraits of twenty five ordinary Israelis and Palestinians involved in peace activities in Israel and the West

Bank *The Israeli-Palestinian Conflict* Dov Waxman, 2019 No conflict in the world has lasted as long generated as many news headlines or incited as much controversy as the Israeli Palestinian conflict Yet despite or perhaps because of the degree of international attention it receives the conflict is still widely misunderstood While Israelis and Palestinians and their respective supporters trade accusations many outside observers remain confused by the conflict s complexity and perplexed by the passion it arouses 0*The Israeli Palestinian Conflict What Everyone Needs to Know* R offers an even handed and judicious guide to the world s most intractable dispute Rather than presenting a traditional narrative history this book employs an accessible question and answer format Writing in an engaging jargon free style Dov Waxman a leading expert on the Middle East provides clear and concise answers to common questions from the most basic to the most contentious Covering the conflict from its nineteenth century origins to the latest developments of the twenty first century this book explains the key events examines the core issues and presents the competing claims and narratives of both sides Readers will learn what the Israeli Palestinian conflict is all about how it has evolved over time and why it continues to defy diplomatic efforts at a resolution **Israel, the Palestinians, and the West Bank** Shmuel Sandler, Hillel Frisch, 1984 Analysis of political problems and social conflict in the community relations between Palestinians and Israelis in the West Bank Israeli administered territory since 1967 outlines relevant political theories and historical origins of the conflict partic The partition of Palestine examines the role of Jordan 1948 1967 the area s economic growth and political development the role of the PLO national liberation movement Israel s changing political ideology emphasis on West Bank human settlement and the war in Lebanon Bibliography statistical tables **One Country** Ali Abunimah, 2006-10-31 A provocative approach to the Israeli Palestinian conflict one state for two peoples that is sure to touch nerves on all sides The Israeli Palestinian war has been called the world s most intractable conflict It is by now a commonplace that the only way to end the violence is to divide the territory in two and all efforts at a resolution have come down to haggling over who gets what Will Israel hand over 90 percent of the West Bank or only 60 percent Will a Palestinian state include any part of Jerusalem Clear eyed sharply reasoned and compassionate One Country proposes a radical alternative to revive an old and neglected idea of one state shared by two peoples Ali Abunimah shows how the two are by now so intertwined geographically and economically that separation cannot lead to the security Israelis need or the rights Palestinians must have He reveals the bankruptcy of the two state approach takes on the objections and taboos that stand in the way of a binational solution and demonstrates that sharing the territory will bring benefits for all The absence of other workable options has only lead to ever greater extremism it is time Abunimah suggests for Palestinians and Israelis to imagine a different future and a different relationship

Palestinians Between Israel and Jordan Raphael Israeli, 1991-06-19 Positing that the Palestinians are a unit mainly triangled between Israel the Territories and Jordan and that the territory in dispute encompasses the whole of British Mandate Palestine Raphael Israeli gives an overview of the roots and historical development of the problem He then analyzes

and discusses in depth all the solutions envisioned so far status quo Jordanization of Palestine Palestinization of Jordan annexation territorial compromise autonomy and transfer of population focusing on the reasons for their failure and or unacceptability Professor Israeli challenges conventional wisdom and comes up with a workable answer that could square the triangle The solution based on mutual recognition and respect is premised on a rigorous and fair parallelism between the claims and rights of both parties Israelis and Palestinians This means that Jews as well as Palestinians should be recognized as a people and not only a religion by their adversaries equally entitled to self determination to their national liberation movements Zionism in the case of the Jews and to the territory in dispute i e the whole of Mandate Palestine These premises being accepted the problem now reduced to a quantitative and therefore negotiable one will be to divide the land at stake into a State of Palestine east and Israel west Having thus tried to meet the contradictory needs of both parties Israeli comes up with a novel and imaginative solution embodying a new concept of sovereignty that could well serve as a model elsewhere to the problem of minorities left in Israel or Palestine It rests on the possibility of opting for one of two statuses in each country that of full citizen with all the rights and obligations citizenship creates or that of resident alien with all the rights and protection as well as inherent limitations that this status brings The adoption of this unique solution would open up many possibilities for cooperation and peace in the Middle East

Palestine and Israel David McDowall, 1989 In this book David MacDowall looks at the recent uprising in a long term perspective He examines in detail the historical social and political background to this important development and asks how it has affected the Arab Israeli conflict He discusses the impact of external intervention in the region the failure of the peace initiatives the troubled history of Jordan with the Palestinians since 1948 and the problem of the 2 million Palestinian refugees But he focuses on the experiences of the communities in the front line of the dispute the Arabs and Jews of the occupied territories and Israel

A History of the Israeli-Palestinian Conflict Mark A. Tessler, 1994 Mark Tessler s highly praised comprehensive and balanced history of the Israeli Palestinian conflict from the earliest times to the present updated to the first decade of the twenty first century provides a constructive framework for understanding recent developments and assessing the prospects for future peace New chapters elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition

Jacket Palestinians in Israel Ben White, 2011-12-05 Palestinians in Israel considers a key issue ignored by the official peace process and most mainstream commentators that of the growing Palestinian minority within Israel itself What the Israeli right wing calls the demographic problem Ben White identifies as the democratic problem which goes to the heart of the conflict Israel defines itself not as a state of its citizens but as a Jewish state despite the substantial and increasing Palestinian population White demonstrates how the consistent emphasis on privileging one ethno religious group over another cannot be seen as compatible with democratic values and that unless addressed will undermine any attempts to find a lasting peace Individual case studies are used to complement this deeply informed study into the great

unspoken contradiction of Israeli democracy It is a pioneering contribution which will spark debate amongst all those concerned with a resolution to the Israel Palestine conflict

The Quest for Peace between Israel and the Palestinians Haig A. Khatchadourian, 2011-06-29 A Palestinian state alongside a secure Israel is the sine qua non of a stable peace between Arabs and Israelis and at this late date would realize a modicum of the Palestinians moral and legal territorial rights roughly equal to those of the Jews Israelis and a long standing aspiration for self determination A defense of the two state option and a qualified defense of the Oslo Accords against Islamist and radical Jewish rejectionist critics is therefore offered Besides satisfying Palestinian aspirations Palestinian statehood would help open the way to a comprehensive peace between the Arabs and Israel through a just negotiated settlement of the Syrian Lebanese Israeli territorial disputes A comprehensive peace in turn should stimulate economic and cultural cooperation between Israel and the Arab countries the peace dividend lending it additional strength Increased stability should also result from the hoped for liberalization and democratization of the region s Arab regimes

The Forgotten Palestinians Ilan Pappé, 2011-06-28 Examines how Israeli Palestinians have fared under Jewish rule revealing both Israel's attitude toward minorities and Palestinians attitudes toward the Jewish state and analyzes the Israeli state's policy towards its Palestinian citizens

Palestinian Citizens in Israel Manar H. Makhoul, 2020-03-02 This book uses the methodology of sociology and literary studies to come to terms with the reality of Palestinian citizens of Israel across several generations It explores the evolution of Palestinian identity from one that struggled for independence and self determination up to 1948 to one that now presses the call for civil rights and civic equality What were the forces that shaped this transformation over six decades a Traditional sociological research on this community focusses on the structural relationships between Israel and its Palestinian citizens Primarily concerned with the political discourse and activism of this community it mostly makes use of party agendas voting patterns and opinion polls as primary indicators In contrast this book focuses on the Palestinian voice through an analysis of the 75 novels published by Palestinian citizens of Israel from 1948 to 2010 Paying attention to processes that are internal to this community the author identifies the intellectual and ideological forces that drove major social and political transformations in this community over this period

The Israeli Palestinians Alexander Bligh, 2003 This edited collection offers a comprehensive analysis of the most significant factors to have contributed to the current relations between Israel's Jewish and Arab citizens

How Israelis and Palestinians Negotiate Tamara Cofman Wittes, 2005 Refreshing and revealing in equal measure this innovative volume conducts a critical self critical exploration of the impact of culture on the ill fated Oslo peace process The authors negotiators and scholars alike demolish stereotypes as they construct an unusually subtle and sophisticated understanding of how culture influences negotiating styles Culture they argue did not cause the Oslo breakdown but it did play an influential intervening role at several levels coloring the thinking of political leaders shaping domestic politics on both sides and affecting each side's evaluation of the other's beliefs and intentions After an overview by William Quandt of the history of the

Oslo process and the impact of international factors such as U S mediation the volume presents a detailed analysis of first Palestinian and then Israeli negotiating styles between 1993 and 2001 Omar Dajani a former legal advisor to the Palestinian team explains how elements of Palestinian identity and national development have hobbled the Palestinians ability to negotiate effectively Aharon Klieman a distinguished Israeli analyst traces a long standing clash between diplomatic and security subcultures within the Israeli political elite and reveals how Israeli identity has helped create a negotiating style that opts for short term gains while undermining the prospects for a lasting agreement Drawing on these insights Tamara Wittes concludes the volume by offering not only a fresh appreciation of culture s influence on interethnic negotiations but also lessons for future negotiators in the Israeli Palestinian conflict Read the review from Foreign Affairs

Imperial Israel and the Palestinians Nur Masalha, 2000-07-20 A critical history of Israel s expansionist politics that reveals how imperialist tendencies run the gamut from Left to Right

The Palestinian-Arab Minority in Israel, 1948-2000 As'ad Ghanem, 2012-02-01 2001 CHOICE Outstanding Academic Title As ad Ghanem provides a comprehensive description of the political development of the Palestinian Arab minority in Israel and also discusses their social cultural and economic experiences Covering two main aspects of politics the different manifestations of politics and the dilemmas created by these politics he presents the predicament of the Palestinian Arab minority in Israel which derives from the ethnic character of the State of Israel and their isolation from other Palestinians and proposes the Israeli Palestinian bi national state as a suitable resolution not only for this problem but also for the main Palestinian Israeli conflict

Palestinians in Israel As'ad Ganim, Mohanad Mustafa, 2018-11 Examining the emergence of a new generation of Palestinians in Israel and their political social and religious transformations and empowerment

Palestinians and Israel Yehoshafat Harkabi, *The Palestinian Authority, Israel and the Peace Process* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on the Middle East and North Africa, 2014

The Power of Dialogue Between Israelis and Palestinians Nava Sonnenschein, 2019-01-08 In *The Power of Dialogue between Israelis and Palestinians* scholar and activist Nava Sonnenschein shares a collection of twenty five powerful interviews she conducted with Palestinian and Jewish Israeli alumni of peacebuilding courses showing the potential for a sustainable path to peace with equality in Israel and Palestine

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Palestinians And Israel**

In some sort of inundated with monitors and the cacophony of immediate transmission, the profound power and psychological resonance of verbal artistry often diminish in to obscurity, eclipsed by the constant assault of noise and distractions.
